Brownies and Bogles Louise Imogen Guiney,Edmund H. Garrett,2024-11-24 A FAIRY is a humorous person sadly out of fashion at pre sent who has had nevertheless in the actors phrase a long and prosperous run on this planet When we speak of fairies nowadays we think only of small sprites who live in a kingdom of their own with manners laws and privileges very different from ours But there was a time when fairy suggested also the knights and ladies of romance about whom fine spirited tales were told when the world was younger Spenser s Faery Queen for instance deals with dream people beautiful and brave as do the old stories of Arthur and Roland people who either never lived or who having lived were glorified and magnified by tradition out of all kinship with common men Our fairies are fairies in the modern sense We will make it a rule from the beginning that they must be small and we will put out any who are above the regulation height Such as the charming famous MELUSINA who wails upon her tower at the death of a LUSIGNAN we may as well skip for she is a tall young lady with a serpent s tail to boot and thus alas half monster for if we

should accept any like her in our plan there is no reason why we should not get confused among MERMAIDS and DRYADS and perhaps end by scoring down great JUNO herself as a fairy Many a DWARF and GOBLIN whom we shall meet ANON is as big as a child ELF and GOBLIN too are interesting to trace There was a great Italian feud in the twelfth century between the German Emperor and the Pope whose separate partisans were known as the GUELFs and the GHIBELLINES As time went on and the memory of that long strife was still fresh a descendant of the Guelfs would put upon anybody he disliked the odious name of Ghibelline and the latter generation after generation would return the compliment ardently in his own fashion Both terms finally came to be mere catch words for abuse and reproach And the fairies falling into disfavor with some bold mortals were angrily nicknamed elf and goblin in which shape you will recognize the last threadbare reminder of the once bitter and historic faction of Guelf and Ghibelline
