Stag Line:

Cassell's Dictionary of Slang Jonathon Green, 2005 With its unparalleled coverage of English slang of all types from 18th century cant to contemporary gay slang and its uncluttered editorial apparatus Cassell's Dictionary of Slang was warmly received when its first edition appeared in 1998 Brilliant said Mark Lawson on BBC2's The Late Review This is a terrific piece of work learned entertaining funny stimulating said Jonathan Meades in The Evening Standard But now the world's best single volume dictionary of English slang is about to get even better Jonathon Green has spent the last seven years on a vast project to research in depth the English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible This has entailed trawling through more than 4000 books plus song lyrics TV and movie scripts and many newspapers and magazines for relevant material The research has thrown up some fascinating results Dirt, Undress, and Difference Adeline Masquelier, 2005-12-20 A magnificent volume It offers brand new perspectives on body politics and identity or subjectivity formation in the post colonial world Dorothy Ko Barnard College While there is widespread interest in dress and hygiene as vehicles of cultural moral and political value little scholarly attention has been paid to cross cultural understandings of dirt and undress despite their equally important role in the fashioning of identity and difference The essays in this absorbing and thought provoking collection contribute new insights into the neglected topics of bodily treatments and transgressions In detailed ethnographic studies from around the world the contributors recast assumptions about filth and nakedness exploring how various forms of transgression associated with the body's surface are drawn up into relations of power and inequality They demonstrate imaginatively how body surfaces are powerfully mobilized in the making and unmaking of moral worlds **Men's wear. [semi-monthly]**, 1910 *Chitty on Contracts, 31st edition volumes 1 & 2*, *Great Depression and the Middle Class* Mary C. McComb, 2013-09-13 Great Depression and the Middle Class Experts Collegiate Youth and Business Ideology 1929 1941 explores how middle class college students navigated the rocky terrain of Depression era culture job market dating marketplace prospective marriage prospects and college campuses by using expert penned advice and business ideology to make sense of their situation Fordham College Monthly, 1920 The Haberdasher, 1925 Auntie Mame Patrick Dennis, 2002-02-05 With a wit as sharp as a vodka stinger and a heart as free as her spirit Auntie Mame burst onto the literary scene in 1955 and today remains one of the most unforgettable characters in contemporary fiction Wildly successful when it was first published in 1955 Patrick Dennis Auntie Mame sold over two million copies and stayed put on the New York Times bestseller list for 112 weeks It was made into a play a Broadway and a Hollywood musical and a fabulous movie starring Rosalind Russell Since then Mame has taken her rightful place in the pantheon of Great and Important People as the world's most beloved madcap devastatingly sophisticated and glamorous aunt She is impossible to resist and this hilarious story of an orphaned ten year old boy sent to live with his aunt is as delicious a read in the twenty first century as it was in the 1950s Follow the rollicking adventures of this unflappable

flapper as seen through the wide eyes of her young impressionable nephew and discover anew or for the first time why Mame has made the world a more wonderful place Outrageous hilarious ribald sophisticated slapsatiric The Denver Post

The Last Train to Heaven D. R. Hintz, 2011-08-17 THE LAST TRAIN TO HEAVEN is a story for kids from teens to 99 Like a slow starting train leaving the station the story accelerates to an earth shattering conclusion Justin Mann is graduating from High School Events have guaranteed that to say the least this will be memorable event He has no idea that events put in motion on the other side of the world will dictate the outcome of this special evening Vassily Provotich and three of his friends have been recruited into an extremely secretive project They were only told that the task they are about to complete was essential to saving the Russian space program How will four graduate engineering students and a prophet of doom contribute to this otherwise seemingly innocuous night and how many of Justins friends will actually get to ride that last train to heaven What will Justin do when he discovers that the old saying Seeing is believing is backwards **Supreme Court Reports** Cape of Good Hope (Colony). Supreme Court, 1907 Cases Decided in the Supreme Court of the Cape of Good Hope During the Years 1880-?-1909 ... Cape of Good Hope. Supreme Court, Sir Henry Hubert Juta, Clarkson Henry Tredgold, W. Porter Buchanan, Frederick George Gardiner, Alexander Fraser Russell, P. S. Twentymen-Jones, H. C. Payne, Basil Kellett Long, Gerard Molyneux Swift, 1907 Tramp Ships Roy Fenton, 2013-11-13 With 300 stunning photographs this pictorial history of tramp trade ships illustrates the evolution of these charming itinerant merchant vessels The tramp ship was the taxi of the seas With no regular schedules it voyaged anywhere and everywhere picking up and dropping off cargoes mainly bulk cargoes such as coal grain timber china clay and oil Older and slower vessels tended to find their way into this trade hence the tag tramp but new tramps were also built for the purpose In this beautiful volume featuring 300 photographs Roy Fenton illustrates the Tramp Ship s evolution over the course of more than 100 years from the 1860s when the steam tramp developed from the screw collier until it was largely replaced by the specialist bulk carrier in the 1980s Fenton offers fascinating background information on the design and building of tramps He describes the machinery from simple triple expansion turbines to diesel engines Their operation and management and the life of the officers and crews are also covered This illustrated history journeys through the last years of the 19th century the two world wars and the postwar years Photo captions provide each ship s dimensions owners and builder Each ship s career is outlined with notes on trades and how they changed over a ship s lifetime *George, Being George* Nelson W. Aldrich, 2009-10-27 Contributors include Harold Bloom Jules Feiffer John Guare Norman Mailer Peter Matthiessen Maggie Paley Richard Price James Salter Robert Silvers William Styron Gay Talese Calvin Trillin Gore Vidal and 200 other Plimpton intimates Norman Mailer said that George Plimpton was the best loved man in New York This book is the party that was George s life and it s a big one attended by scores of famous people as well as lesser known intimates and acquaintances They talk about his life its privileged beginnings its wild and triumphant middle its brave sad end They say that George was a man of many parts the last gentleman founder and first

