Stalin And His Times:

Stalin and His Times Arthur E. Adams, 1972-01-01 *Stalin* Irish Association for Russian and East European Studies, Irish Association for Russian and East European Studies. Conference, University College, Cork. Faculty of Arts, 2005

Stalin's Wars Geoffrey Roberts, 2006-01-01 This breakthrough book provides a detailed reconstruction of Stalin's leadership from the outbreak of the Second World War in 1939 to his death in 1953. Making use of a wealth of new material from Russian archives, Geoffrey Roberts challenges a long list of standard perceptions of Stalin: his qualities as a leader, his relationships with his own generals and with other great world leaders, his foreign policy and his role in instigating the Cold War. While frankly exploring the full extent of Stalin's brutalities and their impact on the Soviet people, Roberts also uncovers evidence leading to the stunning conclusion that Stalin was both the greatest military leader of the twentieth century and a remarkable politician who sought to avoid the Cold War and establish a long-term detente with the capitalist world. By means of an integrated military, political and diplomatic narrative, the author draws a sustained and compelling personal portrait of the Soviet leader. The resulting picture is fascinating and contradictory, and it will inevitably change the way we understand Stalin and his place in history. Roberts depicts a despot who helped save the world for democracy, a personal charmer who disciplined mercilessly, a utopian ideologue who could be a practical realist and a warlord who undertook the role of architect of post-war peace.

Stalin's Great Science: The Times And Adventures Of Soviet Physicists Alexei B

Kojevnikov, 2004-08-23 World-class science and technology developed in the Soviet Union during Stalin's dictatorial rule under conditions of political violence, lack of international contacts and severe restrictions on the freedom of information. Stalin's Great Science: The Times and Adventures of Soviet Physicists is an invaluable book that investigates this paradoxical success by following the lives and work of Soviet scientists, including Nobel Prize-winning physicists Kapitza, Landau and others throughout the turmoil of wars, revolutions and repression that characterized the first half of Russia's twentieth century. The book examines how scientists operated within the Soviet political order, communicated with Stalinist politicians, built a new system of research institutions and conducted groundbreaking research under extraordinary circumstances. Some of their novel scientific ideas and theories reflected the influence of Soviet ideology and worldview and have since become accepted universally as fundamental concepts of contemporary science. In the process of making sense of the achievements of Soviet science, the book dismantles standard assumptions about the interaction between science, politics and ideology, as well as many dominant stereotypes mostly inherited from the Cold War about Soviet history in general. Science and technology were not only granted unprecedented importance in Soviet society but they also exerted a crucial formative influence on the Soviet political system itself. Unlike most previous studies, Stalin's Great Science recognizes the status of science as an essential element of the Soviet polity and explores the nature of a special relationship between experts, scientists and engineers and communist politicians that enabled the initial rise of the Soviet state and its mature accomplishments until the

pact eroded in later years undermining the communist regime from within

Stalin's Apologist: Walter Duranty: The New York Times's Man in Moscow S.J. Taylor, 1990-03-29 Short unattractive hobbling about Stalin's Moscow on a wooden leg Walter Duranty was an unlikely candidate for the world's most famous foreign correspondent Yet for almost twenty years his articles filled the front page of The New York Times with gripping coverage of the aftermath of the Russian Revolution A witty engaging impish character with a flamboyant life style he was a Pulitzer Prize winner the individual most credited with helping to win U S recognition for the Soviet regime and the reporter who had predicted the success of the Bolshevik state when all others claimed it was doomed But as S J Taylor reveals in this provocative biography Walter Duranty played a key role in perpetrating some of the greatest lies history has ever known Stalin's Apologist deftly unfolds the story of this accomplished but sordid and tragic life Drawing on sources ranging from newspapers to private letters and journals to interviews with such figures as William Shirer and W Averell Harriman Taylor's vivid narrative unveils a figure driven by ambition whose early success reporting on Bolshevik Russia he was foremost in predicting Stalin's rise to power established his international reputation fed his overconfident contempt for his colleagues and indeed led him to identify with the Soviet dictator Thus during the great Ukrainian famine of the early 1930s which Stalin engineered to crush millions of peasants who resisted his policies Duranty dismissed other correspondents reports of mass starvation and though secretly aware of the full scale of the horror effectively reinforced the official cover up of one of history's greatest man made disasters Later he took the rigged show trials of Stalin's Great Purges at face value blithely accepting the guilt of the victims He believed himself the leading expert on the Soviet Union and his faith in his own insight drew him into a downward spiral of distortions and untruths typified by his memorable excuse for Stalin's crimes You can't make an omelet without breaking eggs Taylor brilliantly captures the full range of Duranty's astonishing life from his participation in the Satanic orgies of Aleister the Beast Crowley to his dramatic front line reporting during World War I to his epic womanizing and heavy drug and alcohol abuse It is the bitter ironic story of a man who had the rare opportunity to bring to light the suffering of the millions of Stalin's victims but remained a prisoner of vanity self indulgence and success

