Staging Desire Queer Readings Of American Theater History:

Staging Desire Kimberley Bell Marra, Robert A. Schanke, 2023-06-20 *Staging Desire* gathers critical and biographical essays on notable stage personalities who made their mark before 1969 when the Stonewall riots accelerated the lesbian and gay rights movement in the United States How they staged their unconventional sexualities greatly influenced the course of their personal and professional lives and thus the course of American theater history The book builds on an earlier collection the well received *Passing Performances* which focused on actors directors producers and agents by examining playwrights lyricists critics and designers Shaping theatrical representations from offstage these practitioners exploited the special opportunities theater offered as a complex and many layered medium for expression of transgressive desire Essays cover the careers of major figures Clyde Fitch Rachel Crothers Mercedes de Acosta Djuna Barnes Cole Porter Lorenz Hart George Kelly William Inge James Acorn Oaks Adam Vagabond Badeau Eric Bentley Loie Fuller Robert Edmond Jones and Jean Rosenthal Grounded in research into the history of sexuality the book engages central problems of terminology and evidence in analyzing sexual practices of the past and the modes of articulation of sexuality in theater conditioned by American culture s peculiar anxieties about both Kim Marra is Associate Professor of Theatre Arts University of Iowa Robert A Schanke is Professor of Theatre Central College Iowa They edited *Passing Performances Queer Readings of Leading Players in American Theater History* a previous volume in this series

Milestones in Queer US Theatre Dennis Sloan, 2025-07-07 This introduction to queer theatre and performance in the United States explores the pioneering artists that have shaped this ever changing field across the past two centuries through ten key moments and movements Designed for weekly use in queer and LGBTQ theatre courses the ten chosen milestones move chronologically from nineteenth century shifts in the understanding of homosexuality through the queer postmodernist avant garde to the rise of intersectionality and recognition of trans identities This clear dynamic framework uses queer as a flexible and intersectional term addressing sexualities and sexual identities the people and groups who claim them and the practices that challenge heteronormative structures Milestones are a range of accessible textbooks breaking down the need to know moments in the social cultural political and artistic development of foundational subject areas

A Queer History of the Ballet Peter Stoneley, 2006-10-19 This is the first book length study to trace the historical connections between ballet and homosexuality

The Gay & Lesbian Theatrical Legacy Billy J. Harbin, Kim Marra, Robert A. Schanke, 2005 Recovers the hidden history of theater professionals who transgressed the gendered expectations of their time

That Furious Lesbian Robert A Schanke, 2016-09-06 In this first book length biography of Mercedes de Acosta theatre historian Robert A Schanke adroitly mines lost archival materials and mixes in his own interviews with de Acosta s intimates to correct established myths and at last construct an accurate detailed and vibrant portrait of the flamboyantly uninhibited early twentieth century author poet and playwright Born to wealthy Spanish immigrants Mercedes de Acosta 1893 1968 lived in opulence and traveled in the same social circles as the Astors

and Vanderbilts Introduced to the New York theater scene at an early age her dual loves of performance and of women informed every aspect of her life thereafter Alice B Toklas s observation Say what you will about Mercedes she s had the most important women in the twentieth century was well justified as her romantic conquests included such internationally renowned beauties as Greta Garbo Marlene Dietrich Isadora Duncan and Eva Le Gallienne as well as Alla Nazimova Tamara Karsavina Pola Negri and Ona Munson More than a record of her personal life and infamous romances this account offers the first analysis of the complete oeuvre of de Acosta s literary works including three volumes of poetry two novels two film scripts and a dozen plays Although only two of her plays were ever published during her lifetime four of them were produced featuring such stage luminaries as John Gielgud Ralph Richardson and Eva Le Gallienne Critics praised her first volume of poetry Moods in 1919 and predicted her rise to literary fame but the love of other women that fueled her writing also limited her opportunities to fulfill this destiny Failing to achieve any lasting fame she died in relative poverty at the age of seventy five De Acosta lived her desires publicly with verve and vigor at a time when few others would dare and for that she paid the price of marginalized obscurity Until now With That Furious Lesbian Schanke at last establishes Mercedes de Acosta s rightful place as a pioneer and indeed a champion in the early struggle for lesbian rights in this country Robert A Schanke has edited a companion to this biography Women in Turmoil Six Plays by Mercedes de Acosta also available from Southern Illinois University Press

