St Julien Ypres:

The Great War Herbert Wrigley Wilson, Sir John Alexander Hammerton, 1915 Military Operations Sir James Edward Edmonds, 1927 A Military Atlas of the First World War Arthur Banks, 2000-09-13 With the ingenious use of maps diagrams and statistics this indispensable work explains the strategies of the combatants and the diplomatic history The Beacon This is a unique study of the conflict of 1914-18 on land sea and in the air through maps diagrams and illustrations Within the scope of some 250 maps Arthur Banks has presented both broad general surveys of political and military strategy and the most closely researched details of major individual campaigns and engagements These are supplemented by comprehensive analysis of military strengths and command structures and illustrations One of the best books of maps I've seen about any war With 250 separate maps you get something on just about every aspect of the war from the familiar Western Front to the Zeppelin raids over Britain through to the campaigns in the Middle East and beyond History of War I am delighted that after being out of print from time to time this reprint has arrived to answer the prayers of teachers pupils researchers and others who need a quick and accurate reference guide Stand To journal of The Western Front Association **Londoners on the Western Front** David Martin, 2014-03-31 In spite of all the books written on the First World War some remarkable stories still remain untold and that of the 58th London Division is one of the most neglected A territorial formation lacking the glamour of the old army or the Kitchener Volunteers the 58th never received an official history and apart from the odd mention and a poignant memorial on the Somme battlefield depicting a rider cradling a dying horse it has faded from memory Yet the Division saw hard service and won through at Passchendaele where it won fame for capturing the Wurst Farm ridge many of its soldiers were decorated for this action and the ridge afterwards renamed London Ridge in its honour This book will tell the fascinating story of the 58th Division's war and through this cast new light on the wider story of how the BEF struggled through the hard years and developed into such a formidable force Passchendaele is remembered for mud and waste but the 58th Division's experience shows the immense scale of the preparations supporting the offensive and show both how these worked and when they fell short A history of the 58th Division is long overdue It is also a way of bringing a good deal of new research on the war to the general reader As featured in the Shropshire Star and Epping Forest Guardian

The History of the Somerset Light Infantry (Prince Albert's) 1914-1919 Everard Wyrall, 1927 *The Monthly Army List* Great Britain. Army, 1924-10 **British Battalions on the Western Front** Ray Westlake, 2000-11-12 The author's previous three books in this series *British Battalions on the Somme* 1916 *British Regiments at Gallipoli* and *British Battalions in France and Belgium* 1914 have achieved all that they set out to do On the historical side it is now agreed by a large number of grateful historians researchers museum curators librarians etc that for the first time they are able to establish quickly and conveniently what part each unit played in these important campaigns It was also intended to provide family historians with a means of tracing the war service of their relatives This again has been accomplished *British Battalions in France and Belgium*

January June 1915 sets out with the same objectives in mind on this occasion providing a unique account of the 291 infantry battalions of the British Army that served in France and Belgium from 1st January to the end of June 1915 Over 500 volumes of war diaries and unit histories have been consulted along with personal memoirs and diaries Detailed records of movements both in and out of battle areas and on a day by day basis being covered in the same meticulous style as before

Apr.-June, 1915 ,1917 **Salient Points Two** Tony Spagnoly,Ted Smith,1990-12-31 Another group of stories in the Salient Points series A collection of stories of men their units and the actions they took part in during the conflict of 1914 1918 together with stories other points of interest along the old Western Front Each story is supported with photographs and maps showing the area of the action as it was then and is today The content feature titles are The Black Watch Lord Worsley at Zandvoorde The 1st Battalion Royal Welch Fusiliers at Zandvoorde The Worcesters and the Welsh at Gheluvelt in 1914 The Youngest Soldier Major Lanoe Hawker at Abeele Aerodrome 16th Battalion The Canadian Scottish at Kichener Wood Pond Farm Fray Bentos at Hill 35 The Liverpool Irish at Schuler Galleries The O Donnell Twins New Zealand at the village of Messines Reconciliation at Broodseinde Menin Gate South Paul Chapman,2016-06-06 This is a comprehensive and highly emotive volume borne of years of intensive research and many trips to the battlefields of the Great War It seeks to humanise the Menin Gate Memorial South to offer the reader a chance to engage with the personal stories of the soldiers whose names have been chiseled there in stone Poignant stories of camaraderie tragic twists of fate and noble sacrifice have been collated in an attempt to bring home the reality of war and the true extent of its tragic cost It is hoped that visitors to the battlefields whether their relatives are listed within or not will find their experience enriched by having access to this treasure trove of stories *Soldier and Sailor Words and Phrases* ,1925 *The Quarterly Army List* Great Britain. War Office,1947 **Rats Alley** Peter Chasseaud,Alan Sillitoe,2017-08-03 When first published in 2006 Rats Alley was a ground breaking piece of research the first ever study of trench names of the Western Front Now in this fully updated and revised second edition the gazetteer has been extended to well over 20 000 trench names complete with map references in itself an essential tool for any First World War researcher However combined with the finely considered history and analysis of trench naming during the First World War this is an edition that no military history enthusiast should be without Discover when how and why British trenches were first named and follow the names fascinating development throughout the First World War alongside details of French and German trench naming practices Looked at from both contemporary and modern points of view the names reveal the full horror of trench warfare and throw an extraordinary sidelight on the cultural life of the period and the landscape and battles of the Western Front Names such as Lovers Lane Idiot Corner Cyanide Trench Crazy Redoubt Doleful Post Furies Trench Peril Avenue Lunatic Sap and Gangrene Alley can be placed in context With useful information on where original trench maps are held and how to obtain copies Rats Alley is a vital volume for both military and family historians

brought an end to the Golden Age of English cricket At least 210 professional cricketers out of a total of 278 registered signed up to fight of whom thirty four were killed However that period and those men were far more than merely statistics here we follow in intimate detail not only the cricketers of that fateful last summer before the war but also the simple pleasures and daily struggles of their family lives and the whole fabric of English social life as it existed on the eve of that cataclysm the First World War With unprecedented access to personal and war diaries and other papers Sandford expertly recounts the stories of such greats as Hon Lionel Tennyson as he moves virtually overnight from the round of Chelsea and Mayfair parties into the front line at the Marne the violin playing bowler Colin Blythe who asked to be moved up to a front line unit at Passchendaele following the death in action of his brother with tragic consequences and the widely popular Hampshire amateur player Robert Jesson whose sometimes comic frequently horrific and always enthralling experiences of the ill fated Gallipoli campaign are vividly brought to life The Final Over is undoubtedly a gripping moving and fully human account of this most poignant summer of the twentieth century both on and off the field of play **The Encyclopædia Britannica** Hugh Chisholm,James Louis Garvin,1926 *Battle Honours Awarded for the Great War* HMSO,2012-02-13 Final list of battle honours awarded to each regiment as published under Army Order 55 of February 1925 This order directed that no further submissions concerning the Great War battle honours will be made Those to be borne on the Colours or Appointments are shown in bold print **The Times History of the War** ,1918 Historical Records of the 16th (Service) Battalion, Northumberland Fusiliers Charles Herbert Cooke,1923 Canada in the Great World War: Guarding the channel ports ,1919