The Times, Life and Moral Dilemma of Beria Andrew Sangster, 2019-02-28 There are some figures in modern history who stand out not just for their amoral conduct but their cruelty This book explores the life of the notorious Beria Stalin's henchman The first part provides an outline of the turbulent history of Russia from 1900 to 1953 in order to set the background from which Beria emerged The second section presents a biography of Beria from his youth his early education and his obsequious behaviour towards Stalin to his rise to be the head of the NKVD KGB and later to be amongst the most senior leaders of the Communist structure in the USSR He was responsible for the deaths of millions and for organising the Katy massacre infamous for murdering colleagues and a sexual predator and became the most feared man in the USSR next to Stalin The third and fourth parts move away from history and biography to moral philosophy in order to understand from where such evil conduct arises The question of free will is

explored in the light of human insight and these sections also discuss the most recent scientific claims concerning human behaviour as well as the factors which influence people in decision making *Marx His Times and Ours* Rudolf Schlesinger, 1998 First Published in 1998 Routledge is an imprint of Taylor Francis an informa company *A Scion of the Times* Leon Schwartz, 2010-09 **Stalin's General** Geoffrey Roberts, 2012-08-02 Marshal Georgy Zhukov is one of military history's legendary names He played a decisive role in the battles of Moscow Stalingrad and Kursk that brought down the Nazi regime He was the first of the Allied generals to enter Berlin and it was he who took the German surrender He led the huge victory parade in Red Square riding a white horse and in doing so dangerously provoking Stalin's envy His post war career was equally eventful Zhukov found himself sacked and banished twice and wrongfully accused of disloyalty However he remains one of the most decorated officers in the history of both Russia and the Soviet Union Since his death in 1974 Zhukov has increasingly been seen as the indispensable military leader of the Second World War surpassing Eisenhower Patton Montgomery and MacArthur in his military brilliance and ferocity Making use of hundreds of documents from Russian military archives as well as unpublished versions of Zhukov's memoirs Geoffrey Roberts fashions a remarkably intimate portrait of a man whose personality was as fascinating as it was contradictory Tough decisive strong willed and brutal as a soldier in his private life he was charming and gentle Zhukov's relations with Stalin's other generals were often prickly and fraught with rivalry but he was the only one among them to stand up to the Soviet dictator Piercing the hyperbole of the Zhukov personality cult Roberts debunks many of the myths that have sprung up around Zhukov's life to deliver fresh insights into the marshal's relations with Stalin Khrushchev and Eisenhower A highly regarded historian of Soviet Russia Roberts has fashioned the definitive biography of this seminal 20th century figure [The New York Times Current History](#), 1925 **The Times of My Life and My Life with The Times** Max Frankel, 2016-04-20 Since 1949 when Pulitzer Prize winning journalist Max Frankel began to write for The New York Times readers have looked to his work as a lens through which they could witness America's role in a rapidly changing world In this vivid and unforgettable memoir Frankel chronicles the times of his extraordinary life as he experienced them within the context of the news stories that defined an era A quintessentially American story The Times of My Life traces Frankel's riveting personal relationship with history his harrowing escape from Nazi Germany his life as an immigrant on the streets of New York and his extraordinary half century long career at The Times In a rich first person account that moves from Hitler's Berlin to Cold War Moscow from Castro's Havana to the newsroom of America's most influential newspaper this powerful compelling work interweaves Frankel's personal and professional lives with the era's greatest stories from Sputnik to the Pentagon Papers to the collapse of the Berlin Wall And it reveals Frankel's fascinating off the record encounters with Nikita Khrushchev Henry Kissinger John Kennedy Richard Nixon and a host of other history makers who shaped their times and ours Guiding readers through Hitler's Berlin Khrushchev's Moscow Castro's Havana and the Washington of Kennedy Johnson and Nixon THE TIMES OF MY LIFE

