Judd E. Hollander

Social And Political Thought Of The French Revolution 1788-1797:

Social and Political Thought of the French Revolution, 1788-1797 Marc A. Goldstein, 1997 The French Revolution was the culmination of the preceding three centuries and the inspiration or alternatively the whipping boy of the two centuries that followed This is understandable enough for it was the crucible wherein was forged the ideologies that continue to define political discourse liberalism conservatism democracy communism anarchism nationalism and terrorism all enter the political arena with the Revolution This anthology brings together the texts that cover the spectrum of French revolutionary social and political thought The writings presented range from debates over the rights of man through proposals to equalize the distribution of property in society to efforts to justify privilege and the corporate state The Aftermath of the French Revolution James R. Arnold, 2008-09-01 Examines the causes events and consequences of the French Revolution in the late eighteenth century **The Cambridge Companion to Montesquieu** Keegan Francis Callanan, Sharon Ruth Krause, 2023-03-02 This volume presents Montesquieu as philosopher novelist historian economic thinker empirical political scientist and political theorist **Emmanuel Joseph Sieyès: The Essential Political Writings**, 2014-05-09 Emmanuel Joseph Sieyès occupies a prominent place within the history of political thought He stands at the forefront of both the discourses on human rights and on democratic constitutionalism And yet because of his theory of the constituent power he holds a somewhat ambivalent reputation as an advocate of permanent revolution This state of reception is largely due to the fact that the better part of his work has hitherto not been edited outside of France The edition Emmanuel Joseph Sieyès The Essential Political Writings proposes to fill out this desideratum It seeks to portray Sieyès against the backdrop of an enlarged textual corpus as a moderate proponent of the constitutional State **Life in Revolutionary France** Mette Harder, Jennifer Ngai Heuer, 2020-08-20 The French Revolution brought momentous political social and cultural change Life in Revolutionary France asks how these changes affected everyday lives in urban and rural areas and on an international scale An international cast of distinguished academics and emerging scholars present new research on how people experienced and survived the revolutionary decade with a particular focus on individual and collective agency as discovered through the archival record material culture and the history of emotions It combines innovative work with student friendly essays to offer fresh perspectives on topics such as Political identities and activism Gender race and sexuality Transatlantic responses to war and revolution Local and workplace surveillance and transparency Prison communities and culture Food health and radical medicine Revolutionary childhoods With an easy to navigate three part structure illustrations and primary source excerpts Life in Revolutionary France is the essential text for approaching the experiences of those who lived through one of the most turbulent times in world history *The Anatomy of Revolution Revisited* Bailey Stone, 2014 This study aims to update a classic of comparative revolutionary analysis Crane Brinton's 1938 study The Anatomy of Revolution It invokes the latest research and theoretical writing in history political science and

political sociology to compare and contrast in their successive phases the English Revolution of 1640-60 the French Revolution of 1789-99 and the Russian Revolution of 1917-29 This book intends to do what no other comparative analysis of revolutionary change has yet adequately done It not only progresses beyond Marxian socioeconomic class analysis and early revisionist stresses on short term accidental factors involved in revolutionary causation and process it also finds ways to reconcile state centered structuralist accounts of the three major European revolutions with postmodernist explanations of those upheavals that play up the centrality of human agency revolutionary discourse mentalities ideology and political culture

Political Trials in an Age of Revolutions Michael T. Davis, Emma Macleod, Gordon Pentland, 2018-12-30 This collection provides new insights into the Age of Revolutions focussing on state trials for treason and sedition and expands the sophisticated discussion that has marked the historiography of that period by examining political trials in Britain and the north Atlantic world from the 1790s and into the nineteenth century In the current turbulent period when Western governments are once again grappling with how to balance security and civil liberty against the threat of inflammatory ideas and actions during a period of international political and religious tension it is timely to re-examine the motives dilemmas thinking and actions of governments facing similar problems during the Age of Revolutions The volume begins with a number of essays exploring the cases tried in England and Scotland in 1793-94 and examining those political trials from fresh angles including their implications for legal developments their representation in the press and the emotion and the performances they generated in court Subsequent sections widen the scope of the collection both chronologically through the period up to the Reform Act of 1832 and extending as far as the end of the nineteenth century and geographically to Revolutionary France republican Ireland the United States and Canada These comparative and longue dure approaches will stimulate new debate on the political trials of Georgian Britain and of the north Atlantic world more generally as well as a reassessment of their significance This book deliberately incorporates essays by scholars working within and across a number of different disciplines including Law Literary Studies and Political Science

Montesquieu's Science of Politics Charles de Secondat baron de Montesquieu, 2001 In what constitutes the only English language collection of essays ever dedicated to the analysis of Montesquieu's contributions to political science the contributors review some of the most vexing controversies that have arisen in the interpretation of Montesquieu's thought By paying careful attention to the historical political and philosophical contexts of Montesquieu's ideas the contributors provide fresh readings of *The Spirit of Laws* clarify the goals and ambitions of its author and point out the pertinence of his thinking to the problems of our world today

Radical Republicanism Bruno Leibold, Karma Nabulsi, Stuart Gordon White, 2020 This book aims to retrieve an inclusive understanding of republicanism drawing on a broad spectrum of historical and geographic contexts one with the resources to analyse and challenge the sources of arbitrary power from capitalism to imperialism to patriarchy

The Making of the Citizen-Worker Federico Tomasello, 2023-07-31 Over the course of the 19th century European societies started thinking of

themselves as civilisations of work In the wake of the political and industrial revolutions labour as a human activity and condition gradually came to embody a general principle of order progress and governance How did work become so central to our systems of citizenship and social recognition The book addresses this question by considering the French context in the long transition between the 1789 and 1848 revolutions and focusing on a specific fragment of history in the early 1830s marked by a pandemic crisis and the first consequences of industrialisation It combines the analysis of both political institutions and social movements to retrace the rise of a labour based social contract revolving around the citizen worker as the quintessential subject of rights The first part of the book highlights the role played by the genesis of the modern social sciences and analyses it as a political process that established work as an object of governance and scientific investigation thus fostering pioneering measures of welfare centred on work conditions The second part focuses on the emergence of the concept of working class and the modern labour movement which structured the world of work as a collective political subject Chapter 2 of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Social And Polticial Thought Of The French Revolution 1788 1797 Introduction

In todays digital age, the availability of Social And Polticial Thought Of The French Revolution 1788 1797 books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Social And Polticial Thought Of The French Revolution 1788 1797 books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Social And Polticial Thought Of The French Revolution 1788 1797 books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Social And Polticial Thought Of The French Revolution 1788 1797 versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Social And Polticial Thought Of The French Revolution 1788 1797 books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Social And Polticial Thought Of The French Revolution 1788 1797 books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature,

making it an excellent resource for literature enthusiasts. Another popular platform for Social And Political Thought Of The French Revolution 1788 1797 books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Social And Political Thought Of The French Revolution 1788 1797 books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Social And Political Thought Of The French Revolution 1788 1797 books and manuals for download and embark on your journey of knowledge?