editor of The Paris Review the graceful writer who brought the New Journalism to sports and Everyman's proxy boxer trapeze artist stand up comic Western movie villain and Playboy centerfold photographer George's last years were awesome truly so His greatest gift was to be a blessing to others not all truth be told and that gift ended only with his death But his parties if this is one need never end at all For the Love of Strangers Brenda Niskala,2010 **Using International Law in Domestic Courts** Shaheed Fatima KC,2005-10-04 International law is increasingly referred to and utilised in English courts in fields as diverse as criminal proceedings children's rights tort law and asylum cases Despite this use there is currently no book on the market whether a practitioner text or otherwise which addresses this subject matter in detail Hence the need for this book by a practitioner and for practitioners regardless of their specialist area of practice on how international law is and can be used in the domestic courts The book presents in a distilled format the relevant principles of law and their application in this area and provides a guide to relevant international instruments and the ways in which these instruments have been referred to or used in English courts While the emphasis is on stating the law as it is the author also identifies the principles which are likely to guide practitioners in an otherwise unstructured area supported by specific examples which will provide a subject guide to relevant instruments and sources and how they can be used

International Trade Law Indira Carr,Peter Stone,2017-11-22 International Trade Law offers a clear overview of the complexities of an international sale transaction through informed analysis of case law legislation and international conventions and rules Fully updated with changes to the law and new directions in legal debate this new edition considers Standard trade terms including INCOTERMS 2010 the Convention on International Sales of Goods 1980 and the UNIDROIT Principles for International Commercial Contracts E Commerce issues including electronic bills of lading Insurance and payment mechanisms such as letters of credit and the UCP 600 International transportation of cargo including the Rotterdam Rules Dispute resolution including jurisdiction applicable law arbitration and mediation with particular reference to the relevant EU regulations and the developing case law thereon Corruption and anti corruption conventions including the UK Bribery Act 2010 and developments relating to deferred prosecution agreements In addition to clarifying a range of topics through tables and diagrams the book directs readers to relevant further reading and online resources throughout offering students an accessible resource to this often challenging area of the law **Re-inventing the Ship** Don Leggett,2016-04-08 Ships have histories that are interwoven with the human fabric of the maritime world In the long nineteenth century these histories revolved around the re-invention of these once familiar objects in a period in which Britain became a major maritime power This multi-disciplinary volume deploys different historical geographical cultural and literary perspectives to examine this transformation and to offer a series of interconnected considerations of maritime technology and culture in a period of significant and lasting change Its ten authors reveal the processes involved through the eyes and hands of a range of actors including naval architects dockyard workers commercial shipowners and Navy officers By locating the ship's re

invention within the contexts of builders owners and users they illustrate the ways in which material elements as well as scientific artisan and seafaring ideas and practices were bound together in the construction of ships complex identities

The New Yorker, 1925 **The Meaning of a Good Safe Port and Berth in a Modern Shipping World** Andrei Kharchanka, 2014 Sailing from one port to another in order to deliver goods is one of the main purposes of any commercial maritime adventure Although most of the ports in the world have some kind of navigational history and are described in detail on maps groundings delays and other accidents still occur to vessels With the growing complexity of vessels and the increasing cost of their operation the amount of damages that the shipowner can suffer by delaying a vessel due to congestion or repairs can be significant The issue of safe ports and berths naturally stems from the vessel s operation This dissertation delineates a meaning of safe ports and berth under English and American law discusses a standard of culpability of the parties and sets benchmarks on physical political administrative and ecological safety A standard of liability of the parties responsible for nomination of the port is explained in detail Under English law it is a warranty of the charterers that encompasses strict liability for nomination of an unsafe port American law provides two approaches one of a warranty given by the charterers another of a duty of due diligence of the charterers in selecting a port Physical political administrative and environmental conditions of the port are discussed with examples of court s decisions and arbitration awards The dissertation concludes with a proposal that the due diligence approach will best reflect the modern realities of the shipping world The Evolving Law and Practice of Voyage Charterparties Rhidian Thomas, 2020-11-25 This addition to the Maritime and Transport Law Library looks at voyage charterparty contracts and addresses complex legal and practical issues arising out of them and their relationship with bills of lading and international sale contracts It offers insightful discussion on other distinctive features of voyage charterparties such as deviation laytime and demurrage seaworthiness and cancellation clauses and on the recent case law developments in jurisdiction and arbitration clauses in voyage charterparty contracts