reevaluates the Cold War and interweaves Frankel's personal and professional life with the greatest stories of the era NOTE This edition does not include photographs E.H.Carr: A Critical Appraisal M. Cox, 2016-04-30 E H Carr 1892 1982 was born into security but lived a life of controversy Attacked for appeasing both Hitler and Stalin he was not only one of the most productive writers of the Twentieth century but one of its most provocative as well In this book the first ever to deal critically but fairly with Carr's contribution to international relations Soviet Studies and the study of history sixteen internationally respected authors grapple with his complex intellectual legacy For those seriously interested in understanding the life and times of this most English of establishment radicals this is the place to begin The Secret File of Joseph Stalin Roman Brackman, 2004-11-23 This account of Stalin's life begins with his early years the family breakup caused by the suspicion that the boy was the result of an adulterous affair the abuse by his father and the growth of the traumatized boy into criminal spy and finally one of the 20th century's political monsters **Baldwin of the Times** Robert Davies, 2011-10-15 Hanson W Baldwin was America's best known military writer and analyst in the 20th century covering conflicts from World War II to the Vietnam War He was the military editor of the New York Times for forty years and his dispatches from Guadalcanal and the Western Pacific won him a Pulitzer Prize in 1943 This first biography of this Naval Academy graduate begins with an appreciation of the human and literary values learned from his Baltimore newspaper family His midshipman years 1920 1924 taught him the value of concentration After three years of active service he chose the life of a professional writer A few days before the 1929 stock market crash he joined the New York Times as a reporter His career was advanced by the patronage of the Times publisher and by the talk of another European war in 1937 He won a Pulitzer Prize in 1943 for his Guadalcanal series After 1945 he thought the atomic bomb to be of limited use on the battlefield as well as in the politics of the Cold War His news scoops upset many but were in keeping with his determination to tell his readers what its government was doing His continuing criticism of Secretary McNamara's management of the Vietnam War and the Times management's annoyance with his pro war position contributed to his decision to retire in March 1968 Later he could only observe and to complain over the decline of American values and its harmful effects on the military After his retirement he continued to write articles on military affairs for the news columns and Op Ed page of the New York Times *Robert Kennedy and His Times* Arthur M. Schlesinger, 2012-07-18 The Pulitzer Prize winning historian chronicles the short life of the Kennedy family's second presidential hopeful Schlesinger's account vividly recalls the forces that shaped Robert Kennedy from his position as the third son of a powerful Irish Catholic political clan to his concern for issues of social justice in the turbulent 1960s Robert Kennedy and His Times is a picture of a deeply compassionate man hiding his vulnerability drawn to the underdogs and the unfortunates in society by his life experiences and sufferings Los Angeles Times This fortieth anniversary edition contains not only Schlesinger's illuminating and inspiring portrait of Robert Kennedy but a new introduction by Michael Beschloss in which the acclaimed bestselling author and historian discusses the book's initial

reception Schlesinger's thoughts on it and expounds on why Robert Kennedy is still such an important figure today

Exceptionally important one of a handful of books that anyone who cares for the politics of the 60s must read *Newsweek* An absorbing and vividly written study of a gallant and tragic man *The Boston Globe* A story that leaves the reader aching for what cannot be recaptured *Miami Herald* An inspiring account of what it was like to be at Robert Kennedy's side and why he and many like him felt that vision and virtue walked with them *Business Week*

