Snow Comes To The Farm:

Snow Comes to the Farm Nathaniel Tripp, 2002 Winter had come The bare trees and grey hills said so The frozen ground and ice on the pond said so A day comes after the leaves have fallen and the wild geese have left for warmer places when the air holds its breath still and full of expectation Snow is coming and soon farmland and forest ground and sky will be transformed This story of two brothers waiting and watching in the owl woods for the first snow of winter is told with quiet drama and grace and illustrated with paintings of astonishing beauty Moidl Hermann Egger, 2024-11-14 Moidl is a farmer's daughter from the Hohenhauser Farm in Hintertux in the Zillertal region of Tyrol Her close bonds with her family and the farm are her lifeblood and the various blows they are dealt by fate only serve to make these ties stronger She remains unmarried labouring day after day from early morning to late at night on the farm At a market she comes across Hermann an orphan of only twelve years of age who is desperately seeking a job in order to survive and is passed around like an unwanted animal Out of pity and because they can always use an extra pair of hands on the Hohenhauser farm Moidl takes the boy home with her where he shows himself to be a hard worker and is soon a great help to the farmer Thomas and to Moidl herself When Thomas dies Moidl has to take over the farm at the age of 76 And soon the question is who will run the farm in the future For Moidl and her ancestors one thing was always clear the farm had to remain in the family In this book Hermann Egger tells a heart rending yet gripping and above all authentic story that of his own family **The Book of the Farm** Henry Stephens, 1854 The Book of the Farm Henry Stephens, 2011-01-06 A detailed description and guide to best contemporary farming practice including agriculture dairying and livestock farming first published in 1842 *Minnesota Farmers' Institute Annual* , 1902 **Report** Kansas.
