THE SS: HITLER'S INSTRUMENT OF TERROR

GORDON WILLIAMSON

Ss Hitlers Instrument Of Terror

Colin D. Heaton

Ss Hitlers Instrument Of Terror:

The SS Gordon Williamson,1994 The Schutzstaffel German pronunciation tstafl translated to Protection Squadron or defence corps abbreviated SS was a major paramilitary organization under Adolf Hitler and the Nazi Party NSDAP It began at the end of 1920 as a small permanent guard unit known as the Saal Schutz Hall Protection made up of NSDAP volunteers to provide security for Nazi Party meetings in Munich Later in 1925 Heinrich Himmler joined the unit which had by then been reformed and renamed the Schutz Staffel Under Himmler s leadership 1929 45 it grew from a small paramilitary formation to one of the largest and most powerful organizations in the Third Reich Built upon the Nazi ideology the SS under Himmler s command was responsible for many of the crimes against humanity during World War II 1939 45 The SS along with the Nazi Party was banned in Germany as a criminal organization after 1945 Wikipedia

The SS Gordon Williamson,2013-03 The SS is a story of one of the most infamous organisations in history and a balanced authoritative account of Hitler s private army the very cornerstone of the Third Reich s internal security forces

Crossing the Zorn Edward Monroe-Jones,2010-03-10 Conceived in desperation after the Battle of the Bulge in January 1945 Germany s Operation Nordwind culminated in the frozen Alsatian fields surrounding the Zorn River In what was expected to be an easy offensive the German 10th Waffen SS Panzer Division attacked the American 12th Armored Division near the villages of Herrlisheim and Weyersheim Neither army foresaw the savage violence that ensued Combining the vivid eyewitness accounts of veterans from both sides of the conflict with information gleaned from a variety of long unavailable print sources this richly detailed history casts a fascinating light on a little known but crucial battle in the Second World War Common stalwart German and American soldiers carried out near impossible orders

Hitler's Prisons - Legal Terror in Nazi Germany Nikolaus Wachsmann,2015-05-26 State prisons played an indispensable part in the terror of the Third Reich incarcerating many hundreds of thousands of men and women during the Nazi era This important book illuminates the previously unknown world of Nazi prisons their victims and the judicial and penal officials who built and operated this system of brutal legal terror Nikolaus Wachsmann describes the operation and function of legal terror in the Third Reich and brings Nazi prisons to life through the harrowing stories of individual inmates Drawing on a vast array of archival materials he traces the series of changes in prison policies and practice that led eventually to racial terror brutal violence slave labor starvation and mass killings Wachsmann demonstrates that ordinary legal officials were ready collaborators who helped to turn courts and prisons into key components in the Nazi web of terror And he concludes with a discussion of the whitewash of the Nazi legal system in postwar West Germany

Justifying Injustice Herlinde Pauer-Studer, 2020-09-24 Post war legal scholars commonly consider the Third Reich s judicial system to be the paradigm of evil law By examining how crucial parts of this distorted normative order evolved and were justified by regime loyal legal theorists we can appreciate how law can bend to a political ideology and fail to keep state power from transgressing elementary standards of humanity and the rule of law From 1933 to 1939 a flood of publications reflected on the question of how to adapt law to the political ends of National Socialism debating both the normative and constitutional foundations of the National Socialist state and the proper form and content of

criminal and police law in this new political framework These debates the main threads of which are central to this book
reveal the normative ideas driving the Führer state and the legal subtext to the Nazi regime s escalating atrocities The SS
