Anyan gradually painted a picture of her society using events from her own life Over many years of collaboration and deepening friendship a remarkable life history was told one that bridged the periods before and after contact with Western culture When Watson suggested the book to Anyan she was elated She was anxious that everyone know about Tairora Her pride in her upbringing in her culture in her beautiful corner of the world was apparent Individuals experience the shock of cultural transplantation in many ways As Watson writes some of those forced to make the move from one culture to another were consumed by it and some were consigned to straddling the dark void that the cultural disparities created Others like Anyan were able to maintain equilibrium in both cultures Anyan s Story will be of interest to anthropologists and other social scientists It is a valuable study of gender roles women s experience in cross cultural societies and culture shock The Alpha King's Stubborn Mate Omaisabella,2022-02-18 Land Water Or Sky You Will Always Be My Mate Rae Lucifer thought he had won when he told Rae to kill her Millennium Alpha wolf Mate she loves The gods were deceived and they went back home With Rae by his side he raised his fallen mate once again Taloc realized his mistakes when he found out Rae was the daughter of Avonmora who had once saved his life in the past He rectifies his mistakes by joining forces with Tharollin and Michael to fight against Lucifer and his mate who happens to be the main Villain But Lucifer got the upper hand when he uses Rae to make Tharollin do his bidding Aaron is still obsessed with Selena forging a new deal with Lucifer Lydia have to open up to her father King Nile who commanded every Sea Rivers Lake etc to be against Lucifer He came out to stand with the forces of good The unexpected happened when Jorkallun finally returned And so did Sarah and Rosa Tharollin decided it was time to involve the Creator of the Universe War War The path of light is the quest for knowledge Tharollin to Rae
