Stalin Against The Jews:

Stalin's War Against the Jews Louis Rapoport,1990 In 1952 nine Kremlin doctors all Jews were seized and accused of plotting to poison the Soviet leaders Rapoport s account of the final 14 months of Stalin s life reveals that the so called Doctors Plot was a culminating step in the dictator s lifelong war against the Jews and argues that only Stalin s sudden death in 1953 prevented the unfolding of his own solution to the Jewish problem in the Soviet Union Annotation copyrighted by Book News Inc Portland OR

Stalin and His Hangmen Donald Rayfield,2007-12-18 Stalin did not act alone The mass executions the mock trials the betrayals and purges the jailings and secret torture that ravaged the Soviet Union during the three decades of Stalin s dictatorship were the result of a tight network of trusted henchmen and women spies psychopaths and thugs At the top of this pyramid of terror sat five indispensable hangmen who presided over the various incarnations of Stalin s secret police Now in his harrowing new book Donald Rayfield probes the lives the minds the twisted careers and the unpunished crimes of Stalin s loyal assassins Founded by Feliks Dzierzynski the Cheka the Extraordinary Commission came to life in the

first years of the Russian Revolution Spreading fear in a time of chaos the Cheka proved a perfect instrument for Stalin's ruthless consolidation of power But brutal as it was the Cheka under Dzierzynski was amateurish compared to the well oiled killing machines that succeeded it Genrikh Iagoda's OGPU specialized in political assassination propaganda and the manipulation of foreign intellectuals Later the NKVD recruited a new generation of torturers Starting in 1938 terror mastermind Lavrenti Beria brought violent repression to a new height of ingenuity and sadism As Rayfield shows Stalin and his henchmen worked relentlessly to coerce and suborn leading Soviet intellectuals artists writers lawyers and scientists Maxim Gorky Aleksandr Fadeev Alexei Tolstoi Isaak Babel and Osip Mandelstam were all caught in Stalin's web courted toyed with betrayed and then ruthlessly destroyed In bringing to light the careers personalities relationships and accomplishments of Stalin's key henchmen and their most prominent victims Rayfield creates a chilling drama of the intersection of political fanaticism personal vulnerability and blind lust for power spanning half a century Though Beria lost his power and his life after Stalin's death in 1953 the fundamental methods of the hangmen maintained their grip into the second half of the twentieth century Indeed Rayfield argues the tradition of terror far from disappearing has emerged with renewed vitality under Vladimir Putin Written with grace passion and a dazzling command of the intricacies of Soviet politics and society Stalin and the Hangmen is a devastating indictment of the individuals and ideology that kept Stalin in power

Stalin and War, 1918-1953 David R. Shearer, 2023-09-11 Stalin and War 1918-1953 is the first book to examine the patterns of radicalized internal violence that characterized the Stalinist regime across the whole of the dictator's rule and it is one of the only works to connect patterns of internal violence to the dictator's perceptions of war and foreign threat Discussion focuses on the crisis years 1928-1932-1936-1939 the Great Fatherland War and the last war crisis period 1947-1953 Violent repressions under Stalin were cyclical They peaked and ebbed but in each case they were linked to Stalin's expectation of war and invasion to his perceived need for urgent internal mobilization and to intense foreign policy activity Stalin's behavior in each of these perceived war crises followed a pattern established during the dictator's experience as a military commander in the Russian revolutionary wars and especially during the Polish war in 1919 and 1920 Together these chapters trace a consistent and interconnected logic of war and repression throughout Stalin's political life This book will be of interest to professional scholars of Soviet history twentieth century history and World War II history and it is approachable enough to be appreciated by general readers

The Expulsion of Jews from Communist Poland Anat Plocker, 2022-03-01 In March 1968 against the background of the Six Day War a campaign of antisemitism and anti Zionism swept through Poland The Expulsion of Jews from Communist Poland is the first full length study of the events their precursors and the aftermath of this turbulent period Plocker offers a new framework for understanding how this antisemitic campaign was motivated by a genuine fear of Jewish influence and international power She sheds new light on the internal dynamics of the communist regime in Poland stressing the importance of middle level functionaries whose dislike and fear of

