*Revisiting Slavery and Antislavery* Laura Brace, Julia O'Connell Davidson, 2018-09-04 Despite growing popular and policy interest in new slavery with contemporary abolitionists calling for action to free an estimated 40 million modern slaves interdisciplinary and theoretical dialogue has been largely missing from scholarship on modern slavery This edited volume will provide a space to reinvigorate the theory and practice of representing slavery and related systems of domination in particular our understandings of the binary between slavery and freedom in different historical and political contexts The book takes a critical approach interrogating the concept of modern slavery by exploring where it has come from and its potential for obscuring and foreclosing new understandings Including contributions from philosophers political theorists sociologists anthropologists and English literature scholars it adds to the emerging critique of the concept of modern slavery through its focus on the connections between the past of Atlantic World slavery the present of contemporary groups whose freedoms are heavily restricted prisoners child labourers in the Global South migrant domestic workers and migrant wives and the futures envisaged by activists struggling against different elements of the systems of domination that Atlantic World slavery relied upon and spawned *Revisiting Slavery Antislavery* will be of indispensable value to scholars students policy makers and activists in the fields of human rights modern history international politics social policy sociology and global inequality *Slavery and Bonded Labor in Asia, 1250-1900*, 2021-10-11 *Slavery and Bonded Labor in Asia 1250 1900* is the first collection of studies to focus on slavery and related forms of labor throughout Asia The 15 chapters by an international group of scholars assess the current state of Asian slavery studies discuss new research on slave systems in Asia identify avenues for future research and explore new approaches to reconstructing the history of slavery and bonded labor in Asia and by extension elsewhere in the globe Individual chapters examine slavery slave trading abolition and bonded labor in places as diverse as Ceylon China India Korea the Mongol Empire the Philippines the Sulu Archipelago and Timor in local regional pan regional and comparative contexts Contributors are Richard B Allen Michael D Bennett Claude Chevalleyre Jeff Fynn Paul Hans H gerdal Shawna Herzog Jessica Hinchy Kumari Jayawardena Rachel Kurian Bonny Ling Christopher Lovins Stephanie Mawson Anthony Reid James Francis Warren Don J Wyatt Harriet T Zurndorfer *The Class Struggle in the*

*Ancient Greek World* G. E. M. Ste. Croix, 2025-07-01 The *Class Struggle in the Ancient Greek World* is an original and provocative reconstruction of 1 400 years of classical antiquity Sharply written it is a major intervention in Marxist theories of class seeking to explain and illustrate the value of Marx's general analysis of society to ancient Greek studies G E M de Ste Croix makes slavery central to the achievements of the Greek city states and wider classical civilisation He traces the social origins of Athenian democracy and advances an innovative explanation for the decline and fall of the Roman Empire Comparing the late Roman political system to a vampire bat Ste Croix argues that serfdom and a tightening fiscal screw left the peasant masses indifferent to the Empire's fate Widely reviewed and debated The *Class Struggle in the Ancient Greek World* was hailed by the New York Review of Books as the only work in a Western language that has ever attempted to tell the story of the greatest part of the ancient world with the interests of the lower classes as its central theme

**Slavery and Slaving in World History: A Bibliography, 1900-91: v. 1** David Y Miller, 2019-07-23 This bibliography of 20th century literature focuses on slavery and slave trading from ancient times through the 19th century It contains over 10 000 entries with the principal sections organizing works by the political geographical frameworks of the enslavers

Structure of Slavery in Indian Ocean Africa and Asia Gwyn Campbell, 2004-11-23 The abolition of slavery in and around the Western Indian Ocean have been little studied This collection examines the meaning of slavery and its abolition in relation to specific indigenous societies and to Islam a religion that embraced the entire region and draws comparisons between similar developments in the Atlantic system Case studies include South Africa Mauritius Madagascar the Benadir Coast Arabia the Persian Gulf and India This volume marks an important new development in the study of slavery and its abolition in general and an original approach to the history of slavery in the Indian Ocean and Asia regions

