Late one night when Zack hears strains of Heartbreak Hotel coming from the fridge he discovers the possibility that Elvis lives on as a turnip Talk about getting back to musical roots **The Sleepwalkers** B. B. Griffith,2016-05-11 Is it still a crime if you commit it in your sleep Ethan Barret is on trial for attempted murder The problem is he doesn't remember doing it His hands committed the crime but he was asleep the whole time Ethan Barret is also only twelve years old Gordon Pope is down on his luck He was one of the best child psychiatrists in the country before his divorce Now he's broke bored and spiraling into depression He agrees to be an expert witness in Ethan's case because he needs the extra cash for drinking money What he doesn't know is that he's about to be thrown into a race against time to save the boy and himself before it's too late for both of them The Sleepwalkers is a riveting thriller that will change the way you think about sleep and dreams forever

Lost Son Hermann Broch,2012-12-01 By any measure Hermann Broch was one of the greatest writers of the twentieth century Author of The Sleepwalkers and The Spell he stands together with James Joyce and Marcel Proust at the pinnacle of literary Modernism Born in 1886 he saw the First World War destroy the culture and consciousness of what had come before seeing the West thrust unwillingly into the modern age By 1938 Broch found himself arrested and detained during which time he began work on his greatest novel The Death of Virgil Dozens of friends from all over the world managed to help him find his release and he moved to the United States where he lived for the rest of his life With his wife Franziska Broch had only a single child Armand While Broch had become preoccupied with deep questions of philosophy psychology and politics his son became a thoroughgoing materialist Sent away to an elite boarding school when 14 Armand found himself surrounded by students from the richest families in Europe He became devoted to sports to fast luxury cars his father did not even know how to drive and to the first class lifestyle of his classmates These letters show the profound breach that developed between father and son They also provide a portrait of the Gilded Age a time of remarkable change as Europe headed on a course of horrible inevitability Letters from Broch during this time are uncommon so we also get a chance to follow the trajectory of his life as he prepares to leave his job as an industrialist and devote himself to study and to writing

One Deidra Riggs,2017-04-04 Jesus didn't say that the world would know we are his followers by our biting rhetoric our political leanings our charity work or even by our knowledge of Scripture He said the world would know us by our love for one another Yet it's so easy to put others at arm's length to lash out to put up walls Deidra Riggs wants us to put our focus on self preservation aside and like Jesus make the first move toward reconciliation In *One* Riggs shows readers that when Jesus offered himself up in our place he was not only purchasing our salvation but also setting an example for us to follow She helps readers understand that they are secure in God's inexhaustible love making them free to love others lavishly not just in what they do but in what they say what they don't say what they will endure and what they will forgive Anyone who longs for