[The Encyclopedia of Romantic Literature, 3 Volume Set](#) Frederick Burwick,Nancy Moore Goslee,Diane Long Hoeveler,2012-01-30 The Encyclopedia of Romantic Literature is an authoritative three volume reference work that covers British artistic literary and intellectual movements between 1780 and 1830 within the context of European transatlantic and colonial historical and cultural interaction Comprises over 275 entries ranging from 1 000 to 6 500 words arranged in A Z format across three fully cross referenced volumes Written by an international cast of leading and emerging scholars Entries explore genre development in prose poetry and drama of the Romantic period key authors and their works and key themes Also available online as part of the Wiley Blackwell Encyclopedia of Literature providing 24 7 access and powerful searching browsing and cross referencing capabilities

[American Scenic Design and](#)

Freelance Professionalism David Bisaha, 2022-11-29 An inclusive history of the professionalization of American scenic design The figure of the American theatrical scenic designer first emerged in the early twentieth century As productions moved away from standardized painted scenery and toward individualized scenic design the demand for talented new designers grew Within decades scenic designers reinvented themselves as professional artists They ran their own studios proudly displayed their names on Broadway playbills and even appeared in magazine and television profiles American Scenic Design and Freelance Professionalism tells the history of the field through the figures institutions and movements that helped create and shape the profession Taking a unique sociological approach theatre scholar David Bisaha examines the work that designers performed outside of theatrical productions He shows how figures such as Lee Simonson Norman Bel Geddes Jo Mielziner and Donald Oenslager constructed a freelance professional identity for scenic designers by working within their labor union United Scenic Artists Local 829 generating self promotional press building university curricula and volunteering in wartime service However while new institutions provided autonomy and intellectual property rights for many women queer and Black designers were not always welcome to join the organizations that protected freelance designers interests Among others Aline Bernstein Emeline Roche Perry Watkins Peggy Clark and James Reynolds were excluded from professional groups because of their identities They nonetheless established themselves among the most successful designers of their time Their stories expand the history of American scenic design by showing how professionalism won designers substantial benefits yet also created legacies of exclusion with which American theatre is still reckoning A Problem Like Maria Stacy Ellen Wolf, 2002 The Broadway tomboys rebel nuns and funny girls who upset the 1950s gender norms Mary Martin Ethel Merman Julie Andrews and Barbra Streisand Performing Queer Modernism Penny Farfan, 2017-07-12 Focusing on well known plays and performances of the late nineteenth and early twentieth centuries Performing Queer Modernism demonstrates that queer performance was integral to modernism that queer modernist performance played a key role in the historical emergence of modern sexual identities and that it anticipated the insights of contemporary queer modernist studies Broadway and Corporate Capitalism M. Schwartz, 2009-07-20 Through an examination of plays actors reviews and audience response of the period this study traces the development of Broadway as a source of mature American drama and the simultaneous development of Professional Managerial Class consciousness and habitus Dictionary of Midwestern Literature, Volume Two Philip A. Greasley, 2016-08-08 The Midwest has produced a robust literary heritage Its authors have won half of the nation s Nobel Prizes for Literature plus a significant number of Pulitzer Prizes This volume explores the rich racial ethnic and cultural diversity of the region It also contains entries on 35 pivotal Midwestern literary works literary genres literary cultural historical and social movements state and city literatures literary journals and magazines as well as entries on science fiction film comic strips graphic novels and environmental writing Prepared by a team of scholars this second volume of the Dictionary of Midwestern Literature is a comprehensive resource that

demonstrates the Midwest's continuing cultural vitality and the stature and distinctiveness of its literature **Ghost Light**