Abolition and Its Aftermath in the Indian Ocean Africa and Asia Gwyn Campbell, 2013-01-11 This important collection of essays examines the history and impact of the abolition of the slave trade and slavery in the Indian Ocean World a region stretching from Southern and Eastern Africa to the Middle East India Southeast Asia and the Far East Slavery studies have traditionally concentrated on the Atlantic slave trade and slavery in the Americas In comparison the Indian Ocean World slave trade has been little explored although it started some 3 500 years before the Atlantic slave trade and persists to the present day This volume which follows a collection of essays The *Structure of Slavery in Indian Ocean Africa and Asia* Frank Cass 2004 examines the various abolitionist impulses indigenous and European in the Indian Ocean World during the nineteenth and twentieth centuries It assesses their efficacy within a context of a growing demand for labour resulting from an expanding international economy and European colonisation The essays show that in applying definitions of slavery derived from the American model European agents in the region failed to detect or deliberately ignored other forms of slavery and as a result the abolitionist impulse was only partly successful with the slave trade still continuing today in many parts of the Indian Ocean World

**Slavery and Bondage in Medieval North India** Shadab Bano, 2024-11-15 This book examines slavery in India from the

Turkish conquest of North India to the centuries of Mughal rule It focuses on the northern Islamic regimes treatment of slavery but not limited or determined by the actions and demands of the ruling class alone Societies normalized the practices and the norms were socially constituted which included slaves acceptance resistance and use of agency in the process It shows how the transformations on the ground made the social economic and ethical environment of slavery no longer the same over the centuries and the expansion or contraction of slavery corresponded to the structural changes and ethical developments specific to the Indian milieu The volume will be of great interest to scholars and researchers of South Asian studies history and slavery

The Story of Work Jan Lucassen, 2021-07-27 The first truly global history of work an upbeat assessment from the age of the hunter gatherer to the present day We work because we have to but also because we like it from hunting gathering over 700 000 years ago to the present era of zoom meetings humans have always worked to make the world around them serve their needs Jan Lucassen provides an inclusive history of humanity s busy labor throughout the ages Spanning China India Africa the Americas and Europe Lucassen looks at the ways in which humanity organizes work in the household the tribe the city and the state He examines how labor is split between men women and children the watershed moment of the invention of money the collective action of workers and at the impact of migration slavery and the idea of leisure From peasant farmers in the first agrarian societies to the precarious existence of today s gig workers this surprising account of both cooperation and subordination at work throws essential light on the opportunities we face today

Slaves of Fortune Ronald M. Lamothe, 2011 The Anglo Egyptian re conquest of Sudan Churchill s River War has been well chronicled from the British point of view but we still know little about its front line troops the Sudanese soldiers of the Egyptian Army Making use of unpublished primary sources and published material located in the United Kingdom and Sudan Slaves of Fortune provides an historiographic correction It argues that nineteenth century Sudanese slave soldiers were social beings and historical actors shaping both European and African destinies just as their own lives were being transformed by imperial forces Jacket

**Democracy Against Capitalism** Ellen Meiksins Wood, 2016-03-01 Historian and political thinker Ellen Meiksins Wood argues that theories of postmodern fragmentation difference and con

tingency can barely accommodate the idea of capitalism let alone subject it to critique In this book she sets out to renew the critical program of historical materialism by redefining its basic concepts and its theory of history in original and imaginative ways using them to identify the specificity of capitalism as a system of social relations and political power She goes on to explore the concept of democracy in both the ancient and modern world examining its relation to capitalism and raising questions about how democracy might go beyond the limits imposed on it

**The Punishment Monopoly** Pem Davidson Buck,2019-11-22 Examines the roots of white supremacy and mass incarceration from the vantage point of history Why asks Pem Davidson Buck is punishment so central to the functioning of the United States a country proclaiming liberty and justice for all The Punishment Monopoly challenges our everyday understanding of American history focusing on the constructions of race class and gender upon which the United States was built and which still support racial capitalism and the carceral state After all Buck writes a state to be a state has

to punish bottom line that is what a state and the force it controls is for Using stories of her European ancestors who arrived in colonial Virginia in the seventeenth and eighteenth centuries and following their descendants into the early nineteenth century Buck shows how struggles over the right to punish backed by the growing power of the state governed by a white elite made possible the dispossession of Africans Native Americans and poor whites Those struggles led to the creation of the low wage working classes that capitalism requires locked in by a metastasizing white supremacy that Buck s ancestors with many others defined as white helped establish and manipulate Examining those foundational struggles illuminates some of the most contentious issues of the twenty first century the exploitation and detention of immigrants mass incarceration as a central institution Islamophobia white privilege judicial and extra judicial killings of people of color and some poor whites The Punishment Monopoly makes it clear that none of these injustices was accidental or inevitable that shifting our state sanctioned understandings of history is a step toward liberating us from its control of the present