Charlie Chaplin and His Times Kenneth Schuyler Lynn, 1997 With the psychologically penetrating insight that marked his award winning *Hemingway* Lynn probes beneath the mystique of the Little Tramp the first true worldwide celebrity whose unmatched comic genius masked a complex sometimes tragic life of photos

Stalin Adam B. Ulam, 1989 Perestroika and glasnost have unleashed unprecedented criticism of Joseph Stalin in the Soviet Union and the terrible legacy of his regime has been acknowledged by Mikhail Gorbachev

The New York Times Index, 1928

Robert Kennedy and His Times Arthur Meier Schlesinger (Jr.), 1978 A biography of the Senator who was assassinated in 1968 stressing the public and personal forces and events that shaped his life

Joseph Stalin David R. Egan, Melinda A. Egan, 2007-07-25 With the opening of Russian and communist bloc archives dating from the Soviet era there has been a significant increase of scholarly writings pertaining to Joseph Stalin

Widely considered to be among the most influential historical figures of the twentieth century Stalin continues to be a source of intense study In the absence of a comprehensive compilation of periodical literature the need for *Joseph Stalin An Annotated Bibliography of English Language Periodical Literature to 2005* is conspicuous Ranging from editorials and news reports to academic articles the more than 1 700 sources cited collectively cover the full range of his life the various aspects of his leadership and virtually all facets of the system and practices traditionally associated with his name The coverage in this bibliography extends beyond the person of Stalin to include the subjects of Stalinism the Stalinist system the Stalin phenomenon and those policies and practices of the Communist Party and Soviet state associated with him This volume also provides a record of scholarly opinion on Stalin and sheds light on the evolution and current state of Stalinology An effort has been made to list only those articles in which Stalin figures prominently but in some instances articles have been included which do not center on Stalin but are worthy of listing for other reasons The book is divided into fourteen main sections General Studies and Overviews Biographical Information and Psychological Assessments The Revolutionary Movement October Revolution and Civil War Rise to Power Politics Economics Society and Social Policy Nationalism and Nationality Policy Culture Religion Philosophy and Theory Foreign Relations and International Communism Military Affairs and De Stalinization Including a subject index of several hundred headings and even greater number of subheadings this comprehensive annotated bibliography should be of benefit to those individuals who for the purpose of research or classroom

Stalin And His Times Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Stalin And His Times free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Stalin And His Times free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Stalin And His Times free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Stalin And His Times. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or

magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Stalin And His Times any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Stalin And His Times Books

1. Where can I buy Stalin And His Times books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Stalin And His Times book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
4. How do I take care of Stalin And His Times books? Storage: Keep them away from direct sunlight and in a dry environment. Handling: Avoid folding pages, use bookmarks, and handle them with clean hands. Cleaning: Gently dust the covers and pages occasionally.
5. Can I borrow books without buying them? Public Libraries: Local libraries offer a wide range of books for borrowing. Book Swaps: Community book exchanges or online platforms where people exchange books.
6. How can I track my reading progress or manage my book collection? Book Tracking Apps: Goodreads, LibraryThing, and Book Catalogue are popular apps for tracking your reading progress and managing book collections. Spreadsheets: You can create your own spreadsheet to track books read, ratings, and other details.
7. What are Stalin And His Times audiobooks, and where can I find them? Audiobooks: Audio recordings of books, perfect for listening while commuting or multitasking. Platforms: Audible, LibriVox, and Google Play Books offer a wide selection of audiobooks.
8. How do I support authors or the book industry? Buy Books: Purchase books from authors or independent bookstores. Reviews: Leave reviews on platforms like Goodreads or Amazon. Promotion: Share your favorite books on social media

or recommend them to friends.

9. Are there book clubs or reading communities I can join? Local Clubs: Check for local book clubs in libraries or community centers. Online Communities: Platforms like Goodreads have virtual book clubs and discussion groups.
10. Can I read Stalin And His Times books for free? Public Domain Books: Many classic books are available for free as they're in the public domain. Free E-books: Some websites offer free e-books legally, like Project Gutenberg or Open Library.