Jews had an unmistakable impact on the evolution of party policy The Expulsion of Jews from Communist Poland examines how Communist Party leader Wladyslaw Gomulka's anti Zionist rhetoric spiraled out of hand and opened up a fraught Pandora's box of old assertions that Jews controlled the Communist Party the revival of nationalist chauvinism and a witch hunt in universities and workplaces that conjured up ugly memories of Nazi Germany **Lenin, Stalin, and Hitler** Robert Gellately, 2009-11-11 A bold new accounting of the great social and political upheavals that enveloped Europe between 1914 and 1945 from the Russian Revolution through the Second World War In Lenin Stalin and Hitler acclaimed historian Robert Gellately focuses on the dominant powers of the time the Soviet Union and Nazi Germany but also analyzes the catastrophe of those years in an effort to uncover its political and ideological nature Arguing that the tragedies endured by Europe were inextricably linked through the dictatorships of Lenin Stalin and Hitler Gellately explains how the pursuit of their utopian ideals turned into dystopian nightmares Dismantling the myth of Lenin as a relatively benevolent precursor to Hitler and Stalin and contrasting the divergent ways that Hitler and Stalin achieved their calamitous goals Gellately creates in Lenin Stalin and Hitler a vital analysis of a critical period in modern history **Jews** Irving M. Russian Intellectual Antisemitism in the Post-Communist Era Vadim Joseph Rossman,2002-01-01 Antisemitism has had a long and complex history in Russian intellectual life and has revived in the post Communist era In their concept of the identity of the Jewish people many academics and other thinkers in Russia continue to cast Jews in a negative or ambivalent role An inherent rivalry exists between Russia and the Jews because Russians have often viewed themselves whether through the lens of atheistic communism or that of the most conservative elements of the Orthodox Church as a chosen people whose destiny is to lead the way to world salvation In this book Vadim Rossman presents the foundations and present influence of intellectual antisemitism in Russia He examines the antisemitic roots of some major trends in Russian intellectual thought that emerged in earlier decades of the twentieth century and are still significant in the post Communist era neo Eurasianism Eurasian historiography National Bolshevism neo Slavophilism National Orthodoxy and various forms of racism Such extreme right wing ideology continues to appeal to a certain segment of the Russian population and seems unlikely to disappear soon Rossman confronts and challenges a range of disturbing sometimes contradictory but often quite sophisticated antisemitic ideas posed by Russian sociologists historians philosophers theologians political analysts anthropologists and literary critics

Stalin's Curse Robert Gellately,2013-03-05 A chilling riveting account based on newly released Russian documentation that reveals Joseph Stalin s true motives and the extent of his enduring commitment to expanding the Soviet empire during

the years in which he seemingly collaborated with Franklin D Roosevelt Winston Churchill and the capitalist West At the Big Three conferences of World War II Joseph Stalin persuasively played the role of a great world leader whose primary concerns lay in international strategy and power politics and not communist ideology Now using recently uncovered documents Robert Gellately conclusively shows that in fact the dictator was biding his time determined to establish Communist regimes across Europe and beyond His actions during those years and the poorly calculated responses to them from the West set in motion what would eventually become the Cold War Exciting deeply engaging and shrewdly perceptive Stalin s Curse is an unprecedented revelation of the sinister machinations of Stalin s Kremlin

Popular Opinion in Stalin's Russia Sarah Rosemary Davies,1997-10-02 Between 1934 and 1941 Stalin unleashed what came to be known as the Great Terror against millions of Soviet citizens The same period also saw the Great Retreat the repudiation of many of the aspirations of the Russian Revolution The response of ordinary Russians to the extraordinary events of this time has been obscure Sarah Davies s study uses NKVD and party reports letters and other evidence to show that despite propaganda and repression dissonant public opinion was not extinguished The people continued to criticise Stalin and the Soviet regime and complain about particular policies The book examines many themes including attitudes towards social and economic policy the terror and the leader cult shedding light on a hugely important part of Russia s social political and cultural history

Robert Rossen Alan Casty,2013-03-13 This book calls for a re evaluation of the films of Robert Rossen Over a 30 year period he was the most accomplished writer and director who was also a longtime member of the Communist Party but his achievement has not been recognized his films have been belittled or ignored his legacy denied Rossen s films reflected his times and the American scene with a dramatic intensity and personal expression unmatched by any other filmmaker of the period The stages of his political journey from idealism about Communism to his rebellion against the Party s betrayal of those ideals influenced the rendering of his concerns and themes the flaws of human nature the complexities of motives the paradoxes of betrayal personal and political Yet Rossen testified against his fellow filmmakers and so his morals and character have been denounced his work diminished as fatally marred by his moral flaws The opposite is true Here is a thorough analysis of each of his 22 films and their place in the developing themes of his body of work It integrates this study of the films with a documented narrative of his relationship to the Party its history and conflicts its duplicities especially the relations of the Party and its followers to the oppressions of the Soviet Union And so it challenges the validity of the conventional wisdom about the moral issues of the blacklist period

