Dudden, 1994-01-01 Through a series of biographical sketches of female performers and managers Dudden provides a discussion of the conflicted messages conveyed by the early theatre about what it meant to be a woman It both showed women as sex objects and provided opportunities for careers **Cultural Readings of Restoration and Eighteenth-Century English Theater** Deborah Payne Fisk, J. Douglas Canfield, 2010-12-01 Ranging in approach from feminist to historicist the eleven essays in this collection share the culturalist premise that the drama of late Stuart and early Georgian England helped to constitute the dominant ideology of the period The contributors varied approaches allow for the reconsideration of libertinism the politics of sexual desire and other classic issues as well as such newer concerns as the social construction of the first English actresses empiricism as an emergent epistemological discourse cultural anxiety about novelty and repetition and shifting tropes of inherent worth By reading well known works in unexpected ways and focusing on less frequently studied dramatists from Sedley Motteux Pix and Behn to Manley Trotter and Shadwell the contributors also test the limits of the canon In addition they suggest that earlier critical perceptions perhaps even more than the innate worth of the plays determined the shape of the canon These essays present a different image of Restoration and eighteenth century theater one that reveals how the drama was a site as important for the negotiation of cultural meaning as were novels and verse satires **New Books on Women and Feminism**, 2013 The Facts on File Companion to American Drama Jackson R. Bryer, Mary C. Hartig, 2010 Features a comprehensive guide to American dramatic literature from its

origins in the early days of the nation to the groundbreaking works of today's best writers Historical Dictionary of Contemporary American Theater: 1930-2010 James Fisher, 2011-06-01 From legends like Eugene O'Neill Tennessee Williams and Arthur Miller to successful present day playwrights like Neil LaBute Tony Kushner and David Mamet some of the most important names in the history of theater are from the past 80 years Contemporary American theater has produced some of the most memorable beloved and important plays in history including *Death of a Salesman* *A Streetcar Named Desire* *Barefoot in the Park* *Our Town* *The Crucible* *A Raisin in the Sun* and *The Odd Couple* *Historical Dictionary of Contemporary American Theater* presents the plays and personages movements and institutions and cultural developments of the American stage from 1930 to 2010 a period of vast and almost continuous change It covers the ever changing history of the American theater with emphasis on major movements persons plays and events This is done through a chronology an introductory essay an extensive bibliography and over 1 500 cross referenced dictionary entries This book is an excellent access point for students researchers and anyone wanting to know more about the history of American theater *The Oxford Handbook of American Drama* Jeffrey H. Richards, Heather S. Nathans, 2014-02 This volume explores the history of American drama from the eighteenth to the twentieth century It describes origins of early republican drama and its evolution during the pre war and post war periods It traces the emergence of different types of American drama including protest plays reform drama political drama experimental drama urban plays feminist drama and realist plays This volume also analyzes the works of some of the most notable American playwrights including Eugene O'Neill Tennessee Williams and Arthur Miller and those written by women dramatists Critical Perspectives on Literature and Culture in the New World Order Washima Che Dan, Jason Sanjeev Ganesan, Noritah Omar, 2012-11-15 The fifteen chapters in this volume explore both new and tested theoretical perspectives on literature and culture at large this multiplicity of discourses is a reflection of the implicit discontent in conforming to the New World Order and a contestation against hierarchical relationships between countries which inform the social cultural and political climates of weaker nations With the political and economic hegemony of stronger nations weaker nations run the risk of being dominated or at the very least having their own national identity and sovereignty steeped in ambivalence in the face of a globalised culture This volume hopes to bring together critical views in relation to the construction of cultural studies in the Western framework the application of literary theory in the readings of vernacular literature contestation of the mainstream scientific methodology of cultural evaluation the role of English literature in Asian cultures the application of postcolonial theory in literature literary ethics in relation to Islamic literature as well as the Islamic and Western conceptions of democracy More than half of the articles in this collection centre on Islam as a guiding principle or as a context through which critical perspectives are made on literature and culture in today's globalised world order This inadvertent foregrounding of Islam reflects a continuing dialogue on and with Islam and its significant impact on existing academic discourses founded upon Western style scholarship
