Soaring Underground A Young Fugitives Life In Nazi Berlin:

Soaring Underground Larry Orbach, Vivien Orbach-Smith, 1996 Orbach's memoir is a stylish and inspiring account of his life in Berlin's underworld of divers where young Jews survived by street smarts and an indomitable spirit which he delicately portrays. After his father is arrested and his mother and sister go into hiding, the young man is left to his own devices, finding company among other survivors who outwit the Nazis in surreal adventures. Finally betrayed by an informer, Orbach is sent to Auschwitz. But as he says himself, he has left that part of his journey for others to tell, concentrating instead on the humanity and faith which he found on Berlin's streets. Distributed by Paul and Company. Unlikely History J. Zipes, L. Morris, 2016-04-30 In the English speaking world, it is generally believed that there are very few Jews living and thriving in Germany. Yet there has been an unlikely postwar history, 1945-2001, that has been somewhat repressed in North America and the United Kingdom. While most people are well informed about the Holocaust and the consequences that this tragic event has had for the world, very few people know that there has been a steady increase in the population of Jews in Germany since 1945 and that there is a flourishing Jewish culture, certainly a relatively strong Jewish presence in Germany today. Does this development mean that Jews are playing a significant role in German social life? Does this mean that the great German Jewish relationship, often referred to as a kind of symbiosis, has re-emerged despite the odds against it? The sixteen essays in this book, written by the leading critics in the field, cover the fascinating changes that have been made in German society since 1945 in the Jewish communities, literature, theater, film, architecture, and other areas of interest, including an examination of the resurgence of anti-Semitism in Austria. For anyone interested in reading about the unpredictable transformations in German Jewish relations since 1945, **Unlikely History** will provide information and insights into a history that needs to be told to bring about greater understanding of Jews and Germans in contemporary Germany.

Living in Two Worlds Else Behrend-Rosenfeld, Siegfried Rosenfeld, 2021-12-16 The personal writings of a remarkable couple who lived parallel lives during the Second World War, surviving persecution and exile.

The Hour of Revenge: Holocaust Survivors and Their Search for Revenge and Retribution Katarzyna Person, Archives, Documentation, and Institutions of Social Memory Francis Xavier Blouin, William G. Rosenberg, 2007-08-02 Essays exploring the importance of archives as artifacts of culture.

Sexuality and German Fascism Dagmar Herzog, 2005 The interrelationship of fascism and sexuality has attracted a great deal of interest for some time now. This collection offers fresh perspectives by leading scholars on the history of sexuality under national socialism on such topics as the persecution of Jewish gentile sex in the race defilement trials, homophobic propaganda, and the prosecution of same-sex activity within the Wehrmacht and SS; representations of female sexuality in film; prostitution on home and battle fronts; sexual relations between Germans and foreign forced laborers; and reproductive practices among Jewish survivors. Moreover, the authors provide new insights into the relationships between Nazi sexual politics and antisemitism and

challenge assumptions of Nazism as sexually repressive instead they emphasize the interrelationships between incitement to sexual activity and persecution and mass murder book jacket *Who Betrayed the Jews?* Agnes Grunwald-Spier, 2017-08-15 A groundbreaking account that examines the various ways Jews were betrayed by their fellow countrymen during the Holocaust

Flight and Concealment Susanna Schrafstetter, 2022-09-06 Between ten thousand and twelve thousand Jews tried to escape Nazi genocide by going into hiding With the help of Jewish and non Jewish relatives friends or people completely unknown to them these U boats as they came to be known dared to lead a life underground Flight and Concealment brings to light their hidden stories Deftly weaving together personal accounts with a broader comparative look at the experiences of Jews throughout Germany historian Susanna Schrafstetter tells the story of the Jews in Munich and Upper Bavaria who fled deportation by going underground Archival sources and interviews with survivors and with the Germans who aided or exploited them reveal a complex often intimate story of hope greed and sometimes betrayal Flight and Concealment shows the options and strategies for survival of those in hiding and their helpers and discusses the ways in which some Germans enriched themselves at the expense of the refugees

Contemporary Responses to the Holocaust Konrad Kwiet, Jürgen Matthäus, 2004-11-30 The murder of six million Jews during the Holocaust is a crime that has had a lasting and massive impact on our time Despite the immense ever increasing body of Holocaust literature and representation no single interpretation can provide definitive answers Shaped by different historical experiences political and national interests our approximations of the Holocaust remain elusive Holocaust responses past present and future reflect our changing understanding of history and the shifting landscapes of memory This book takes stock of the attempts within and across nations to come to terms with the murders Volume editors establish the thematic and conceptual framework within which the various Holocaust responses are being analyzed Specific chapters cover responses in Germany and in Eastern Europe the Holocaust industry Jewish ultra Orthodox reflections and the Jewish intellectuals search for a new Jewish identity Experts comment upon the changes in Christian Jewish relations since the Holocaust the issue of restitution and post 1945 responses to genocide Other topics include Holocaust education Holocaust films and the national memorial landscapes in Germany Poland Israel and the United States

Pack of Thieves Richard Z.
