Slaying The Giant Practical Help For Understanding Preventing And Overcoming Depression:

Slaying the Giant French O'Shields,1994-06-01 **New Light on Depression** David B. Biebel,Harold G. Koenig,2010-06-15 Moving Back toward Wholeness What is depression really A psychological disorder An emotional problem A case of negative self talk A spiritual weakness Unresolved anger A medical condition How can it be successfully treated Whether you need a lifeline to cling to knowledge to clear confusion help determining the next step or strength to help a loved one New Light on Depression offers hope and healing With understanding born of personal and professional experience the authors one a psychiatrist and the other a minister untangle the web of depression guiding you through an understanding of depression myths and misunderstandings symptoms and diagnoses causes and treatments spiritual struggles and gifts of graceWritten for those who suffer from depression and those who want to help family members pastors friends this book equips you with the knowledge and tools to move toward a life of joy once more It covers the full range of concerns including the use of antidepressants With personal applications questions for reflection and evaluation guides New Light on Depression is a medically reliable and biblically sound resource for finding faith and strength in the midst of depression and emerging again whole and healthy Aftershock David W. Cox,Candy Arrington,2003 A recovery book providing encouragement and support and leading to healing for those whose loved ones have committed suicide *Subject Guide to Books in Print* ,1991 *Medical and Health Care Books and Serials in Print* ,1997 **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Paperbound Books in Print 1995** Reed Reference Publishing,R5ference Reed,1995-12 **Popular Science** ,2005-09 Popular Science gives our readers the information and tools to improve their technology and their world The core belief that Popular Science and our readers share The future is going to be better and science and technology are the driving forces that will help make it better **Cincinnati Magazine** ,2001-08 Cincinnati Magazine taps into the DNA of the city exploring shopping dining living and culture and giving readers a ringside seat on the issues shaping the region Slaying the Giant of Depression & Suicidal Idealization Sharon Dickerson,2025-03-27 In the early 80 s before depression became an epidemic I was a little girl that suffered dreadfully with depression At the age of 12 I decided that I was done with life I attempted suicide multiple times with multiple psychiatric hospitalizations After 35 years despite already being a Christian and a successful citizen I finally figured out that this attack was spiritual I started doing spiritual warfare with depression and OVERCAME it I went on to help other people for which depression left and never came back I believe that it is my calling to help other people learn to overcome depression Once while watching television I saw a commercial about depression The Ad featured a woman walking down the street on a beautiful day However there was a robe which representing depression would suddenly appear from behind a tree or any hiding spot it could find The robe would latch onto her back as soon as the woman was happy She would wrestle with the robe tear it off and continue her walk Unfortunately the robe would be waiting around the corner for the next opportunity to jump on the woman again This cycle continued repeatedly Eventually the

woman resigned herself to the idea that the robe would always return causing her never to stay happy This was my life for many years Finally God showed me that it was a spiritual attack that would require spiritual warfare to be defeated After that I put on my armor and fought I can truly say that I finally won the battle with depression This does not mean that I never get sad but it does mean that I am finally happy After learning how to fight depression and suicidal ideation God placed it in my heart to help others You may feel hopeless but if you stay with the principle of fighting in the Spirit I promise God's word will not return to Him void Isaiah 55:11 If you believe in God He wants and is willing to help you But you must know what you are fighting against There is a devil in the world and his job is to destroy God's plans for your life Suppose you are embarking on a journey and there is no option to skip it You must take the journey On this journey you have been warned that there are landmines buried so you must walk carefully However imagine if I called you from the other side of the journey and said Hey I have a map of where the landmines are How would you treat that map Would you put it in your pocket and look at it later Would you leave it at your starting point Would you look at it once a day Or would you decide to refer to it frequently for guidance You might say I don't want to waste my day on something that might not work But most of us spend hours on Twitter Facebook YouTube etc Studies show that we spend approximately four hours and 37 minutes on our phones each day While some of the things that we watch are useful much of this time adds nothing tangible or necessary to our lives It often leaves us feeling empty as we compare our entire day to someone's 5 second snapshot I encourage you to think about what you get out of those four hours and 37 minutes Invest in yourself I hope that this book will be reference along your journey You may just be better off for it
