Cerepaka, 2016-10-30 A thousand years ago the Good King rose and defeated the demons that had oppressed his people for centuries After his final victory he imprisoned the demons deep beneath the earth with a seal that will hold so long as his descendants hold the throne Unfortunately every dynasty comes to an end And as time went on people forgot about the demons treating them as nothing more than scary tales meant to frighten disobedient children And when the last king was killed and left no heir to succeed him the once proud Kingdom of Lamaira splintered into three factions that have fought for decades in their attempt to conquer what is left of the kingdom Without a king on the throne the demons will rise again and destroy the people of Lamaira And when twenty three year old swordsman Keo kills a demon in the woods he realizes that the demons are returning To prevent the demons return Keo must travel to the capital of his country to show the country s rulers the proof of the demons return so they can prepare for the ancient threat Keo must fight robbers demons and other threats on his way to the capital but little does he know that there exists a traitor among the leaders who threatens to
