The personality cult of Stalin in Soviet posters, 1929-1953 Anita Pisch, 2016-12-16 From 1929 until 1953 Iosif Stalin's image became a central symbol in Soviet propaganda Touched up images of an omniscient Stalin appeared everywhere emblazoned across buildings and lining the streets carried in parades and woven into carpets and saturating the media of socialist realist painting statuary monumental architecture friezes banners and posters From the beginning of the Soviet regime posters were seen as a vitally important medium for communicating with the population of the vast territories of the USSR Stalin's image became a symbol of Bolshevik values and the personification of a revolutionary new type of society The persona created for Stalin in propaganda posters reflects how the state saw itself or at the very least how it wished to appear in the eyes of the people The Stalin who was celebrated in posters bore but scant resemblance to the man Iosif Vissarionovich Dzhugashvili whose humble origins criminal past penchant for violent solutions and unprepossessing appearance made him an unlikely recipient of uncritical charismatic adulation The Bolsheviks needed a wise nurturing and authoritative figure to embody their revolutionary vision and to legitimate their hold on power This leader would come to embody the sacred and archetypal qualities of the wise Teacher the Father of the nation the great Warrior and military strategist and the Saviour of first the Russian land and then the whole world This book is the first dedicated study on the marketing of Stalin in Soviet propaganda posters Drawing on the archives of libraries and museums throughout Russia hundreds of previously unpublished posters are examined with more than 130 reproduced in full colour The personality cult of Stalin in Soviet posters 1929-1953 is a unique and valuable contribution to the discourse in Stalinist studies across a number of disciplines

*Stalin's Successors* Seweryn Bialer, 2001 This book provides a comprehensive overview of the ways in which the structure and process of Soviet politics have been transformed since Stalin's death and particularly during the years of the Brezhnev regime In explaining the Soviet Union's political stability the author analyzes the Soviet combination of harsh authoritarian rule with political flexibility in the treatment of its citizens and he describes the social processes that contribute to this stability He also analyzes the Soviet perception of the current international situation and discusses trends in Soviet foreign policy including the imbalance between military power on the one hand and political economic ideological and cultural resources on the other Professor Bialer explains the Soviet concept of détente and explores the difference between Soviet and American perceptions of this process A major part of the work is devoted to an examination of the imminent succession of the Soviet leadership The book gives a profile of the new generation of potential leaders and

identifies the characteristics that make them different from those whom they will replace The Soviet leadership while embroiled in its succession struggle will have to make difficult decisions concerning the allocation of national resources and overall changes in management planning and incentives Professor Bialer concludes by analyzing the kinds of economic reform that could make the problems manageable and the conditions under which the new Soviet leadership will need to institute reforms

**Contrasting US and German Attitudes to Soviet Trade, 1917-91** Helene Seppain,1992-06-18 Analyzes the differences in the approach to Soviet trade between the US and Germany since 1917 It provides an historical perspective to the use of Western economic power as an instrument with which to change Soviet policy The book relates economic policy to political strategy
