Enlightening Encounters Giorgia Alu, Nancy Pedri, 2015-01-15 *Enlightening Encounters* traces the impact of photography on Italian literature from the medium's invention in 1839 to the present day. Investigating the ways in which Italian literature has responded to photographic practice and aesthetics, the contributors use a wide range of theoretical perspectives to examine a variety of canonical and non-canonical authors and a broad selection of literary genres including fiction, autobiography, photo texts, and migration literature. The first collection in English to focus on photography's reciprocal relationship to Italian literature, *Enlightening Encounters* represents an important resource for a number of fields including Italian studies, literary studies, visual studies, and cultural studies.

A Fictional Inquiry Daniele Del Giudice, 2025-10-28 A metaphysical detective story and a modern Italian classic. A strange and ambiguous novel and a brilliant meditation on the mysteries that inform literature. Mark Haber, author of *Saint Sebastian's Abyss* and *Reinhardt's Garden*. This haunting novel was championed by acclaimed Italian author Italo Calvino who called it a very simple book straightforward to read but at the same time possessing great depth and extraordinary quality. First published in 1983 and never before translated into English. *A Fictional Inquiry* tells of an unnamed narrator visiting Trieste and London to retrace the footsteps of a fabled literary figure. The narrator is intrigued by the elusive long dead man of letters whose career proved decisive to the culture of his native Italy despite his apparently never having written a line. There are encounters with those who once loved him, walks along the streets he frequented and visits to his favored cafés, bookstores, and a library in search of an answer. Why did he leave no written trace? In the end, as Italo Calvino wrote when this book originally appeared in Italian, who the legendary author *manqu* actually was is beside the point. What really matters are the questions and the disquiet running through these luminous pages, the dialectic between literature and life playing out just below the surface. *A Fictional Inquiry* which includes notes from both Calvino and translator Anne Milano Appel is a gem of unparalleled writing appearing in English for the first time.