Michael Mark Chemers, 2010-03-16 *Ghost Light: An Introductory Handbook for Dramaturgy* offers useful and entertaining answers to the confounding questions: What exactly is dramaturgy and what does a dramaturg do? According to Michael Mark Chemers, dramaturgs are the scientists of the theater world; their primary responsibility is to query the creative possibilities in every step of the production process, from play selection to costume design, and then research the various options and find ways to transform that knowledge into useful ideas. To say that dramaturgs are well rounded is an understatement: those who choose this profession must possess an acute aesthetic sensibility in combination with an extensive knowledge of theater history and practice, world history and critical theory, and they must be able to collaborate with every member of the creative team and theater administration. *Ghost Light* is divided into three sections. Part 1, Philosophy, describes what dramaturgs do and presents a detailed history of dramaturgy and summarizes many of the critical theories needed to analyze and understand dramatic texts. Analysis teaches the two essential skills of a dramaturg: reading and writing. It includes a 12-step program for script analysis along with suggestions about how to approach various genres and play structures. Practice, the third part, delves into the relationships that dramaturgs forge and offers useful advice about collaborating with other artists. It also includes ideas for audience outreach initiatives such as marketing and publicity plans, educational programs, talkbacks, blogs, and program notes and lobby displays, all of which are often the responsibility of the dramaturg. *Ghost Light* was written with undergraduate students in mind and is perfectly suited for the classroom; each chapter concludes with a series of practical exercises that can be used as course assignments. However, dramaturgy is a skill that is essential to all theater practitioners, not just professional or aspiring dramaturgs, making *Ghost Light* a valuable addition to all theater libraries. **Broadway Nation**

David Armstrong, 2025-08-21 *A groundbreaking exploration that reveals the powerful impact of marginalized groups on the evolution of the Broadway Musical.* At the turn of the 20th century, immigrants, Jews, Queers, and African Americans faced exclusion from mainstream American society with limited employment opportunities. They found their calling in the emerging field of Show Business, particularly the burgeoning Broadway Musical. Their pioneering spirit not only seized this opportunity but also continued to shape and dominate the Broadway Musical for over a century, creating an art form that has deeply influenced American culture. Throughout its history, the Broadway Musical has subtly and at times boldly championed human rights and liberal values, reflecting its creators' and performers' diverse backgrounds. Unlike previous works on musical theatre history, this book weaves these diverse threads into a comprehensive narrative, repositioning Black, Queer, and Women artists at the heart of the story, acknowledging their long-standing contributions often overlooked. *Broadway Nation* is a valuable resource for both students and anyone seeking a deeper understanding of this beloved American art form. Readers will gain profound insights into the history and transformation of the Broadway Musical over a span of more than a century. Additionally, the book celebrates the remarkable artistry and craftsmanship of key figures from George M. Cohan to Lin

Manuel Miranda who have left an indelible mark on this extraordinary cultural phenomenon *A Cole Porter Companion*
Don M. Randel, Matthew Shaftel, Susan Forscher Weiss, 2016-06-15 Balancing sophisticated melodies and irresistible rhythms with lyrics by turns cynical and passionate Cole Porter sent American song soaring on gossamer wings Timeless works like I Get a Kick Out of You and At Long Last Love made him an essential figure in the soundtrack of a century and earned him adoration from generations of music lovers In *A Cole Porter Companion* a parade of performers and scholars offers essays on little known aspects of the master tunesmith's life and art Here are Porter's days as a Yale wunderkind and his nights as the exemplar of louche living the triumph of Kiss Me Kate and shocking failure of *You Never Know* and his spinning rhythmic genius and a turkey dinner into *You're the Top* while cultural and economic forces take *Ev'ry Time We Say Goodbye* in unforeseen directions Other entries explore notes on ongoing Porter scholarship and delve into his formative works performing career and long overlooked contributions to media as varied as film and ballet Prepared with the cooperation of the Porter archives *A Cole Porter Companion* is an invaluable guide for the fans and scholars of this beloved American genius
The SAGE Handbook of Performance Studies D. Soyini Madison, Judith Hamera, 2006 Publisher description

Staging Desire Queer Readings Of American Theater History Introduction

In the digital age, access to information has become easier than ever before. The ability to download Staging Desire Queer Readings Of American Theater History has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Staging Desire Queer Readings Of American Theater History has opened up a world of possibilities. Downloading Staging Desire Queer Readings Of American Theater History provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Staging Desire Queer Readings Of American Theater History has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Staging Desire Queer Readings Of American Theater History. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Staging Desire Queer Readings Of American Theater History. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites

that prioritize the legal distribution of content. When downloading Staging Desire Queer Readings Of American Theater History, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Staging Desire Queer Readings Of American Theater History has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Staging Desire Queer Readings Of American Theater History Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Staging Desire Queer Readings Of American Theater History is one of the best book in our library for free trial. We provide copy of Staging Desire Queer Readings Of American Theater History in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Staging Desire Queer Readings Of American Theater History. Where to download Staging Desire Queer Readings Of American Theater History online for free? Are you looking for Staging Desire Queer Readings Of American Theater History PDF? This is definitely going to save you time and cash in something you should think about.
