Slave From Antioch:

Slave From Antioch Samuel W. Lockerman, 2002 If you re a slave survival is the key to everything This was especially true during the Crusades Levi understood this and developed his own rules However he was unprepared for the critical test the confrontation The delicate balance he lived by was threatened The choice was simple drop the rules or face almost certain violent death Surviving that tomorrow he would surely face the murderous revenge of those who now hated envied or had marked him Levi s decision thrust him on a course of random events filled with peril outside his control offering no return Saladin the great Moslem leader and Reynald de Chatillion wily Christian the most despised Prince of the Outremer both ordered events that demanded so much of Levi physically and spiritually As if to defy the laws of inertia Levi had only his wits to get through the tangled paths of reward and punishment greed and justice love and hatred *Anne Rice's Vampire Chronicles An Alphabettery* Becket, Anne Rice, 2018-10-23 An annotated cosmology of Anne Rice s Vampiredom from A kasha to Z enobia all fifteen books of the Vampire Chronicles detailed by a longtime Anne Rice reader and scholar the who what where why and often how of her beloved characters mortal and im brought together in a book for the first time Illustrated by Mark Edward Geyer An Alphabettery of Anne Rice s Vampire Chronicles gathers together from all fifteen of the books in the series the facts details story lines genealogies of her characters vampiric subjects geographical influences and cultural and individual histories all of which Rice painstakingly researched and invented during her 40 year career to date through which she has enchanted and transported us Here are concise detailed biographies of every character no matter how central or minor to the cosmology Revealed are the intricacies and interconnectedness of characters and subjects throughout We see how Akasha Queen of Egypt and the first vampire is connected to Mekare the inheritor of the title of the Queen of the Damned etc and how these characters connect back to the darkest rebel outlaw of them all Lestat de Lioncourt And we see as well the ways in which Rice s vampires have evolved from warring civilizations to isolated covens to a unified race of blood drinkers led by their hero wanderer and sole monarch Prince Lestat For devoted and first time Anne Rice readers alike An Alphabettery of Anne Rice s Vampire Chronicles will be the holy grail of lore and revelation for those who have been and continue to be mesmerized by the worlds within worlds of these beloved tales of the undead **California, a Slave State** Jean Pfaelzer, 2023-01-01 The untold history of slavery and resistance in California from the Spanish missions indentured Native American ranch hands Indian boarding schools Black miners kidnapped Chinese prostitutes and convict laborers to victims of modern trafficking A searing survey of 250 years of human bondage in what is now the state of California Readers will be outraged Publishers Weekly California owes its origins and sunny prosperity to slavery Spanish invaders captured Indigenous people to build the chain of Catholic missions Russian otter hunters shipped Alaska Natives the first slaves transported into California and launched a Pacific slave triangle to China Plantation slaves were marched across the plains for the Gold Rush San Quentin Prison incubated California s carceral state Kidnapped Chinese girls were sold in caged

brothels in early San Francisco Indian boarding schools supplied new farms and hotels with unfree child workers By looking west to California Jean Pfaelzer upends our understanding of slavery as a North South struggle and reveals how the enslaved in California fought fled and resisted human bondage In unyielding research and vivid interviews Pfaelzer exposes how California gorged on slavery an appetite that persists today in a global trade in human beings lured by promises of jobs but who instead are imprisoned in sweatshops and remote marijuana grows or sold as nannies and sex workers Slavery shreds California s utopian brand rewrites our understanding of the West and redefines America s uneasy paths to freedom

Slavery in the Late Roman World, AD 275-425 Kyle Harper, 2011-05-12 Capitalizing on the rich historical record of late antiquity and employing sophisticated methodologies from social and economic history this book reinterprets the end of Roman slavery Kyle Harper challenges traditional interpretations of a transition from antiquity to the Middle Ages arguing instead that a deep divide runs through late antiquity separating the Roman slave system from its early medieval successors In the process he covers the economic social and institutional dimensions of ancient slavery and presents the most comprehensive analytical treatment of a pre modern slave system now available By scouring the late antique record he has uncovered a wealth of new material providing fresh insights into the ancient slave system including slavery s role in agriculture and textile production its relation to sexual exploitation and the dynamics of social honor By demonstrating the vitality of slavery into the later Roman empire the author shows that Christianity triumphed amidst a genuine slave society

Antioch-on-the-Orontes George Wicker Elderkin, Richard Stillwell, 1934 **Slave of Christ** Murray J. Harris, 2001-05-29 Exploring what it means to be a slave of Christ Murray J Harris assesses the nature of slavery in the Greco Roman world in this New Studies in Biblical Theology volume He describes the New Testament s attitude toward slavery and discusses related topics like spiritual freedom lordship ownership and privilege *Paul's Declaration of Freedom from a Freed Slave's Perspective* Robin G. Thompson, 2023-03-27 This project attempts to listen to voices that have seldom been heard While others have explored Paul s theology of Christian freedom they have not considered how Paul s declaration of freedom would have been received by those who most desired and valued freedom the slaves and freedpersons in the Galatian churches In this study Robin Thompson explores both Greek and Roman manumission considers how the ancient Mediterranean world conceived of freedom and then examines the freedom declared in Galatians from a freed slaves s perspective She proposes that these freedpersons would likely have perceived this freedom to be not only spiritual freedom but at least in the Christian communities individual freedom as well Reading Galatians John Anthony Dunne, 2025-05-15 Galatians is simultaneously one of Paul s most well known and least understood letters At times Galatians is reduced down to a single concept like freedom or to a single passage about either justification by faith or the fruit of the Spirit and yet the personal and scriptural argument that Paul was making to his original readers is usually ignored in the process Instead of treating Galatians like a first draft of Romans as is also typically done Reading Galatians highlights the unique features of

Galatians which make it peculiar among the writings of Paul It also overviews Paul s engagement with the Galatians from his initial ministry among them to what transpired after he left and all the way through to his multifaceted response what we can glean about their reaction to it and why it still matters to us today **Social Control in Late Antiquity** Kate Cooper, Jamie Wood, 2020-10 Explores how in late antiquity women slaves and children claimed agency in small scale communities despite intimidation by the powerful *Archaeology and Bible History* Joseph P. Free, Howard Frederic Vos, 1992 Using Bible history as the unifying element rather than a topical approach this book shows how archaeological discoveries in Bible lands have helped to confirm the accuracy of Scripture The authors also deal with issues of Biblical interpretation and criticism not strictly archaeological in nature Free s text has been updated and revised by Vos