The Monopoly On Violence Xun Lin,Dead Writers Club, Violent monopolies have terrorized the planet Hitler Mao Stalin and all of the globe s worst modern psychopaths have relied on the monopoly on violence to steal and murder They massacred millions Many tyrants were inspired by Karl Marx He remains celebrated today China drooled over Marx in the embarrassing video Chinese President Xi Jinping delivers speech on anniversary of Marx s birth 2018 Yes China is humiliated by the same old German who influenced Hitler China is home to the

largest population billions who self identify the same as Hitler SOCIALIST the same way that Marx self identified China s fatal attraction to the dogma of Marx and Hitler was enormous compared to the USA s That is why the books of Marx and Hitler were once considered too incendiary for the general public But Mein Kampf was a bestseller as recently as 2017 Its acclaim grows worldwide It has always been one of Amazon s better selling book titles Hitler and Marx are always trending on the worldwide web Ideas from the Deutschland duo are repeated often on social media and by the mainstream media MSM Hitler s dogma is popular with elected officials Bernie Sanders self identifies the same as Hitler SOCIALIST Alexandria Ocasio Cortez self identifies the same as Hitler too They also admire Marx Other politicians gladly support the same ideas even if they are too dishonest to admit that they are socialists Every election exposes Americans struggling to bring Germany s past into the present MSM polling reports that 70 percent of millennials say they would vote for a candidate who self identifies the same as Hitler 2019 YouGov poll According to another report 60 percent of Millennials age 24 39 support a complete change of our economic system Hitler and Marx were anti bourgeois and advocated revolution Many people long for the same revolutions Germany s two top white male racist political philosophers stay in vogue even though their policies remain a mystery For example the following facts with credit to the archives of the historian Dr Rex Curry will come as news to most readers 1 Hitler and Marx were popular in the USA Two famous American socialists the cousins Edward Bellamy and Francis Bellamy were heavily influenced by Marx The American socialists returned the favor Francis Bellamy created the Pledge of Allegiance to the Flag that produced Nazi salutes and Nazi behavior The Bellamy cousins were American national socialists 2 The classic military salute to the brow also contributed to the creation of the Nazi salute with the right arm extended stiffly 3 The Bellamy cousins promoted socialist schools that imposed segregation by law and taught racism as official policy 4 Hitler and his supporters self identified as socialists by the very word in voluminous speeches and writings The term Socialist appears throughout Mein Kampf as a self description by Hitler 5 Hitler never called himself a Nazi There was no Nazi Germany There was no Nazi Party Those terms are slang to hide how Hitler and his comrades self identified SOCIALIST 6 Hitler never called himself a Fascist That term is misused to hide how Hitler and his comrades self identified SOCIALIST 7 The term Nazi isn t in Mein Kampf nor in Triumph of the Will 8 The term Fascist never appears in Mein Kampf as a self description by Hitler 9 The term swastika never appears in the original Mein Kampf 10 There is no evidence that Hitler ever used the word swastika 11 The symbol that Hitler did use was intended to represent S letter shapes for socialist 12 THE LATEST SWASTIKA DISCOVERIES Hitler s symbol is the reason why Hitler renamed his political party from DAP to NSDAP National Socialist German Workers Party because he needed the word Socialist in his party s name so that Hitler could use swastikas as S letter shaped logos for SOCIALIST as the party s emblem The party s name had to fit in Hitler s socialist branding campaign that used the swastika and many other similar alphabetical symbols including the SS and SA and NSV and VW etc He was selling socialism by selling flags and related merchandise It resembled the advertising campaign of

the American socialist Francis Bellamy The new discovery part includes the fact that the public doesn't know that Hitler's use of the swastika as alphabetical symbolism is a reason why he changed the name of the party adding the word socialist The new discovery is also that it is additional proof that Hitler employed the swastika as alphabetical symbolism of S letter shapes for his socialism The discoveries are from the historian Dr Rex Curry's work 13 ASTONISHING LENIN'S SWASTIKA REVELATION Vladimir Lenin's swastika is exposed herein The impact of Lenin's swastikas was reinforced at that time with additional swastikas on ruble money paper currency The swastika became a symbol of socialism under Lenin Its influence upon Adolf Hitler is explained in this book 14 Hitler altered his own signature to reflect his S shapes for socialism logo branding 15 Mussolini was a long time socialist leader with a socialist background raised by socialists to be a socialist and he joined socialists known as fascio fasci and fascisti 16 Fascism came from a socialist e.g. Mussolini Communism came from a socialist e.g. Marx Fascism and Communism came from socialists 17 German socialists and Soviet socialists partnered for International Socialism in 1939 They launched WWII invading Poland together and continued onward from there killing millions Soviet socialism had signed on for Hitler's Holocaust 18 After Hitler's death Stalin continued the plan he had made with Hitler for Global Socialism Stalin took over the same areas that Hitler had captured He used the same facilities that Hitler had used Hitler's Holocaust never ended Stalin replaced Hitler
