D. Layder, 2015-12-04 This book explores the nature of intimacy by revealing how the influence of individual interpersonal and wider social factors create variations in self disclosure intimacy games and relationship habits It describes how the dynamics of power and control in relationships give rise either to mutual satisfaction or to the unraveling of intimacy

Theorizing Power Jonathan S. Hearn, 2017-09-16 If we re interested in why society changes and develops and if we want to identify the forces that influence our personal beliefs and choices then we must have an understanding of the nature and scope of human power This distinctively clear text critically evaluates how power is defined conceptualized and theorized

Spanning 500 years of thinking in the field the book examines ideas from classical and contemporary thinkers from Machiavelli to Michael Mann Theories are firmly rooted in their historical context alongside real life examples to explain their relevance to our lives today Theorizing Power highlights the significance of power across all areas of social life including gender religion morality and identity It is the ideal text to stimulate thinking and debate on the subject of power for all students of sociology and politics *Encyclopedia of Identity* Ronald L. Jackson, Michael A. Hogg, 2010-06-29

Alphabetically arranged entries offer a comprehensive overview of the definitions politics manifestations concepts and ideas related to identity *The Art of Helping Others* Heather Smith, Mark K. Smith, 2008 When searching for someone to help them reflect upon and improve their lives people tend to be drawn towards those who are compassionate committed and wise This book is aimed at those who recognise these qualities in themselves and wish to develop their capacity to engage with and help others The authors argue for ways of approaching helping and counselling that are rooted in care and commitment drawing upon the experiences and practice wisdom of youth workers housing support and hostel workers the clergy and those working in a religious setting educators and settlement and community workers They explore the key characteristics of those who counsel and teach and examine aspects of the helping process focusing on living life well knowing and being oneself relating to others and working to make change possible This book will be essential reading for students on professional training programmes in youth work community education ministry social care and counselling **The Familial Occult** Alexandra Coțofană, 2023-11-10 The Familial Occult addresses the presence of occult experiences in some scholars families and how that has affected their epistemological and ontological worlds as well as their identities as scholars Those with backgrounds in the familial occult often experience a series of conflicting relationships and different ways of interacting with binaries such as the subjective and objective a powerful conceptual couple still governing academic thinking While much has been written on encountering the occult in fieldwork or becoming an apprentice in an occult practice little yet has been published in the academic literature about growing up with the occult **Germany and the Modern World, 1880-1914** Mark Hewitson, 2018-07-05 Re assesses Germany's relationship with the wider world before 1914 by examining the connections between nationalism transnationalism imperialism and globalization
