

The book cover is split into two main visual sections. On the left, there is a close-up photograph of a bird, likely a booby, with a long, sharp, reddish-brown beak and a white patch around its eye. The bird's feathers are a mix of grey and white. On the right, there is a photograph of water splashing upwards, creating many white droplets and bubbles against a blue background. The title 'SNAP!' is written in a bold, green, sans-serif font, and 'Splash!' is written in a dark blue, italicized serif font. The author's name 'by Jane Buxton' is in a smaller, dark blue, sans-serif font.

SNAP! *Splash!*

Brown, 2010-03-10 Colonial pioneers began entering the logging and forestry industries in great numbers along the Allegheny and Appalachian mountains during the late 1700s and were soon producing more products than they could use This book details how settlers used waterways to transport goods to coastal markets Topics include the timeline of water craft construction major figures in the development of early waterway transportation types of goods transported and occupational hazards from raging rapids to snowstorms The book also features photographs charts and diary excerpts and an appendix detailing ark and raft construction Twenty years of research produced one hundred and fifteen sources ninety five percent from historical societies since large libraries held minimal information on the subject For the Civil War buffs chapters 5 through 9 give the Woodhick s Pennsylvania Lumberjack work ethic that made them a feared fighting force in the Union Army known as the Bucktails The Ball Park Boys Shade Jones, 2011-12-19 Excerpt from Making Money He then gave Tommy a hard pull on both of his ears causing him to cry out and fall to the ground Gary lunged

towards the nasty smelly man but I moved quicker and jumped in front of him I knew as quick as the razor sharp knife had disappeared into his pocket it could reappear The Ball Park Boys always stuck together and would defend each other but this wasn't a fight they could win today I'm giving you ten traps and if you want to make some money catch me some muskrats Don't screw up their hides and you better not lose any of my traps you little punks got that the nasty smelly man said as he glared at us with those beady mean looking eyes Gary and Tommy both had a look on their face that I had not seen before The look wasn't one when we had been behind in a baseball or football game and the other team would taunt us or call us names This look was different This look was one of anger and bitterness I knew one day I may not be able to stop them should we encounter the nasty smelly man and he started messing with Tommy again Excerpt from The Best Boat Ever We are now going faster and backwards down the rapids In unison Tommy and Jerald who had not said a word since we launched began screaming at the tops of their lungs They knew the end was near They wouldn't even get to see what large tree or rock that we would crash in to would send them flying out backwards and then watch as our new death wagon slowly Fall on top them pushing them to their watery graves These thoughts made them scream even louder I still had a death grip on my pole and was keeping it under water as we raced backwards Suddenly it stuck in the mud and sand on the bottom knocking me forward into the backs Of Jerald and Tommy This made them only scream louder as they knew the end was near I never let go of the grip on my pole and as I regained my balance our boat miraculously stopped and very slowly the front began to turn back into the middle of the river The river had now widened and was much deeper and yes calm After our boat spun around straight I pulled my pole out of the hole it was stuck in and gave up a slight push The water had become quiet and was moving slowly We had just survived death Our boat was still floating although it had a couple inches of water in the middle Gary Tommy and Jerald all turned to look at me They gazed at me with a strange look Excerpt from Baseball It didn't matter that blood was coming from our sliding arms and hands We had played on much rougher infields before We executed our much practiced method of pop up sliding when stealing a base We would never turn to look for a ball or in this situation people coming after us It didn't matter we were on our feet racing down the long driveway Our feet were barely touching the ground and when we reached the railroad tracks we only went faster We were racing towards home towards safety We were not going to stop until we were at the Ball Park or home base That was all that mattered now We would be safe there we would be home

A Matter of Honour Susan Code,1996 **Becoming the Boogeyman** Richard Chizmar,2024-09-24 The worthy and frightening sequel Stephen King to the acclaimed and unforgettable Harlan Coben New York Times and USA TODAY bestselling novel Chasing the Boogeyman Back in the summer of 1988 a young Richard Chizmar was catapulted into the center of a living nightmare as the serial killer Joshua Gallagher dubbed by the media as The Boogeyman stalked his tranquil Maryland town A lot has changed in the intervening years These days Chizmar enjoys a certain level of celebrity and notoriety himself being the only person that an incarcerated Josh Gallagher will speak to on or off the record Chizmar likes to

believe that he's doing the world a public service by visiting Gallagher in prison as there are plenty of other nameless victims out there who Gallagher might finally admit to killing and bring closure to grieving loved ones and a dark rhythm and routine begin to take hold But Chizmar eventually finds there's a price to be paid for dancing with the devil when a masked figure with all the hallmarks of Gallagher's reign of terror from thirty years ago now leaves a horrifying calling card in front of Chizmar's home and it's clear there's a new player on the board in the ongoing game that the Boogeyman controls A riveting haunting sequel to the New York Times bestselling thriller *Chasing the Boogeyman* this is a tale of obsession and the adulation of evil exploring modern society's true crime infatuation with unflinching honesty sparing no one from the glare of the spotlight Will those involved walk away from the story of a lifetime in order to keep their loved ones safe Or will they once again be drawn into a killer's web As the story draws to its shattering conclusion only one person holds all the answers and he just may be the most terrifying monster of them all

Stealing Games Maury Klein, 2016-03-22 The 1911 New York Giants stole an astonishing 347 bases a record that still stands more than a century later That alone makes them special in baseball history but as Maury Klein relates in *Stealing Games* they also embodied a rapidly changing America on the cusp of a faster more frenetic pace of life dominated by machines technology and urban culture Baseball too was evolving from the dead ball to the live ball era the cork centered ball was introduced in 1910 and structurally changed not only the outcome of individual games but the way the game itself was played requiring upgraded equipment new rules and new ways of adjudicating Changing performance also changed the relationship between management and players The Giants had two stars the brilliant manager John McGraw and aging pitcher Christy Mathewson and memorable characters such as Rube Marquard and Fred Snodgrass yet their speed and tenacity led to three pennants in a row starting in 1911 *Stealing Games* gives a great team its due and underscores once more the rich connection between sports and culture

The American Angler William Charles Harris, 1887
