Snap Out Of It How To Get Saved From Spiritual Insanity:

Snap out of It Barry Bragg, 2005-03-16 In the short but powerful book *Snap Out of It* author Barry Bragg invites you to discover that a questioning mind an independent spirit and a sense of humor are the holy trinity of spiritual sanity An honest examination of religion takes us to a place of humility not rigid dogma or superiority We discover at long last that the Universe does not behave in a way that makes us comfortable and in fact is bursting with unpredictability and diversity Doubt is essential for illusion and self deception are the hallmarks of the human mind With wishful thinking on one end and paranoid delusion on the other the ability to see through these products of human imagination takes us to safety and sanity This book gives you the information and inspiration to resist the pressure to conform to shoulds either from religion or society Refuse to pretend you know when you don t know Stand tall and celebrate the gifts of your innate reason intuition and individuality If you walk a spiritual path make sure it comes from the light of your own being a spontaneous personal free flowing natural spirituality Traditional religion tells us the word of God is true However if you begin with the idea that whatever is true is the word of God and make that search for yourself you re on the journey to inner freedom May this book be a source of light and liberation and yes laughter Reclaim your spiritual sanity and integrity and know that the true will set you free
