Wright, 2005-11-01 For the pastor or serious layperson the realm of biblical interpretation can be a confusing maze of personalities communities methods and theories This maze can often result in obscuring the main goal of interpreting Scripture hearing and knowing God better The Dictionary for Theological Interpretation of the Bible is a groundbreaking reference tool that introduces readers to key names theories and concepts in the field of biblical interpretation It discusses these approaches and evaluates their helpfulness in enabling Christians to hear what God is saying to the church through Scripture The contributors come from a variety of backgrounds and the dictionary covers a broad range of topics with both clarity and depth

Connolly, 1998 In an alphabetical presentation key figures and events are re evaluated in the light of recent research while emerging areas of scholarship such as women s history and public health are discussed in depth Jacket Religious Identity and Cultural Negotiation Jenny McGill, 2016-07-22 Given increasing global migration and the importance of positive cross cultural relations across national borders this book offers an interdisciplinary and intercultural exploration of identity formation It uniquely draws from theology psychology and sociology engaging narrative and identity theories migration and identity studies and the theologies of identity and migration and builds on them in an unprecedented study of international migrants to construct an initial theology of Christian identity in migration New sociological research describes the social construction of religious ethnic and national identities among non North American evangelical graduates who entered the United States to pursue advanced academic studies from 1983 to 2013 It provides an intercultural account of Christian identity formation in the context of migration transnationalism and globalization It ultimately argues that an integral component of Christian identity making involves the concept of migration of movement toward a transformation

The British National Bibliography Arthur James Wells, 1993 **Perspectives in Pentecostal Eschatologies** Peter Althouse, Robby Waddell, 2010-09-08 During the mid twentieth century Pentecostal theology was co opted by fundamentalism and its dispensational brand of millennial eschatology Fundamentalist dispensationalism not only reinterpreted the original Pentecostal vision of the latter rain outpouring of the Spirit in the last days but undercut its raison d etre as a people empowered by the Spirit of Pentecost to participate in the kingdom of God Yet eschatology is much broader than twentieth century dispensationalism and Pentecostal eschatology is diverse reflecting the diversity of Pentecostal and Charismatic spiritualities There is no one Pentecostal eschatology but many Pentecostal eschatologies This collection of essays from established scholars and rising stars offers fresh perspectives in eschatology for the Pentecostal and Charismatic movements The fresh readings of eschatology in this volume are valuable because they demonstrate that Pentecostals no longer need to look to others to interpret their theology

for them but can stand as scholars and thinkers in their own right *The Publishers' Trade List Annual* ,1917 The Cambridge Companion to St Paul James D. G. Dunn,2003-10-16 The apostle Paul has been justifiably described as the first and greatest Christian theologian His letters were among the earliest documents to be included in the New Testament and as such they shaped Christian thinking from the beginning As a missionary theologian and pastor Paul s own wrestling with theological and ethical questions of his day is paradigmatic for Christian theology not least for Christianity s own identity and continuing relationship with Judaism The Cambridge Companion to St Paul provides an important assessment of this apostle and a fresh appreciation of his continuing significance today With eighteen chapters written by a team of leading international specialists on Paul the Companion provides a sympathetic and critical overview of the apostle covering his life and work his letters and his theology The volume will provide an invaluable starting point and helpful cross check for subsequent studies *Religious and Theological Abstracts* ,1976 The Churchman ,1879 **The Athenaeum** ,1910 Athenaeum and Literary Chronicle ,1859 The Athenaeum James Silk Buckingham,John Sterling,Frederick Denison Maurice,Henry Stebbing,Charles Wentworth Dilke,Thomas Kibble Hervey,William Hepworth Dixon,Norman Maccoll,Vernon Horace Rendall,John Middleton Murry,1865 **Arts & Humanities Citation Index** ,1998 *The Education Index* ,1979 *The International Who's who* H.
