Snakecharmers In Texas:

Even As We Speak Clive James, 2012-12-13 Effervescent energetic and eclectic *Even As We Speak* collects the best of Clive James on art culture and politics from 1993 2001 This is one of the late twentieth century's finest minds on show From the Olympics to the British monarchy to Australian culture and from icons of the century to the role of the ordinary German in the holocaust this is a wide ranging and thought provoking selection of Clive at his best This collection includes his compelling much discussed piece written shortly after the death of someone he knew personally Diana Princess of Wales Whether the reader is discovering him for the first time or revisiting classic pieces *Even As We Speak* is a compelling collection from a much loved figure in British and Australian culture Clive James 1939 2019 was a broadcaster critic poet memoirist and novelist His much loved influential and hilarious television criticism is available both in individual volumes and collected in *Clive James On Television* His encyclopaedic study of culture and politics in the twentieth century *Cultural Amnesia* remains perhaps the definitive embodiment of his wide ranging talents as a critic Praise for Clive James The perfect critic A O Scott New York Times There can't be many writers of my generation who haven't been heavily influenced by Clive James Charlie Brooker A wonderfully witty and intelligent writer Verity Lambert **Texas Rattlesnake Roundups** Clark E. Adams, John K. Thomas, 2008-10-06 Covered by Wide World of Sports National Public Radio and National Geographic Texas rattlesnake roundups like those in Sweetwater Texas draw both fascinated tourists and irate protesters Begun as an organized form of predator control in the 1920s for many years rattlesnake roundups have been promoted as community events and civic fundraisers The western diamond backed rattlesnake is the main attraction with pits full of thousands of writhing rattlesnakes serving as the featured spectacle Often taking advantage of the animals denning behavior to capture large numbers at a time hunters deliver live snakes to commercial dealers who are contracted by event organizers to supply the animals as a source of entertainment from snake handling and snake races to snake sacking snake skinning snake milking and snake education activities Rattlesnake products of various types are also sold and consumed at the events In this close up look at rattlesnake roundups in Texas Clark E Adams and John K Thomas present perhaps the first full description of this social and environmental phenomenon tracking its popularity its participants its opponents its impact on the communities where it occurs and as much as is possible its effects on the rattlesnake itself In recent years the commercial trade in Texas animals has emerged as a serious and controversial issue and the number of roundups has declined sharply *Texas Rattlesnake Roundups* promises to provide a balanced starting point for all those interested in knowing more about this curious custom [Snakecharmers in Texas](#) Clive James, 1988 **Cultural Cohesion: The Essential Essays** Clive James, 2013-04-01 Clive James presents the prequel to his celebrated *Cultural Amnesia* forty nine essays that form a cultural education in one brilliant volume Six years after the much heralded publication of *Cultural Amnesia* Clive James presents his prequel forty nine essays that he has selected as the best of his half century career Originally appearing as *As of This Writing*

Cultural Cohesion examines the twisted cultural terrain of the twentieth century in one of the most accessible and cohesive volumes available. Divided into four sections: Poetry, Fiction, and Literature; Culture and Criticism; and Visual Images, James comments on poets like W. H. Auden and Phillip Larkin, novelists like D. H. Lawrence and Raymond Chandler, not to mention Judith Krantz, and filmmakers like Fellini and Bogdanovich. Throughout, James delights his readers with his manic energy and critical aplomb. This volume, featuring a new introduction, is a one-volume cultural education that few recent books can rival.

