Stalin And Co The Politburo The Men Who Run Russia:

Stalin & Co Walter Duranty, 1949 *Stalin and Co., the Politburo* Walter Duranty, 1979-03-01 **Stalin's Apologist** S. J. Taylor, 2020-02-21

Short unattractive hobbling about Stalin's Moscow on a wooden leg Walter Duranty was an unlikely candidate for the world's most famous foreign correspondent. Yet for almost twenty years his articles filled the front page of *The New York Times* with gripping coverage of the aftermath of the Russian Revolution. A witty engaging impish character with a flamboyant life style he was a Pulitzer Prize winner the individual most credited with helping to win the U.S. recognition for the Soviet regime and the reporter who had predicted the success of the Bolshevik state when all others claimed it was doomed. But as S. J. Taylor reveals in this provocative biography Walter Duranty played a key role in perpetrating some of the greatest lies history has ever known. Stalin's Apologist deftly unfolds the story of this accomplished but sordid and tragic life. Drawing on sources ranging from newspapers to private letters and journals to interviews with such figures as William Shirer and W. Averell Harriman Taylor's vivid narrative unveils a figure driven by ambition whose early success reporting on Bolshevik Russia he was foremost in predicting Stalin's rise to power established his international reputation fed his overconfident contempt for his colleagues and indeed led him to identify with the Soviet dictator. Thus during the great Ukrainian famine of the early 1930s which Stalin engineered to crush millions of peasants who resisted his policies Duranty dismissed other correspondents' reports of mass starvation and though secretly aware of the full scale of the horror effectively reinforced the official cover up of one of history's greatest man-made disasters. Later he took the rigged show trials of Stalin's Great Purges at face value blithely accepting the guilt of the victims. He believed himself the leading expert on the Soviet Union and his faith in his own insight drew him into a downward spiral of distortions and untruths typified by his memorable excuse for Stalin's crimes: You can't make an omelet without breaking eggs. Taylor brilliantly captures the full range of Duranty's astonishing life from his participation in the Satanic orgies of Aleister the Beast Crowley to his dramatic front-line reporting during World War I to his epic womanizing and heavy drug and alcohol abuse. It is the bitter ironic story of a man who had the rare opportunity to bring to light the suffering of the millions of Stalin's victims but remained a prisoner of vanity self-indulgence and success.

Stalinism at War Mark Edele, 2021-09-23

Masterfully told and compellingly reinterpreted *The Moscow Times Stalinism at War* tells the epic story of the Soviet Union in World War Two. Starting with Soviet involvement in the war in Asia and ending with a bloody counter-insurgency in the borderlands of Ukraine Belarus and the Baltics the Soviet Union's war was both considerably longer and more all-encompassing than is sometimes appreciated. Here acclaimed scholar Mark Edele explores the complex experiences of both ordinary and extraordinary citizens Russians and Koreans Ukrainians and Jews Lithuanians and Georgians men and women loyal Stalinists and critics of his regime to reveal how the Soviet Union and leadership of a ruthless dictator propelled Allied victory over Germany and Japan. In doing so Edele weaves together material on the society and culture of the wartime years with high

