St Sergius And Russian Spirituality:

Saint Sergius and Russian Spirituality Pierre Kovalevsky, 1976 By bringing the Orthodox spiritual tradition to the forests of the north this remarkable fourteenth century saint made Russia's period of political recovery also a period of spiritual renewal Few have left such a powerful impression on a nation's history 90 photos *The Westminster Dictionary of Christian Spirituality* Gordon S. Wakefield, 1983-01-01 Ecumenical in character this comprehensive and authoritative dictionary is the achievement of scholars of international standing Anglicans Roman Catholics Baptists Presbyterians Quakers Methodists Lutherans and others The articles are nondogmatic and scholarly The main emphasis is thematic the entries represent types schools and subjects Articles that refer to non-Christian religions are included insofar as they have influenced Christianity The unifying theme of the dictionary is that it seeks to illumine ways in which women and men have responded to God in prayer and living **The Way of a Pilgrim and Other Classics of Russian Spirituality** G. P.

Fedotov, 2012-08-16 Ranging from the 11th century to modern times these texts derive from the lives of saints ascetic and mystic treatises and spiritual autobiographies They offer both a literary sensibility and examples of religious experience

Hesychasm and Art Anita Strezova, 2014-09-01 Although many of the iconographic traditions in Byzantine art formed in the early centuries of Christianity they were not petrified within a time warp Subtle changes and refinements in Byzantine theology did find reflection in changes to the iconographic and stylistic conventions of Byzantine art This is a brilliant and innovative book in which Dr Anita Strezova argues that a religious movement called Hesychasm especially as espoused by the great Athonite monk St Gregory Palamas had a profound impact on the iconography and style of Byzantine art including that of the Slav diaspora of the late Byzantine period While many have been attracted to speculate on such a connection none until now has embarked on proving such a nexus The main stumbling blocks have included the need for a comprehensive knowledge of Byzantine theology a training in art history especially iconological semiotic and formalist methodologies extensive fieldwork in Macedonia Bulgaria Serbia Greece Turkey and Russia and a working knowledge of Greek Old Church Slavonic Macedonian Russian Serbian Latin as well as several modern European languages French German Russian and Italian These are some of the skills which Dr Strezova has brought to her topic Professor Sasha Grishin AM FAHA Adjunct Professor of Art History School of Literature Languages and Linguistics The Australian National University **The**

Orthodox Way Kallistos (Bishop of Diokleia), 1979 First published in 1979 **Catastrophe Theology** Francis Kai, 2017-05-15 The Catastrophe Theology is a theology learned by Francis Kai throughout the years he was thrown into the Valley of Achor Although he had been a Catholic from ten years old Francis did not know to receive grace from God in deep suffering when his wife Martha was diagnosed with brain cancer During his search for spiritual help Francis discovered Martin Luther was the first theologian to preach suffering Luther's doctrine of justification by faith alone is the doctrine of salvation by grace alone through faith alone Grace is the free gift of God to mankind A Christian must learn the way to

receive grace through his faith in Christ Francis learned to receive grace by learning Luthers teaching Submit totally to God He was transformed from living his church life to Christian life God calls us to bear great fruit for his glory in this suffering world Francis learned the verse of John 14 12 from Pastor Scott Scruggs to do greater things than Jesus by telling his readers about the theology of suffering A church that does not preach suffering is not Gods church Francis learned to be a godly man from living a life in doctrine The Concise Encyclopedia of Orthodox Christianity John Anthony McGuckin,2014-02-03

 Interspersed with boxed features that provide more detail on key individuals and groups and timelines that put events into their chronological contexts *Christian Spirituality* is an ideal overview for scholars and interested readers alike **Butler's Lives of the Saints** Alban Butler, 1995 For more than two centuries Butler's has been one of the best known most widely consulted hagiographies In its brief and authoritative entries readers can find a wealth of knowledge on the lives and deeds of the saints as well as their ecclesiastical and historical importance since canonization **Who's Who in Christianity** Lavinia Cohn-Sherbok, 2001 Who's Who in Christianity is an invaluable reference guide to the leading men and women who have influenced the course of Christian history including the founding fathers saints popes monarchs philanthropists theologians missionaries and heretics The book encompasses both Eastern and Western churches and the lives and opinions of personalities who have shaped the past twenty Christian centuries from Jesus of Galilee to Pope John Paul II and from Paul of Tarsus to Mother Teresa **Andrei Rublev** Robert Bird, 2019-07-25 Andrei Tarkovsky 1932 1986 was one of the great poets of world cinema A fiercely independent artist Tarkovsky crafted poignantly beautiful films that have proven inscrutable and been bitterly disputed These qualities are present in abundance in Andrei Rublev 1966 Tarkovsky's first fully mature film Ostensibly a biographical study of Russia's most famous medieval icon painter Andrei Rublev is both lyrical and epic starkly naturalistic and allegorical authentically historical and urgently topical While much remains mysterious in Andrei Rublev critics have recently begun to reappraise it as a groundbreaking film that undermines comfortable notions of life and spirituality Robert Bird's multifaceted account of Andrei Rublev extends this reevaluation of Tarkovsky's radical aesthetic by establishing the film's historical context and presenting a substantially new reading of key scenes Bird definitively establishes the film's tortured textual history which has resulted in two vastly different versions He relates the film to traditions in Russian art and intellectual history but finally his analysis focuses on Andrei Rublev as a visual and narrative artwork that treats profound existential questions by challenging conventional notions of representation and vision

The Orthodox Church Kallistos (Bishop of Diokleia), 1993-04-29 Recounts the history of Orthodox Christianity and discusses Orthodox beliefs practices and forms of worship **Practices of the Self and Spiritual**

Practices Sergey S. Horujy, 2015-03-03 In this book Sergey Horujy undertakes a novel comparative analysis of Foucault's theory of practices of the self and the Eastern Orthodox ascetical tradition of Hesychasm revealing great affinity between these two radical subjectless approaches to anthropology As he facilitates the dialogue between the two he offers both an original treatment of ascetical and mystical practices and an up to date interpretation of Foucault that goes against the grain

of mainstream scholarship In the second half of the book Horujy transitions from the dialogue with Foucault to his own work of Christian philosophy rooted in but not limited to the Eastern Christian philosophical and theological tradition Horujy s thinking exemplifies the postsecular nature of our contemporary period and serves as a powerful invitation to think beyond religious secular divides in philosophy and Eastern Western divides in intellectual history
