Thompson,2018-12-22 God presents Himself in the Bible as being open and interested in hearing whatever concerns His children James 5 13 1 Pet 5 7 He wants to hear whatever interests us even the smallest most insignificant details of our lives Consequently we should feel free to unburden our hearts and tell God anything and everything He is after all the friend who sticks closer than a brother Why do we not feel at liberty to converse with Him just as casually and comfortably as we would with our most intimate acquaintance To address this important phenomenon of talking to God I felt the leading of the Lord to confront the matter of getting answers to our prayers Unless you are a Pharisee standing in the marketplace no one prays just to hear himself praying or to receive glory from man No one prays not to receive a response No one asks not expecting to receive Rather prayers are prayed to be acknowledged and answered Especially prayers without ceasing are made for responses acknowledgment and answers without ceasing Time and maturity have taught me that to pray without ceasing basically refers to recurring prayer not nonstop talking Thus it is to be our way of life as we should be continually in an attitude of prayer *EE Systems Engineering Today* ,1961 **“A” New English Dictionary on Historical Principles**