level politics and unites the military economic and political history of the Soviet Union with broader popular histories from below The result is an engaging intelligent and authoritative account of the Soviet Union from 1937 to 1949 **Soviet Security and Intelligence Organizations 1917-1990** Michael Parrish,1992-01-30 One of the hallmarks of the Soviet system was its heavy reliance on internal and foreign security and intelligence organizations Not surprisingly given the secrecy surrounding Soviet efforts in these areas no biographical reference tools and few bibliographies have been published to date In this context Michael Parrish s work is a unique undertaking In the first section to the volume biographies are provided on some 4 000 officials in senior and mid level positions who had served in Cheka NKVD RFSFR GPU KGB and other organizations Also included are officials of the Committee for State Control formerly Ministry of State Control and before that Commissariat of Workers and Peasants Inspection Prominent political personalities with earlier ties to security services such as N A Bulganin are listed even though such service formed only a brief part of their careers Others listed include party officials such as A A Kuznetsov who at different times served as the Party s watchdog of security organs Also included because of their close association with repression and security organs are members of Stalin s inner circle The second part of the volume is a survey of books in English published between 1917 and 1990 which related to Soviet security and intelligence organizations This is followed by a biographical addendum a glossary of terms and material showing the development of Soviet security organizations No one concerned with current intelligence issues and the role of security organizations in Soviet life can ignore this volume **Soviet Military Power** Army Library (U.S.),1959 **The Communist Revolution** Harold Henry Fisher,1955 *Russia, Tsarist and Communist* Anatole Gregory Mazour,1962 Investigation of the Ukrainian Famine, 1932-1933 United States. Commission on the Ukraine Famine,1988 Debates on Stalinism Mark Edele,2020-06-11 Debates on Stalinism introduces major debates about Stalinism during and after the Cold War Did Stalinism form a system in its own right or was it a mere stage in the overall development of Soviet society Was it an aberration from Leninism or the logical conclusion of Marxism Was its violence the revenge of the Russian past or the result of a revolutionary mindset Was Stalinism the work of a madman or the product of social forces beyond his control The book shows the complexities of historiographical debates where evidence politics personality and biography are strongly entangled Debates on Stalinism allows readers to better understand not only the history of history writing but also contemporary controversies and conflicts in the successor states of the Soviet Union in particular Russia and Ukraine *Molotov: A Biography* D. Watson,2005-08-16 This is the first comprehensive biography of Molotov and reflects the range of sources that have become available to historians since the fall of the USSR It is a commentary on Soviet history Molotov played his part in revolution Civil War Lenin s Russia Stalin s struggle with the oppositions collectivization industrialization the Terror the Great Patriotic War the beginnings of the Cold War and in the Khrushchev era *Stalin's Secret War* Nikolai Tolstoy,1982 **Stalin & Co., the Politburo** Walter Duranty,1940 *Soviet Foreign Policy, 1930-33* J. Haslam,1983-09-01

Trailblazers of the Press Carmen Andraş, Sonia D. Andraş, 2024-12-18 Published as part of EDERA The Ethos of Dialogue and Education streamlining the themes Negotiating between objectivity and stereotypes American correspondents in Romania T3 and Embodying the American Feminine Ethos Renegotiating Romanian Women s Identity from Hollywood to Rockefeller T6 Trailblazers of the Press American War Correspondents in Interwar Romania analyzes the portrayals of Romania shaped by the American war correspondents who visited the country during the interwar era These representations illustrate the cultural and identity negotiation process between the observers and the observed and among the many prevalent identities in this space The historical and political analysis of America s stance towards Romania in the context of the world wars has been thoroughly addressed in both the American and Romanian academia This book emphasizes the historical context of Romanian American relationships and negotiations and the cultural social gender and identity dimensions reflected in the American correspondents representations of significant historical events especially from 1939 to 1940 when they arrived in Romania in considerable numbers Trailblazers of the Press explores a topic often neglected in Romania s historical narrative It highlights the crucial role of American journalists in documenting social cultural and historical events in Romania during World War II within a European context It provides a comprehensive understanding of the Romanian people s cultural and social aspects by offering valuable historical military and diplomatic insights This book challenges the accepted belief regarding the irrelevant influence of the United States in interwar Romania providing significant knowledge for a detailed analysis of the way America portrayed Romania The book aims to remedy the information deficiencies about foreign war correspondence diaries and accounts of those who visited or lived for a time in interwar Romania proving the special American interest in this cultural and identity space Cornel Sigmirean author of *Istoria form rii intelectualit ii rom ne ti din Transilvania i Banat n epoca modern Studen i rom ni la universit i din Europa Central i de Vest* This book analyzes the intricate Romanian American relations in the inter war era through the lenses of American war correspondents in Romania while investigating their diaries memoirs and other testimonies with a view to showing that the evolution of such relations influenced by the US political and economic interests in the region can shed novel light on the inherent power dynamics of the Romanian American exchanges Mariana Ne author of *Once Upon Two Cities A Parallel Between New York City and Bucharest by 1900* This is a must read book for anyone who seeks to understand how American war reporting in interwar Romania negotiated the ebb and flow of information transmission in order to uncover the power dynamics between the two countries Trailblazers of the Press provides a fascinating multidisciplinary account of Romania s diplomatic and cultural exchanges with America which is central to our contemporary history Elena Butoescu author of *Literary Imposture and Eighteenth Century Knowledge Soviet Bibliography* ,1949 *Catholic World* ,1949

Watchdogs of Terror Peter Deriabin, 1984 **Political Leaders and Military Figures of the Second World War** Steven D. Chambers, 1996 This bibliography is a compilation of approximately 3500 English language works by and about the
