Ruffin, 2005-06-30 Ever since the caveman gazed longingly at the winged creatures above him mankind has been enamored with the idea of flight of just taking off and soaring away Steven A Ruffin celebrates that spirit that sense of wonder with Aviation s Most Wanted The Top 10 Book of Winged Wonders Lucky Landings and Other Aerial Oddities With dozens of top ten lists focusing on notable flights memorable planes famous and infamous aviators aircraft combat air travel even space travel and so much more Ruffin provides a treasure trove of fun facts and amazing anecdotes celebrating the world s love affair with flight plus the hurt that accompanies any deep love Will Rogers died in a plane crash near Point Barrow Alaska with aviation legend Wiley Post at the controls Rogers was writing an article at the time of the crash eerily the last word he typed was death Isoroku Yamamoto who masterminded the surprise attack on Pearl Harbor met his fate in similarly sneaky fashion U S forces intercepted and decoded information on Yamamoto s travel plans and Pearl Harbored his plane shooting it down into the island jungle of Bougainville The safest seat in a crash depends on if you crash on takeoff or on landing so flip a coin You ll read about the first and worst of flight aces and races and everything from crimes sex and controversy to planes so fast they can outrun the sun With Aviation s Most Wanted you ll get the history of flight from the early balloon adventures of the eighteenth century until the present laid out with trivia and tales to amuse and amaze **The Three Hardest Words** Leonard Sweet, 2010-05-26 Three simple words I love you capture the heart of Jesus life and ministry These three words form the bottom line and top drawer of all his teachings And they remain the three hardest words in the world to get right Two pronouns and a verb have never been so difficult to grasp much less to practice Popular culture has ruined love s reputation by redefining it first as romance and then as lust But it s not just the meaning of the word love that causes so much confusion To fully understand love we also need to find out who we are in God s eyes and whom we are commanded to love Following Jesus can be described as the daily practice of all three words I Love You There is nothing more rewarding and nothing more risky Join Leonard Sweet in this eye opening life altering exploration of three simple one syllable words After all the lifestyle of love is the only life that Jesus calls you to live There is nothing more challenging than adopting the three word lifestyle of Jesus as your own Perhaps you have wondered why love seems to work for everyone else but not for you Or maybe you ve done your best to love those around you but it seems that life has drained your last drop of trust and affection Nothing is better than love when it s right and nothing is more destructive than attempts

at love that fail to follow the Jesus prescription for a healthy life Jesus devoted his earthly life to saying these three words I love you and teaching us how to say them As Jesus defined love it takes everything you've got and then even more which only God can give The lifestyle of love is not something you can master on your own but Jesus is ready to show you how Starting today you can learn to live I love you the three hardest words in the world to get right Leonard Sweet PhD serves as the E Stanley Jones Professor of Evangelism at Drew Theological School in Madison New Jersey He is also a Distinguished Visiting Professor at George Fox University in Newberg Oregon and founder and president of SpiritVenture Ministries He has written many books including Out of the Question Into the Mystery and the trilogy SoulTsunami AquaChurch and SoulSalsa
