The Myth of the Lokamanya Richard I. Cashman, 2024-06-14 Lokamanya revered leader Bal Gangadhar Tilak 1856 1920 the extremist politician of Maharashtra a region of western India was one of the first Congress Party leaders to adopt the strategy of mass politics Interpretations of his role and his achievement differ greatly Some historians depict Tilak as India's first mass politician who was a creative nationalist myth maker other suggest that he was an opportunist who manipulated politics for selfish elitist purposes With an eye to resolving these conflicting opinions Cashman related Tilak's ideology to his political organization the author concentrates on four mass movements studying the Lokamanya when he was engaged in political action and comparing his public statements with his political tactics This approach provides a means of examining the manner in which Tilak redefined myths and of assessing the value of myths for purposes of political mobilization Cashman suggests deficiencies in previous interpretations of Tilak Arguing that the limitations of the mass movements need not be explained by the inadequacies of myths he demonstrates that instead they reflected the transitional state of Maharashtrian society which lacked a broad consensus Tilak was active at a time when there was no common goal no broader objective in which sectional interests might be subsumed He symbolized the uncertain striving of his society for some new direction whose nature was yet unknown He did not create the myth of the Lokamanya or the ideology of nationalism but responding to social and political pressures became a prisoner of the myths Much writing of Indian history has been influenced either by a narrow ideological approach or by a retreat to arithmetical pragmatism Cashman attempts to restore a balance by reexamining the relationship of myth to politics This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1975

The Philosophy of Yoga in Contemporary American Fiction Sukhbir Singh, 2024-07-09 Following the Second World War yoga has asserted its presence in America and impacted the American culture arts and literature This book offers extensive explications of Saul Bellow's Mr Sammler's Planet J D Salinger's Teddy John Updike's S A Novel and Kurt Vonnegut's Slaughterhouse Five in the light of the four different yoga philosophies interwoven into their respective narrative structures The comparative analyses of these four contemporary American fictions unveil the deeper mystical motifs implicit in their plots stories themes and characters behavioural patterns The exhaustive interpretations of texts in the five successive chapters put forth an exposition of how the ancient Indic philosophy and contemporary American fiction interact to explicate and enrich each other The book adds a unique unconventional dimension to the comparative and interdisciplinary investigation into contemporary American fiction and thereby opens up new vistas of an off beat interface between the Eastern philosophy and Western literature

Hindutva and Violence Vinayak Chaturvedi, 2022-09-01 Examines the place of history in the political thought of Vinayak

Damodar Savarkar one of the key architects of modern Hindu nationalism *Hindutva and Violence* explores the place of history in the political thought of Vinayak Damodar Savarkar 1883-1966 the most controversial Indian political thinker of the twentieth century and a key architect of Hindu nationalism Examining his central claim that *Hindutva* is not a word but a history the book argues that for Savarkar this history was not a total history a complete history or a narrative history Rather its purpose was to trace key historical events to a powerful source the font of motivation for chief actors of the past who had turned to violence in a permanent war for *Hindutva* as the founding principle of a Hindu nation At the center of Savarkar's writings are historical characters who not only participated in ethical warfare against invaders imperialists and conquerors in India but also became Hindus in acts of violence He argues that the discipline of history provides the only method for interpreting *Hindutva* The book also shows how Savarkar developed his conceptualization of history as a way into the meaning of *Hindutva* Savarkar wrote extensively from analyses of the nineteenth century to studies of antiquity to draw up his histories of Hindus He also turned to a wide range of works from the epic tradition to contemporary social theory and world history as his way of explicating *Hindutva* and history By examining Savarkar's key writings on history historical methodology and historiography Vinayak Chaturvedi provides an interpretation of the philosophical underpinnings of *Hindutva* Savarkar's interpretation of *Hindutva* he demonstrates requires above all grappling with his idea of history

India Gurpreet Mahajan, 2013-10-10 In this groundbreaking work Gurpreet Mahajan tackles the predisposition of political theory to be limited by the Western canon Bringing into focus how concepts central to the modern democratic political imaginary are interpreted in India this book elaborates the ways that ideas of freedom equality and difference are layered with new meanings and how questions of religion and state critical reason and embedded self are understood in the Indian context Part of Zed's World Political Theories series this remarkable work offers a glimpse of the social and political life of contemporary India and how it differs from the dominant liberal paradigm *Evil and the Philosophy of Retribution* Sanjay Palshikar, 2017-09-19 What is evil What are the ways of overcoming this destructive and morally recalcitrant phenomenon To what extent is the use of punitive violence tenable *Evil and the Philosophy of Retribution* compares the responses of three modern Indian commentators on the Bhagavad Gita Aurobindo Ghose Bal Gangadhar Tilak and Mahatma Gandhi The book reveals that some of the central themes in the Bhagavad Gita were transformed by these intellectuals into categories of modern socio-political thought by reclaiming them from pre-modern debates on ritual and renunciation Based on canonical texts this work presents a fascinating account of how the relationship between good evil and retribution is construed against the backdrop of militant nationalism and the development of modern Hinduism Amid competing constructions of Indian tradition as well as contemporary concerns it traces the emerging representations of modern Hindu self-consciousness under colonialism and its very understanding of evil surrounding a textual ethos Replete with Sanskrit English Marathi and Gujarati sources this will especially interest scholars of modern Indian history philosophy political science history of religion and

