Davis, Arthur J. Lurigio, Susan Herman, 2013 This edition includes newly contributed and updated articles utilizing the latest research and studies in the areas of violence abuse and victims rights from experts in the field It has a stronger focus on emerging issues and policies in the field of victimology than other comparable texts It utilizes the latest research and studies in the areas of violence abuse and victims rights It focuses on the emerging issues and policies in the fields of victim rights and crime prevention New 3 Part organization with the more common victimizing crimes first followed by responses to victimizations and then newer issues and types of victimizations in Part 3 There is a new chapters on human trafficking and cyber crime

There is a major expansion of the human services response and school victimizations It is updated throughout with new data and research     Within the Confines Jennifer M. Kilty ,2014 Western feminists have long treated the rule of law as an essential ingredient of social justice however as the contributors to this collection remind us meaningful justice remains out of reach for many women and racialized minorities precisely because the law turns a blind eye to the inequities that structure their daily lives In fourteen chapters that open vital debates about the erosion of the welfare state and the media s complicity in concealing political injustice Within the Confines details the brutal ironies of a society that criminalizes the vulnerable while absolving the elite Distinctive in its focus on Canada the book traces the linkages among racial ethnic sexual and economic vulnerability and reveals the inadequacies of legislative approaches to socio historical problems such as drug trafficking homelessness infanticide and the legacies of settler colonial violence In accessible prose the authors dismantle the myths behind topics that are often sensationalized in the media pornography single motherhood sex work filicide gangs domestic abuse prison conditions HIV nondisclosure and present alternative arguments that expose the justice system s role in widening the gap between the rich and the poor What emerges is a poignant challenge to the neoliberal fable that women and minorities in Western democracies now enjoy full equality and an urgent call to action for those who seek to shift institutional norms in more equitable directions A valuable resource for a wide range of fields including criminology sociology social anthropology gender studies political science social work and legal history this multidisciplinary volume offers a fresh perspective on the disturbingly predictable judgments that criminalized women face in Canada