Transnational Lives D. Deacon, P. Russell, A. Woollacott, 2010-01-29 The transnationalism of ordinary lives threatens the stability of national identity and unsettles the framework of national histories and biography. This book takes mobility, not nation, as its frame and captures a rich array of lives from the elite to the subaltern that have crossed national, racial, and cartographic boundaries. *Texas Game and Fish*, 1958 Cultural Amnesia Clive James, 2007 Containing more than 100 original essays organized by quotations, James illuminates, rescues, or occasionally destroys the careers of many of the greatest thinkers, humanists, musicians, artists, and philosophers of the 20th century. 110 photographs Reliable Essays Clive James, 2009-09-30 Hilarious and trenchant, *Reliable Essays* collects the most memorable works of criticism and travel writing from well-loved author and broadcaster Clive James. With an introduction by Julian Barnes, an intellectual as well as a joker, a wise man as well as a wit, *Observer*. Whether discussing arts, politics, or culture, Clive James opens up new avenues for thought whilst never being less than wonderfully entertaining. From his Postcard from Rome to his observations on Margaret Thatcher and his insights into Heaney, Larkin, and Orwell, Clive is equally at home discussing the nature of celebrity and considering serious political matters. With brilliantly funny examinations of characters like Barry Humphries, Germaine Greer, and Marilyn Monroe, this is a thoughtful, analytical, and thoroughly enjoyable selection of Clive at his best. I immensely enjoyable. *Telegraph*. Clive James 1939-2019 was a broadcaster, critic, poet, memoirist, and novelist. His much-loved influential and hilarious television criticism is collected in *Clive James On Television*. His encyclopaedic study of culture and politics in the twentieth century, *Cultural Amnesia*, remains perhaps the definitive embodiment of his wide-ranging talents as a critic. Praise for Clive James: The perfect critic. A. O. Scott, *New York Times*. There can't be many writers of my generation who haven't been heavily influenced by Clive James. Charlie Brooker. A wonderfully witty and intelligent writer. Verity Lambert. **The River in the Sky** Clive James, 2018-10-16 In this deracinated age appears a miraculous epic that pays homage to Dante and Camus. Few people read poetry any more, but I still wish to write its seedlings down if only for the lull of gathering, no less a harvest season for being the last time, writes Clive James in his epic poem *The River in the Sky*. What emerges from this lamentation is a soaring epic of exceptional depth and overwhelming feeling, all the more extraordinary given its appearance in an age when the heroic poem seems to have disappeared from contemporary literature. Among James's many talents is his uncanny ability to juxtapose references to early twentieth-century poets with offbeat humor and flyaway cultural observations. Dwight Garner, *New York Times*, or allusions to the adagio of Beethoven's Ninth Symphony contrasted with references to

YouTube's vast cosmopolis Whether recalling his Australian childhood or his father's clean white headstone in a Hong Kong cemetery James's autobiographical epic ultimately helps us define the meaning of life Opal Sunset: Selected Poems, 1958-2008 Clive James, 2010-03-22 A generous helping of James's very best guaranteed to lift the spirit and raise the eyebrow Billy Collins Opal Sunset marks the exuberant introduction of Clive James's poetry to an American audience Praised after the publication of Cultural Amnesia as one of the finest prose stylists of his generation Clive James is now with the publication of this collection being granted recognition as the poet he has always been For much of his long career it was hard to realize that James's gift for poetry underlay his achievements in other fields First as a television critic on Fleet Street and later as a television personality in his own right he achieved such fame for writing the way he spoke that his poetry was regarded as an idiosyncratic sideline as if no celebrity could write worthy verse A conundrum presented itself how could a serious poet also be a television star But for James a duty to the discipline of verse was always fundamental and his accumulated poetic output became impossible to ignore As early as the 1970s James's long mock epic Peregrine Prykke's Pilgrimage through the London Literary World received almost unprecedented attention in his adopted England while later his satirical short poem The Book of My Enemy Has Been Remaindered became not only a standard verse quoted at fancy dinner parties but entered the culture as lines to be memorized by unpublished writers everywhere James was suddenly in the odd position of having written famous poems well before he became a famous poet Finally the publication of a volume of his collected verse The Book of My Enemy earned him in 2003 the reputation as a serious poet that he has long deserved Less inhibited by fixed categories a new generation of critics has confirmed what James's public has instinctively known that he brings his poems to life with all the resources to be found in his prose wit imagination social observation and a dazzling play of language In addition his poems have an unmistakably characteristic rhythm that makes it compulsory to read them aloud Switching between strict stanzas and free forms as the occasion suits James brings a compulsively readable coherence to either mode and always over and above the binding force of his metrical assurance there is a lyricism that brings even the plainest statement to extra life and which often enters deeply into realms of human emotion His later poems about the tragedy that struck his mother and father for example show an intensity of regret that mark his maturity as a poet and bring out his unashamed nostalgia for his homeland Australia Opal Sunset is a treasure chamber of epigrammatic jewels to which the reader will return again and again
