Karen J. Leong, Kathy Nakagawa, Aggie J. Yellow Horse, 2024-07-22 Women's Sexual and Reproductive Health addresses the

structural and intersectional perspective AANHPI women in the United States have often been grouped together due to their
race and gender regardless of their specific communities diverse histories with the United States and different educational
and economic opportunities The authors argue that AANHPI women are misunderstood by health professionals and
researchers and foregrounds AANHPI women's experiences to demonstrate the challenges they face when seeking health
care The book highlights the diversity of AANHPI women by drawing on their first hand experiences and argues for the
disaggregation of health data on AANHPI women Women's Sexual and Reproductive Health is of value to college classrooms
