STAKING A CLAIM

JAKE SIMMONS, JR.

AND THE MAKING OF

AN AFRICAN-AMERICAN

OIL DYNASTY

"Tells of what
seldom gets told:
black achievement
in mainstream America."

— Earl Caldwell,
New York Daily News

JONATHAN GREENBERG

Staking A Claim Jake Simmons Jr And The Making Of An African American Oil Dynasty

Lalita Tademy

Staking A Claim Jake Simmons Jr And The Making Of An African American Oil Dynasty:

Staking a Claim Jonathan D. Greenberg, 1990 Traces the life and career of the oil man discusses his role as an intermediary in Africa and describes his civil rights work Staking a Claim Jonathan Greenberg, 2017-09-15 From the post Reconstruction period to the modern civil rights era nearly a century of state sanctioned economic subjugation created what many regard as a permanent black underclass in America What would have happened had freed slaves truly been enfranchised into the political and economic system after the Civil War Staking a Claim the life of Jake Simmons Jr the international tycoon who was the most successful African American in the history of the oil industry affords us a rare perspective on this question Simmons s great grandfather Cow Tom a slave interpreter to a Creek Indian rose to become the first black chief of a Native American tribe This was in Indian Territory which later became Oklahoma where blacks were able to secure rights denied them in the white controlled states Cow Tom passed on a unique legacy of independence and entrepreneurial spirit that gelled in Jake His resolve strengthened by his studies with Booker T Washington Jake took a series of calculated risks that allowed him to accomplish what would have seemed impossible to many and become enormously rich at it He began by brokering oil leases for black landowners who had formerly been cheated by white drillers in Oklahoma and Texas Expanding his operations into postcolonial Africa he negotiated amiably where America s multinational oil giants feared to tread winning enormous concessions while earning the goodwill of African leaders As a political power broker Jake Simmons was no less impressive He remained throughout his life what he called a crusader for human dignity In 1938 he brought one of the first school desegregation cases to the Supreme Court It was said that while he served as the head of Oklahoma s NAACP his opinion held sway over ten thousand voters White politicians across the South vied for his support He asked his sons How the hell can a black man stay in bed in the morning when white men rule the world and he lived by those words African American: Readings in History and Identity Al Smith, 2000 **Anointed with Oil** Darren Dochuk, 2019-06-04 A groundbreaking new history of the United States showing how Christian faith and the pursuit of petroleum fueled America s rise to global power and shaped today s political clashes Anointed with Oil places religion and oil at the center of American history As prize winning historian Darren Dochuk reveals from the earliest discovery of oil in America during the Civil War citizens saw oil as the nation s special blessing and its peculiar burden the source of its prophetic mission in the world Over the century that followed and down to the present day the oil industry s leaders and its ordinary workers together fundamentally transformed American religion business and politics boosting America s ascent as the preeminent global power giving shape to modern evangelical Christianity fueling the rise of the Republican Right and setting the terms for today s political and environmental debates Ranging from the Civil War to the present from West Texas to Saudi Arabia to the Alberta Tar Sands and from oil patch boomtowns to the White House this is a sweeping magisterial book that transforms how we understand our nation s history Staking a Claim Jonathan D. Greenberg, 1990 **The**

Inner City Thomas D. Boston, Catherine Ross, 2017-07-12 Michael Porter has argued that a sustainable economic base can be created in the inner city only if it has been created elsewhere through private for profit initiatives and investment based on economic self interest and genuine competitive advantage not through artificial inducements charity or government Porter's ideas have prompted endorsement as well as criticism More importantly they have inspired a search for new solutions to inner city distress as well as a reassessment of current approaches The Inner City defines a core debate in the United States over the future of a racially divided urban America It is of inestimable importance to policy analysts government officials African American studies scholars urban studies specialists sociologists and all those concerned with inner city revitalization

Encyclopedia of African American Business History Juliet E. K. Walker, 1999-11-30 Black business activity has been sustained in America for almost four centuries From the marketing and trading activities of African slaves in Colonial America to the rise of 20th century black corporate America African American participation in self employed economic activities has been a persistent theme in the black experience Yet unlike other topics in African American history the study of black business has been limited General reference sources on the black experience with their emphasis on social cultural and political life provide little information on topics related to the history of black business This invaluable encyclopedia is the only reference source providing information on the broad range of topics that illuminate black business history Providing readily accessible information on the black business experience the encyclopedia provides an overview of black business activities and underscores the existence of a historic tradition of black American business participation Entries range from biographies of black business people to overview surveys of business activities from the 1600s to the 1990s including slave and free black business activities and the Black Wallstreet to coverage of black women's business activities and discussions of such African American specific industries as catering funeral enterprises insurance and hair care and cosmetic products Also there are entries on blacks in the automotive parts industry black investment banks black companies listed on the stock market blacks and corporate America civil rights and black business and black athletes and business activities *Freedom's Racial Frontier* Herbert G. Ruffin, Dwayne A. Mack, 2018-03-15 Between 1940 and 2010 the black population of the American West grew from 710 400 to 7 million With that explosive growth has come a burgeoning interest in the history of the African American West an interest reflected in the remarkable range and depth of the works collected in *Freedom's Racial Frontier* Editors Herbert G Ruffin II and Dwayne A Mack have gathered established and emerging scholars in the field to create an anthology that links past current and future generations of African American West scholarship The volume's sixteen chapters address the African American experience within the framework of the West as a multicultural frontier The result is a fresh perspective on western U S history centered on the significance of African American life culture and social justice in almost every trans Mississippi state Examining and interpreting the twentieth century while mindful of events and developments since 2000 the contributors focus on community formation cultural diversity civil rights and black empowerment and artistic

creativity and identity Reflecting the dynamic evolution of new approaches and new sites of knowledge in the field of western history the authors consider its interconnections with fields such as cultural studies literature and sociology Some essays deal with familiar places while others look at understudied sites such as Albuquerque Oahu and Las Vegas Nevada By examining black suburbanization the Information Age and gentrification in the urban West several authors conceive of a Third Great Migration of African Americans to and within the West The West revealed in Freedom s Racial Frontier is a place where black Americans have fought and continue to fight to make their idea of freedom live up to their expectations of equality a place where freedom is still a frontier for most persons of African heritage