Anand C. Paranjpe, 2005-12-11 East meets West in this fascinating exploration of conceptions of personal identity in Indian philosophy and modern Euro American psychology Author Anand Paranjpe considers these two distinct traditions with regard to historical disciplinary and cultural gaps in the study of the self and in the context of such theoretical perspectives as univocalism relativism and pluralism The text includes a comparison of ideas on self as represented by two eminent thinkers Erik H Erikson for the Western view and Advaita Vedanta for the Indian The English Catalogue of Books Published from January, 1835, to January, 1863 , 1864 Indian Books in Print , 2003 **The Bhagavad Gita** , 1970 The Hindus Wendy Doniger, 2010-09-30 An engrossing and definitive narrative account of history and myth that offers a new way of understanding one of the world's oldest major religions The Hindus elucidates the relationship between recorded history and imaginary worlds Hinduism does not lend itself easily to a strictly chronological account many of its central texts cannot be reliably dated even within a century its central tenets karma dharma to name just two arise at particular moments in Indian history and differ in each era between genders and caste to caste and what is shared among Hindus is overwhelmingly outnumbered by the things that are unique to one group or another Yet the greatness of Hinduism its vitality its earthiness its vividness lies precisely in many of those idiosyncratic qualities that continue to inspire debate today Wendy Doniger is one of the foremost scholars of Hinduism in the world With her inimitable insight and expertise Doniger illuminates those moments within the tradition that resist forces that would standardize or establish a canon Without reversing or misrepresenting the historical hierarchies she reveals how Sanskrit and vernacular sources are rich in knowledge of and compassion toward women and lower castes how they debate tensions surrounding religion violence and tolerance and how animals are the key to important shifts in attitudes toward different social classes The Hindus brings a fascinating multiplicity of actors and stories to the stage to show how brilliant and creative thinkers many of them far removed from Brahmin authors of Sanskrit texts have kept Hinduism alive in ways that other scholars have not fully explored In this unique and authoritative account debates about Hindu traditions become platforms from which to consider the ironies and overlooked epiphanies of history *Translators Through History* Jean Delisle, Judith Woodsworth, 2012 Acclaimed when it first appeared as a seminal work a groundbreaking book that was both informative and highly readable Translators through History is being released in a new edition substantially revised and expanded by Judith Woodsworth Translators have played a key role in intellectual exchange through the ages and across borders This account of how they have contributed to the development of languages the emergence of literatures the dissemination of knowledge and the spread of values tells the story of world culture itself Content has been updated new elements introduced and recent directions in translation scholarship incorporated providing fresh insights and a more nuanced view of past events The bibliography contains over 100

new titles and illustrations have been refreshed and enhanced An invaluable tool for students scholars and professionals in the field of translation the latest version of Translators through History remains a vital resource for researchers in other disciplines and a fascinating read for the wider public

Essays on Violence Priyadarshini Vijaisri,2024-08-30 Essays on Violence Pollution Sacrifice and Madness is an exploration of the intersecting histories of caste and violence in the Indian context foregrounding ideational and temporal continuities and deep linkages between ideas processes and events by combing historical sources with ethnographic data Traversing the diverse and conflicting strands in Indian traditions it traces the centrality of the idea of violence in discourses on sacrificial violence self body evil and danger and their reverberations in critical moments of Indian history The discourse on caste violence is unpacked through analysis of concepts like danda matsyanyaya and vadhoavadha religious and textual exegesis of negation and demonization and historical sites to locate processes of transitions in cultures of violence via the Telangana armed uprising and imagined cartography of the incipient nation By drawing attention to the nature of caste violence in postcolonial Andhra the book offers glimpses into the emergence of contradictory pulls in the forging of caste identities nationhood and the shifts in the subjectivity of outcastes within the context of repressive political culture of postcolonial democratic experience

Hindu Nationalists of Modern India Jose Kuruvachira,2006 This book is a critical study of six selected Hindu nationalists of modern India Swami Dayananda Saraswati 1824 1883 Swami Vivekananda 1863 1902 Bal Gangadhar Tilak 1856 1920 Vinayak Damodar Savarkar 1883 1966 Madhav Sadashiv Golwalkar 1906 1973 and Sita Ram Goel 1921 2003 in order to trace the intellectual genealogy of Hindu cultural nationalism and fundamentalism Behind

each of these there is a dark and hidden history of religious fundamentalism fanaticism narrow minded nationalism anti minoritism anti secularism and intolerance But unfortunately this is not always known to the people The present study is an attempt to highlight these less known facts and also demonstrate that contemporary Hindu cultural nationalism and fundamentalism have their ideological roots in the past This book will be of interest not only to students academicians and scholars but also to those who wish to know the facts relating to the rise of certain Hindu nationalist and fundamentalist organisations political parties groups movements and associations their methods of mass mobilisation and indoctrination their anti minority syndrome and militant orientations manifested especially in their attitude towards the Indian Christians and Muslims
