Tuchman, 2011-07-13 From Barbara W Tuchman Pulitzer Prize winning author of *The Guns of August* comes history through a wide angle lens a fascinating chronicle of Britain's long relationship with Palestine and the Middle East from the ancient world to the twentieth century Historically the British were drawn to the Holy Land for two major reasons first to translate the Bible into English and later to control the road to India and access to the oil of the Middle East With the lucidity and vividness that characterize all her work Barbara W Tuchman follows these twin spiritual and imperial motives the Bible and the sword to their seemingly inevitable endpoint when Britain conquered Palestine at the conclusion of World War I At that moment in a gesture of significance and solemnity the Balfour Declaration of 1917 established a British sponsored mandate for a national home for the Jewish people Throughout this characteristically vivid account Tuchman demonstrates that the seeds of conflict were planted in the Middle East long before the official founding of the modern state of Israel Praise for *Bible and Sword* Tuchman is a wise and witty writer a shrewd observer with a lively command of high drama The
