Stan Laurel:

The Comedy World of Stan Laurel John McCabe,1990 **Stan** Fred Lawrence Guiles,2020-04-28 The first full length biography of the legendary comic who was the creative half of the universally loved duo Laurel and Hardy Guiles recounts the innovative work that allowed Laurel to receive a Lifetime Achievement Academy Award for his groundbreaking work in comedy **The Making of Stan Laurel** Danny Lawrence,2014-01-10 As an adult Stan Laurel 1890 1965 lived in the United States As a boy he lived in north east England the son of a prominent local theatrical figure This ground breaking biography examines Laurel s family background his formative years and his struggle to establish a show business career Stan retained the emotional bonds forged in his youth throughout his life and visited his boyhood homes during his UK tours with Oliver Hardy Describing Stan Laurel s key roles in making his films with his partner Oliver Hardy so successful internationally the book analyzes how Stan s boyhood experiences are often echoed in those films It also notes his influence on successive generations of comic actors who to this day still pay fulsome tribute to him Included is a selection of photographs relevant to Laurel s boyhood some related to themes in the Laurel and Hardy comedies **Stan Without Ollie** Ted Okuda,James L. Neibaur,2012-08-07 Long before his momentous teaming with Oliver Hardy comedian Stan Laurel 1890 1965 was a motion picture star in his own right From his film debut in Nuts in May 1917 through his final solo starring effort Should Tall Men Marry 1928 Laurel headlined dozens of short comedies for a variety of producers and production companies often playing characters far removed from the meek dimwitted Stanley persona that we know and love This is a film by film look at the pictures Stan made as a solo artist as well as those he wrote and directed for other stars shows his development as a movie comedian and filmmaker Comedy legend Jerry Lewis a longtime friend and admirer of Stan Laurel provides an affectionate and eloquent foreword Included are several rare photographs and production stills Stan Fred Lawrence Guiles,1980

Stan and Ollie Simon Louvish,2005-07-01 Stan Laurel and Oliver Hardy have remained from 1927 to the present day the screen s most famous and popular comedy double act celebrated by legions of fans But despite many books about their films and individual lives there has never been a fully researched definitive narrative biography of the duo from birth to death Louvish traces the early lives of Stanley Jefferson and Norvell Hardy and the surrounding minstrel and variety theatre which influenced all of their later work Louvish examines the rarely seen solo films of both our heroes prior to their serendipitous pairing in 1927 in the long lost short Duck Soup The inspired casting teamed them until their last days Both often married they found balancing their personal and professional lives a nearly impossible feat Between 1927 and 1938 they were able to successfully bridge the gap between silent and sound films which tripped up most of their prominent colleagues Their Hal Roach and MGM films were brilliant but their move in 1941 to Twentieth Century Fox proved disastrous with the nine films made there ranking as some of the most embarrassing moments of cinematic history In spite of this Laurel and Hardy survived as exemplars of lasting genius and their influence is seen to this day The clowns were elusive behind their masks

but now Simon Louvish can finally reveal their full and complex humanity and their passionate devotion to their art In Stan and Ollie The Roots of Comedy The Double Life of Laurel and Hardy Louvish has seamlessly woven tireless and thorough research into an authoritative biography of these two important and influential Hollywood pioneers Focus On: 100 Most Popular Vaudeville Performers Wikipedia contributors, Motion Picture Series and Sequels Bernard A. Drew, 2013-12-04 In 1989 alone for example there were some forty five major motion pictures which were sequels or part of a series The film series phenomenon crosses all genres and has been around since the silent film era This reference guide in alphabetical order lists some 906 English Language motion pictures from 1899 to 1990 when the book was initially published A brief plot description is given for each series entry followed by the individual film titles with corresponding years directors and performers Animated pictures documentaries and concert films are not included but movies released direct to video are

Focus On: 100 Most Popular English Male Comedians Wikipedia contributors, A History of the Hal Roach Studios Richard Lewis Ward, 2006-08-15 Once labeled the lot that laughter built the Hal Roach Studios launched the comedic careers of such screen icons as Harold Lloyd Our Gang and Laurel and Hardy With this stable of stars the Roach enterprise operated for forty six years on the fringes of the Hollywood studio system during a golden age of cinema and gained notoriety as a producer of short comedies independent features and weekly television series Many of its productions are better remembered today than those by its larger contemporaries In A History of the Hal Roach Studios Richard Lewis Ward meticulously follows the timeline of the company s existence from its humble inception in 1914 to its close in 1960 and through both its obscure and famous productions traces its resilience to larger trends in the entertainment business In the first few decades of the twentieth century the motion picture industry was controlled by an elite handful of powerful firms that allowed very little room for new competition outside of their established cartel The few independents that garnered some measure of success despite their outsider status usually did so by specializing in underserved or ignored niche markets Here Ward chronicles how the Roach Studios at the mercy of exclusive distribution practices managed to repeatedly redefine itself in order to survive for nearly a half century in a cutthroat environment Hal Roach s tactic was to nurture talent rather than exhaust it and his star players spent the prime of their careers shooting productions on his lot Even during periods of decline or misdirection the Roach Studios turned out genuinely original material such as the screwball classic Topper 1937 the brutally frank Of Mice and Men 1940 and the silent experiment One Million B C 1940 Ward s exploration yields insight into the production and marketing strategies of an organization on the periphery of the theatrical film industry and calls attention to the interconnected nature of the studio system during the classic era The volume also looks to the early days of television when the prolific Roach Studios embraced the new medium to become for a time the premier telefilm producer Aided by a comprehensive filmography and twenty seven illustrations A History of the Hal Roach Studios recounts an overlooked chapter in American cinema not only detailing the business operations of Roach s productions but also exposing

the intricate workings of Hollywood's rivalrous moviemaking establishment **In Tribute** Ted Tobias, 1999 Collects eulogies given in memoriam of influential men and women of the twentieth century including John F Kennedy Walt Disney Cesar Chavez and others **Ladies Or Gentlemen** Jean-Louis Ginibre, 2005 From Greek drama through vaudeville and modern cinema nothing in the theatrical experience has ever guaranteed a laugh like a man in a dress This spectacular pictorial history examines the grand tradition of male cross dressing in the movies through more than 700 photos more than half of which are previously unpublished The screen's greatest stars from comedians like Buster Keaton and Peter Sellers to serious actors like Marlon Brando and Max von Sydow are pictured in everything from bustiers to ball gowns Just as in real life the cinematic motives for cross dressing are complex ranging from plot device I Was a Male War Bride and social commentary Tootsie to the simple sight gags of Laurel and Hardy The book explores these and myriad other reasons actors are coaxed out of dress suits and into dresses By turns provocative serious and silly Ladies or Gentlemen is a delightful study of a seldom explored facet of cinema history **Vaudeville old & new** Frank Cullen, Florence Hackman, Donald McNeilly, 2007
