Sleeping Through Night And Other Lies:

Sleeping Through the Night Sandi Kahn Shelton, 2016-06-14 Sandi Kahn Shelton's very funny very compassionate very knowledgeable book is like a day at the beach or more precisely a day at the beach when you have an au pair. She makes the difficult appear delightful and the challenging seem charming. Gina Barreca, Ph.D., Professor of English at the University of Connecticut and author of *Perfect Husbands*. Sandi Kahn Shelton takes readers on a wild ride through the journey of parenting from the first disillusioning night home from the hospital with a brand new baby to the joys of toilet training and the hair-raising terrible twos. Candid, uplifting and side-splittingly funny, this book is just what every new mom and dad needs to help them see the lighter side of changing diapers, meddling in laws, baby's first curse word and of course sleepless nights. Shelton touches on almost every parenting topic imaginable with brief essays grouped by subjects such as sleeping, crying, nursing, dressing, feeding, talking, worrying, calming, separating and of course potty training. Shelton's book is a welcome addition to the parenting bookshelf. Publishers Weekly. The true successor to Erma Bombeck's throne. *WorkingMother* magazine. Sandi Kahn Shelton's very funny very compassionate very knowledgeable book is like a day at the beach or more precisely a day at the beach when you have an au pair. She makes the difficult appear delightful and the challenging seem charming. Gina Barreca, Ph.D., Professor of English at the University of Connecticut and author of *Perfect Husbands*. For frazzled working moms, columnist Sandi Kahn Shelton's funny essays on parenting are a fail-safe way to lighten up. *Wall Street Journal*. I'm thankful that this very funny and observant lady is not a cartoonist. Bil Keane, creator of *The Family Circus*.

Merry Wives and Others Penelope Fritzer, Bartholomew Bland, 2010-06-28 In many ways the history of domestic humor writing is also a history of domestic life in the twentieth century. For many years domestic humor was written primarily by females; significant contributions from male writers began as times and family structures changed. It remains timeless because of its basis on the relationships between husbands and wives, parents and children, houses and inhabitants, pets and their owners, chores and their doers, and neighbors. This work is a historical and literary survey of humorists who wrote about home. It begins with a chapter on the social context of and attitudes toward traditional domestic roles and housewives. The following chapters, beginning with the 1920s and continuing through today, cover the different time periods and the foremost American domestic humorists and the humor written by surrogate parents, grown children about their childhood families, husbands, and Canadian and English writers. Also covered are the differences among various writers toward traditional domestic roles: some like Erma Bombeck and Judith Viorst embraced them, while others like Caryl Kristenson and Marilyn Kentz resisted them. Common themes such as the isolation and competitiveness of housework, home as an idealized metaphysical goal and ongoing physical challenge, and the urban, suburban, and rural life are also explored.

The Origins, Prevention and Treatment of Infant Crying and Sleeping Problems Ian St James-Roberts, 2013-07-03 Babies who cry a lot or are unsettled in the night are common sources of concern for parents and consequently costly problems for health.
