

St Patrick

J. B. Bury

St Patrick:

St. Patrick, His Writings and Muirchu's Life Saint Patrick, 1978 Patrick was the founder of the Roman Catholic Church in Ireland He was consecrated bishop and came to Ireland in 432 He stayed in Ireland until his death about 30 years later and was the first Christian to make any substantial number of converts and to leave behind him a lasting organised church

Who was Saint Patrick? E. A. Thompson, 1999 Those who want to know what manner of man Patrick was something about the Roman world in which he originated and the problems he faced among the Irish will find this book helpful and satisfactory Patrick is allowed to emerge from his own accounts And what an impressive figure he was

TABLET Thompson has presented Patrician scholars with some intriguing new hypotheses in a field where hypotheses abound These have the virtue of relying solely on the only reliable source bearing on Patrick namely his own writings

HISTORY Everyone knows of St Patrick but what do we know about him Simply that it was he who converted the Irish to Christianity The strange fact is that for two hundred years or so after his death although his name was remembered with respect everything else about him was forgotten

E A Thompson pieces together the story of his life drawing his evidence from the only real clues that exist Patrick's own writings not from the later Lives He reveals him as coming from a well to do nominally Christian family in Britain being captured by Irish raiders and forced into slavery in Co Mayo converting to a most earnest Christianity and eventually escaping from Ireland to the fulfilment of his calling As a bishop he is shown to have been a man of profound originality and his writings his Confession and his Letter to Coroticus further display his character It is no surprise that a host of legends became attached to his name and the biography is completed with a look at some of those early legends

The Life of St. Patrick and His Place in History J. B. Bury, 2023-12-03 In *The Life of St Patrick and His Place in History* J B Bury offers a scholarly exploration of Ireland's patron saint meticulously tracing the historical and legendary threads that define his life Bury employs a critical analysis of both ecclesiastical texts and contemporary sources weaving a narrative that skillfully balances the spiritual with the historical His prose reflects a clarity and precision typical of early 20th century scholarship emphasizing not only Patrick's missionary work but also the sociopolitical landscape of 5th century Ireland that shaped his actions and legacy

J B Bury known for his erudition and commitment to historical accuracy was a prominent historian who contributed significantly to our understanding of antiquity and early medieval Europe His academic background and keen interest in the intersection of history and myth undoubtedly informed his research on St Patrick as he sought to disentangle fact from legend in a narrative that has been steeped in folklore Bury's findings have become foundational for later studies on the subject showing his dedication to uncovering truth through rigorous scholarship This book is an essential read for anyone interested in the historical roots of Irish identity and the evolution of religious thought in early medieval Europe Bury's thorough investigation not only presents a biography of St Patrick but also offers critical insights into the historical processes that shaped Christianity in Ireland Ideal for historians theologians and lay readers alike

it serves as a cornerstone for understanding the cultural legacy of one of Christianity's most revered figures *The Life of St. Patrick and His Place in History* John Bagnell Bury, 2014-02-02 Hardcover reprint of the original 1905 edition beautifully bound in brown cloth covers featuring titles stamped in gold 8vo 6x9 No adjustments have been made to the original text giving readers the full antiquarian experience For quality purposes all text and images are printed as black and white This item is printed on demand Book Information Bury J B John Bagnell The Life of St Patrick And His Place In History Indiana Repressed Publishing LLC 2012 Original Publishing Bury J B John Bagnell The Life of St Patrick And His Place In History London New York The Macmillan And Co Limited 1905 Subject Patrick Saint 373 463 *St. Patrick, Apostle of Ireland* ,1911