Entrepreneurship and Self-Help among Black Americans John Sibley Butler,2012-02-01 Since its publication in 1991 Entrepreneurship and Self Help among Black Americans has become a classic work influencing the study of entrepreneurship and more importantly revitalizing a research tradition that places new ventures at the very center of success for black Americans This revised edition updates and enhances the work by bringing it into the twenty first century John Sibley Butler traces the development of black enterprises and other community organizations among black Americans from before the Civil War to the present He compares these efforts to other strong traditions of self help among groups such as Japanese Americans Jewish Americans Greek Americans and exciting new research on the Amish and the Pakistani He also explores how higher education is already a valued tradition among black self help groups such that today their offspring are more likely to be third and fourth generation college graduates Butler effectively challenges the myth that nothing can be done to salvage America s underclass without a massive infusion of public dollars and offers a fresh perspective on those community based organizations and individuals who act to solve local social and economic problems

Citizens Creek Lalita Tademy,2014-11-04 The New York Times bestselling author of the Oprah Book Club Pick Cane River brings us the evocative story of a once enslaved man who buys his freedom after serving as a translator during the American Indian Wars and his granddaughter who sustains his legacy of courage Cow Tom born into slavery in Alabama in 1810 and sold to a Creek Indian chief before his tenth birthday possessed an extraordinary gift the ability to master languages As the new country developed westward and Indians settlers and blacks came into constant contact Cow Tom became a key translator for his Creek master and was hired out to US military generals His talent earned him money but would it also grant him freedom And what would become of him and his family in the aftermath of the Civil War and the Indian Removal westward Cow Tom s legacy lives on especially in the courageous spirit of his granddaughter Rose She rises to leadership of the family as they struggle against political and societal hostility intent on keeping blacks and Indians oppressed But through it all her grandfather s indelible mark of courage inspires her in mind in spirit and in a family legacy that never dies Written in two parts portraying the parallel lives of Cow Tom and Rose Citizens Creek is a beautifully rendered novel that takes the reader deep into a little known chapter of American history It is a breathtaking tale of identity community family and above all the power of an

individuals will to make a difference *The World's Richest Indian* Tanis C. Thorne, 2003-10-09 In 1911 a self trained geologist and oil speculator named Tom Slick arrived in Creek County Oklahoma convinced that under the ground beneath his feet lay an ocean of black gold Within a year his instincts proved correct as he opened up what was to become the world renowned Cushing Field the source of the best high grade crude west of the Alleghenies **The African American Experience** Arvarh E. Strickland, Robert E. Weems Jr., 2000-11-30 Compared to the early decades of the 20th century when scholarly writing on African Americans was limited to a few titles on slavery Reconstruction and African American migration the last thirty years have witnessed an explosion of works on the African American experience With the Civil Rights and Black Power movements of the 1960s came an increasing demand for the study and teaching of African American history followed by the publication of increasing numbers of titles on African American life and history This volume provides a comprehensive bibliographical and analytical guide to this growing body of literature as well as an analysis of how the study of African Americans has changed *America, History and Life* ,1993 Article abstracts and citations of reviews and dissertations covering the United States and Canada **Paperbound Books in Print** ,1992 *Queen Bess* Doris L. Rich, 2015-03-10 Here is the brief but intense life of Bessie Coleman America's first African American woman aviator Born in 1892 in Atlanta Texas she became known as Queen Bess a barnstormer and flying circus performer who defied the strictures of race sex and society in pursuit of a dream *Earth Sciences History* ,1991 *Library Journal* ,1989 *Kirkus Reviews* ,1989 Adult books are categorized by genre i.e fiction mystery science fiction nonfiction Along with bibliographic information the expected date of publication and the names of literary agents for individual titles are provided Starred reviews serve several functions In the adult section they mark potential bestsellers major promotions book club selections and just very good books in the children's section they denote books of very high quality The unsigned reviews manage to be discerning and sometimes quite critical *Encyclopedia of African American Business* Jessie Smith, 2017-11-27 This two volume set showcases the achievements of African American entrepreneurs and the various businesses that they founded developed or promote as well as the accomplishments of many African American leaders both those whose work is well known and other achievers who have been neglected in history Nearly everyone is familiar with New York City's Wall Street a financial center of the world but much fewer individuals know about the black Wall Streets in Durham and Tulsa where prominent examples of successful African American leaders emerged *Encyclopedia of African American Business* Updated and Revised Edition tells the fascinating story that is the history of African American business providing readers with an inspiring image of the economic power of black people throughout their existence in the United States It continues the historical account of developments in the African American business community and its leaders describing the period from 18th century America to the present day The book describes current business leaders opens a fuller and deeper insight into the topics chosen and includes numerous statistical tables within the text and in a separate section at the back of the book The encyclopedia is

arranged under three broad headings Entry List Topical Entry List and Africa American Business Leaders by Occupation This arrangement introduces readers to the contents of the work and enables them to easily find information about specific individuals topics or occupations The book will appeal to students from high school through graduate school as well as researchers library directors business enterprises and anyone interested in biographical information on African Americans who are business leaders will benefit from the work
