Snake In The Heart:

Snake Heart Lindsay Buroker, 2016-02-24 Tasked with an impossible mission hunted by the very people he wants to protect Yanko White Fox is the only one who can save his nation from famine and anarchy Armed only with his fledgling skills as a wizard and accompanied by allies he is not sure he can trust he must track down an ancient relic before his enemies find it first But countless obstacles stand in the way including his mother The deadly and infamous pirate Snake Heart cares nothing for the family or the son she abandoned and wants the artifact for herself Snakes Roland Bauchot, 2006 Through the combined work of 13 different experts in the field you will gain invaluable and unique insight into the life style behavioral characteristics and physical appearance of many different species of snakes Page 2 of cover **The Man Who Touched His Own Heart** Rob Dunn, 2015-02-03 The secret history of our most vital organ the human heart The Man Who Touched His Own Heart tells the raucous gory mesmerizing story of the heart from the first explorers who dug up cadavers and plumbed their hearts chambers through the first heart surgeries which had to be completed in three minutes before death arrived to heart transplants and the latest medical efforts to prolong our hearts lives almost defying nature in the process Thought of as the seat of our soul then as a mysteriously animated object the heart is still more a mystery than it is understood Why do most animals only get one billion beats And how did modern humans get to over two billion effectively letting us live out two lives Why are sufferers of gingivitis more likely to have heart attacks Why do we often undergo expensive procedures when cheaper ones are just as effective What do Da Vinci Mary Shelley and contemporary Egyptian archaeologists have in common And what does it really feel like to touch your own heart or to have someone else's beating inside your chest Rob Dunn's fascinating history of our hearts brings us deep inside the science history and stories of the four chambers we depend on most **Ferocious Heart** Joseph Asphahani, 2024-12-09 What starts with a subterranean steampunk train ride ends with an unforgettable flight above the atmosphere The rogue fox Maxan is very very far from home He's dodged the jaws of frenzied beasts and literal lightning bolts called by The Mind Cult in order to finish the journey he started to reunite the mysterious Relay with the Aigaion the monolithic spacecraft in the sky The missing artifact itself is the reason animalkind go Astray losing their rational minds and reverting to their primal natures As supreme Master of the Monitors an ancient order charged with keeping such technology hidden the fiendish snake Salastragore awaits the fox's arrival For decades he's plotted to eradicate the creatures who stand in his way and to overthrow the engineers who program this simulated reality But for Maxan and all the animals across the world of Herbridia what the snake sees as simulation is just their ordinary lives Along the way Maxan must recall suppressed memories resist the lies and manipulation and accept the ferocity within his own heart to save his world from war and ultimate extinction **Heart of the South** Archibald Rutledge, 1924 Story of two lovers Lila Norwood of Staunton Virginia and Confederate Army officer Pitt Ashby set during the Battle of Gettysburg Surgical Remodeling in Heart Failure W. Brett, A. Todorov, M. Pfisterer, H.-R. Zerkowski, 2012-12-06 Despite all efforts and

success in medical treatment the incidence of end stage chronic heart failure is increasing Cardiac transplantation remains the only definite option however due to the shortage of donor organs very few people benefit Therefore surgery of end stage heart failure using conventional techniques has gained new interest after the introduction of the Batista operation However a clear surgical identification of the patients to be included in this group is lacking Left ventricular reduction surgery as well as reduction of the base of the heart using mitral annuloplasty or mitral valve replacement sparing both papillary muscles is used in selected patients with satisfying results and good survival Long term mechanical support with subsequent surgical remodeling or supporting myoplasty may result in a beneficial alternative to heart transplantation Snake Handlin' Man DJ Butler,2015-02-01 Rock musicians battle against ancient deities in order to rescue one of their own from the effects of poisonous snake venom The Snake Handlin Man is Eddie Marlow make do guitarist ex Marine and the world s best tambourine player ever When an attack of flying snakes in a roadside diner leaves the band s organist fighting for his life Eddie leads the band into the lair of a snake worshipping cult in a desperate attempt to collect the sovereign remedy for snakebite the milk of a lamia Can the band find a cure before Adrian s time is up Why is the town s preacher obsessed with the ancient Israelite serpent icon the Nehushtan And can the band get out of town before the snake god Apep arrives The Heart of the Alleghanies; Or, Western North Carolina Wilbur G. Zeigler,Ben S. Grosscup,1883 *Preacher's Fury* William W. Johnstone,J.A. Johnstone,2012-01-01 Preacher brings justice to the lawless West in this gunslinging frontier adventure from the greatest western writer of the 21st century A Woman for the Winter Montana Territory and a band of Assiniboiné Indians give Preacher shelter for the winter A beautiful woman named Raven s Wing makes the sheltering even better once he gets things straight with a jealous brave who wants to lift Preacher s scalp A Fire in the Night Across the border is another wanderer and another tribe Preacher s old enemy Willie Deaver plies a band of Indians with the deadliest combination possible whisky guns and bullets then directs them to try out their killing tools on the Assiniboiné The raid reaps a harvest of devastating death bloodshed and helpless captives Deaver is all the more delighted when he learns Preacher is among the fallen And the Fury of a Mountain Man But in the driving drifting snow with a handful of bloodied survivors by his side Preacher is rising a rifle in his hands red hot fury in his heart and icy vengeance in his gun sight Praise for the novels of William W Johnstone A rousing two fisted saga of the growing American frontier Publishers Weekly on Eyes of Eagles There s plenty of gunplay and fast paced action as this old time hero proves again that a steady eye and quick reflexes are the keys to survival on the Western frontier Curled Up with a Good Book on Dead Before Sundown Cardiology, An Issue of Veterinary Clinics of North America: Exotic Animal Practice, E-Book Michael Pees,2022-04-16 In this issue of Veterinary Clinics Exotic Animal Practice guest editor Dr Michael Pees brings his considerable expertise to the topic of Cardiology Top experts in the field cover key topics such as comparative and functional anatomy of the sauropsid heart heart diseases in reptiles heart disease diagnosis and therapy in pet birds ferret cardiology and more Contains 10 relevant practice oriented
