

D I C T I O N A R Y

O F T H E

E N G L I S H L A N G U A G E.

A, The first letter of the European alphabet, has, in the English language, three different sounds, which may be termed the broad, open, and slender.

The broad sound, resembling that of the German *a*, is found in many of our monosyllables, as *all*, *well*, *male*, *fat*, in which *a* is pronounced as *aw* in *cow*, or *aw* in *law*. Many of these words were anciently written with *aw*, as *faul*, *maul*; which happens to be still retained in *faul*. This was probably the ancient sound of the Saxons, for it is almost uniformly preserved in the rustic pronunciation, and the Northern dialects, as *maaw* for *man*, *haawd* for *head*.

A open, not unlike the *a* of the Italians, is found in *father*, *rather*, and more obscurely in *fang*, *fast*, &c.

A slender or close, is the peculiar *a* of the English language, resembling the sound of the French *a* masculine, or discharging *ae* in *pair*, or perhaps a middle sound between them, or between the *a* and *e*; so that the Arabic *a* is said nearly to approach. Of this sound we have examples in the words, *glaw*, *fact*, *right*, and all those that terminate in *ation*; as *relation*, *nation*, *procreation*.

A is short, as, *glaw*, *glaw*; or long, as, *glaw*, *glaw*; it is marked long, generally, by an *e* final, *glaw*, or by an *i* added, as *glaw*. The short *a* is open, the long *a* close.

A, an article *se* before nouns of the singular number; *a* man, *a* tree; denoting the number *one*, as, *a* man is coming, that is, *no more than one*; or an indefinite indication, as, *a* man may come this way, that is, *any man*. This article has no plural signification. Before a word beginning with a vowel, it is written *an*, as, *an* oak, *an* egg, of which *a* is the contraction.

Voc. I.

2. **A**, taken materially, or for itself, is a noun; as, *a* great *a*, *a* little *a*.

3. **A** is placed before a participle, or participial noun; and is considered by Wallis as a contraction of *at*, when it is put before a word denoting some action not yet finished; as, *I am a walking*. It also seems to be anciently contracted from *at*, when placed before local names; as, *Thomas a Becket*. In other cases, it seems to signify *at*, like the French *a*.

at beating Child went. *Psalm.*
They go a begging to a huckster's door. *Dayton.*
May peace this summer by their parking him-taken!

Which we say every year
Find when we come a fishing here. *Warton.*
Now the men tell a rubbing of armour, which a great while had lain dead. *Warton.*
He will keep the spurs a piece with his back.

Another tells a slaying a Potomac Nipe, and justly distinguishes the sound of it to be *an*. *Johnson on Johnson.*

4. **A** has a peculiar signification, denoting the proportion of one thing to another. Thus we say, 'The landlord hath a hundred a year; 'The ship's crew gained a thousand pounds a man.'

The river *low* passes through a wide open country, through all the month through *Barren*; which is a sign of two days, *Barren* one of twenty leagues a day. *Johnson on Johnson.*

5. **A** is used in burlesque poetry, to lengthen out a syllable, without adding to the sense.

For cloven and merrymen to the town,
And even the cranes in China. *Dayton.*

6. **A** is sometimes, in familiar writings, put by a barbarous corruption for *se*; as, *will a come*, for *will he come*.

7. **A**, in composition, seems to have sometimes the power of the French *a* in these phrases, *a down*, *a passage*, &c. and sometimes to be contracted from *at*; as, *apide*, *aplace*, *apier*, *apost*, *apost*, *apost*.

ABA

*It's to be a honey of the day
And with the flow of the world were now evident.*
Shakespeare's Measure.

And now a breeze from that begins to blow,
The flocks fly there west, and down to row;
They hold their yards *away*, and all their sails
Let fall, to cover the wind, and catch the gales.

Dayton's Eyes and Allegory.
A little back with trees a row.
And like its mother, very low. *Page, 100.*

2. **A** is sometimes redundant; as, *awful*, *awful*, *awful*; the same with *right*, *right*, *right*.

3. **A**, in abbreviations, stands for *artium*, or *arts*; as, *A. B.* bachelor of arts, *artium baccalaureus*; *A. M.* master of arts, *artium magister*; or, *anus*; as, *A. D.* *anno domini*.

AB, at the beginning of the names of places, generally shows that they have some relation to an abbey, as *Abingdon*, *Gibson*.

ABACK, *ad*. [from *back*.] Backwards. Obsolete.

But when they came where then they still did
Now.

They drew *aback*, or half with *back* confined.
Spenser's Poet.

ABDUCTOR, *a. f.* [Latin.] One who drives away or steals cattle in herds, or great numbers at once, in distinction from those that steal only a sheep or two. *Skinner.*

ABACUS, *a. f.* [Latin.]

1. A counting-table, anciently used in calculations.

2. [in architecture.] The uppermost member of a column, which serves as a sort of crowning both to the capital and column. *Dill.*

ABACK, *ad*. [of *abapron*, Sax. behind.] From the fore-part of the ship, towards the stern. *Dill.*

ABASCENCE, *a. f.* [from the French *abaisser*, to depress, to bring down.] An act of reverence, a bow. *Johnson* is considered by *Skinner* as a corruption of *abapron*, but is now universally used.

Standard Dictionary Of The English Language 2volume Introduction

In the digital age, access to information has become easier than ever before. The ability to download Standard Dictionary Of The English Language 2volume has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Standard Dictionary Of The English Language 2volume has opened up a world of possibilities. Downloading Standard Dictionary Of The English Language 2volume provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Standard Dictionary Of The English Language 2volume has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Standard Dictionary Of The English Language 2volume. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Standard Dictionary Of The English Language 2volume. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Standard Dictionary Of The English Language 2volume, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Standard Dictionary Of The English Language 2volume has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Standard Dictionary Of The English Language 2vol Books

1. Where can I buy Standard Dictionary Of The English Language 2vol books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
