history that approaches the same standard of excellence that Cardinals fans have come to expect from their team is no small feat but that's precisely what the author of *St Louis Cardinals IQ* has done. This is the must-have Cardinals book of the year. Daniel J. Brush, award-winning author of the Sports by the Numbers series, *The 1934 St. Louis Cardinals* Edited by Charles F. Faber. The 1934 St. Louis Cardinals were one of the most colorful crews ever to play the National Pastime. Sportswriters delighted in assigning nicknames to the players based on their real or imagined qualities. What a cast of characters it was. None was more picturesque than Pepper Martin, the Wild Horse of the Osage who ran the bases with reckless abandon, led his team mates in off the field hi jinks and organized a hillbilly band called the Mississippi Mudcats. He was quite a baseball player, the star of the 1931 World Series and a significant contributor to the 1934 championship. The harmonica player for the Mudcats was the irrepressible Dizzy Dean. Full of braggadocio, Dean delivered on his boasts by winning 30 games in 1934, the last National League hurler to achieve that feat. Dizzy and his brother Paul accounted for all of the Cardinal victories in the 1934 World Series. Some writers tried to pin the moniker Daffy on Paul, but that name didn't fit the younger and much quieter brother. The club's hitters were led by the New Jersey strong boy Joe Ducky Medwick who hated the nickname, preferring to be called Muscles. Presiding over this aggregation was the Fordham Flash, Frankie Frisch. Rounding out the club were worthies bearing such nicknames as Ripper, Leo the Lip, Spud, Kiddo, Pop, Dazzy, Ol' Stubblebeard, Wild Bill, Buster, Chick, Red and Tex. Some of these were aging stars past their prime and others were youngsters on their way up. Together they comprised a championship ball club. The Gas House Gang was the greatest baseball club I ever saw. They thought they could beat any ballclub and they just about could too. When they got on that ballfield they played baseball and they played it to the hilt too. When they slid they slid hard. There was no good fellowship between them and the opposition. They were just good, tough ballplayers. Cardinals infielder Burgess Whitehead on *When It Was A Game* HBO Sports 1991.

Baseball in Saint Louis 1900-1925 Steve Steinberg, 2004. St. Louis was a hotbed of baseball activity in the early 20th century. Two of baseball's great wars played out here: the rise of the American League and the rise and fall of the Federal League. No pennants flew over the city from 1900 to 1925 yet St. Louis teams were involved in a number of torrid pennant races. Here is the heyday of the St. Louis Browns and the emergence of the Cardinals as well as a vibrant scene for semi-pro and black teams. The city had two of the greatest hitters in baseball history, George Sisler and Rogers Hornsby, and one of the game's most influential executives, Branch Rickey. Twenty-one members of the Hall of Fame in Cooperstown played baseball in St. Louis during these years. The author draws on more than 20 photo collections with in-depth looks at an important yet overlooked era and the people who made it come alive. *Congressional Record* United States Congress, 1998. Launius, 2002 The heart of professional baseball if not its roots may be found in the American Midwest especially in Missouri In *Seasons in the Sun* Roger D Launius offers an excellent overview of the teams pennant races trials and triumphs of the different major league teams that have resided in the state over the years Since 1876 when St Louis became a charter member of the newly formed National League there have also been other major league franchises from less well known leagues in St Louis The St Louis major league baseball experience is not limited to the extraordinary success and fame of the Cardinals who have won more World Series championships than any other National League team St Louis also claims the excellent but short lived Brown Stockings the city s first entry into the National League the American League s Browns who spent most of their existence in the first half of the twentieth century at the bottom of the standings the virtually forgotten Terriers of the Federal League in 1914 1915 and the Maroons of the pre twentieth century National League
