A Slice of Glory Elizabeth Walton,1992 This tells the story of obsession within the world of horse racing Elizabeth Walton examines the world of the owners and trainers the people who are willing to go through the financial and emotional mill Horse ownership is full of the cash rich young and middle aged released from family responsibilities But 80% of the horses that run during the flat season win nothing at all *The Sure Thing* Nick Townsend,2014-02-27 _____ The bookies always win But one man has been proving them wrong for four decades In the summer of 1975 Barney Curley a fearless and renowned gambler masterminded one of the most spectacular gambles of all time with a racehorse called Yellow Sam With a meticulous entirely legal plan involving dozens of people perfectly timed phone calls sealed orders and months of preparation Curley and Yellow Sam beat the bookmakers and cost them millions They said that it could never happen again But in May 2010 thirty five years after his first coup Curley staged the ultimate multi million pound winning sequel *The Sure Thing* tells the complete story of how he managed to organise the biggest gamble in racing history and how he then followed up with yet another audacious scheme in January 2014 *Exploring Osaka* David M. October 20 1923 at Belmont Park in New York Kentucky Derby champion Zev toed the starting line alongside Epsom Derby winner Papyrus the top colt from England to compete for a 100 000 purse Years of Progressive reform efforts had nearly eliminated horse racing in the United States only a decade earlier But for weeks leading up to the match race that would be officially dubbed the International unprecedented levels of newspaper coverage helped accelerate American horse racing s return from the brink of extinction In this book James C Nicholson explores the convergent professional lives of the major players involved in the Horse Race of the Century including Zev s oil tycoon owner Harry Sinclair and exposes the central role of politics money and ballyhoo in the Jazz Age resurgence of the sport of kings Zev was an apt national mascot in an era

marked by a humming industrial economy great coziness between government and business interests and reliance on national mythology as a bulwark against what seemed to be rapid social cultural and economic changes Reflecting some of the contradiction and incongruity of the Roaring Twenties Americans rallied around the horse that was in the words of his owner racing for America even as that owner was reported to have been engaged in a scheme to defraud the United States of millions of barrels of publicly owned oil Racing for America provides a parabolic account of a nation struggling to reconcile its traditional values with the complexity of a new era in which the US had become a global superpower trending toward oligarchy and the world s greatest consumer of commercialized spectacle
