Allison Hammer, 2023-10-17 Locating the roots of toxic masculinity and finding its displacement in unruly culture Masculinity in Transition analyzes shifting relationships to masculinity in canonical works of twentieth century literature and film as well as in twenty first century media performance and transgender poetics Focusing on toxic masculinity which has assumed new valence since 2016 K Allison Hammer traces its roots to a complex set of ideologies embedded in the histories of settler colonialism racial capitalism and political fraternity and finds that while toxic strains of masculinity are mainly associated with straight white men trans and queer masculinities can be implicated in these systems of power Hammer argues however that these malignant forms of masculinity are not fixed and can be displaced by unruly alliances texts and relationships that reject the nationalisms and gender politics of white male hegemony and perform an urgently needed reimagining of what it means to be masculine Locating these unruly alliances in the writings performances and films of butch lesbians gay men cisgender femmes and trans and nonbinary individuals Masculinity in Transition works through an archive of works of performance art trans poetics Western films and streaming media global creative responses to HIV AIDS and working class and white trash fictions about labor and unionization Masculinity in Transition moves the study of masculinity away from an overriding preoccupation with cisnormativity whiteness and heteronormativity and toward a wider and more generative range of embodiments identifications and ideologies Hammer s bold rethinking of masculinity and its potentially toxic effects lays bare the underlying fragility of normative masculinity Retail e book files for this title are screen reader friendly with images accompanied by short alt text and or extended descriptions *The New Western* Scott F. Stoddart, 2016-02-19 American moviegoers have long turned to the Hollywood Western for reassurance in times of crisis During the genre s heyday the films of John Ford Howard Hawks and Henry Hathaway reflected a grand patriotism that resonated with audiences at the end of World War II The tried and true Western was questioned by Ford and George Stevens during the Cold War and in the 1960s directors like Sam Peckinpah and George Roy Hill retooled the genre as a commentary on American ethics during the Vietnam War Between the mid 1970s and early 1990s the Western faded from view until the Gulf War when Kevin Costner s *Dances with Wolves* 1990 and Clint Eastwood s *Unforgiven* 1992 brought it back with moral complexities Since 9 11 the Western has seen a resurgence blending its patriotic narrative with criticism of America s place in the global community Exploring such films as *True Grit* 2010 and *Brokeback Mountain* 2005 along with television series like *Deadwood* and *Firefly* this collection of new essays explores how the Western today captures the dichotomy of our times and remains important to the American psyche *Sins of the Gunslinger* J.
