Stalins Silver

Donald Rayfield

Stalins Silver:

The Red Warrior: U.S. Perceptions of Stalin's Strategic Role in the Allied Journey to Victory in The Second World War
Reagan Fancher, 2024-09-24 Through U S President Franklin D Roosevelt s Lend Lease program American leaders sought to keep Joseph Stalin s Red Army in the field and fighting Adolf Hitler s forces in the Second World War from 1941 forward Delivered by the Anglo American Arctic naval convoys overland through the Iranian deserts and mountains and through the skies from Alaska to Siberia this much needed material aid helped Stalin s Red Army to continue fighting and thereby prevented a separate peace with Hitler s Germany and a mechanized repeat of the First World War s Brest Litovsk fiasco Yet Roosevelt and other U S officials due to their severe underestimation of Stalin s character and his rigid and fanatical devotion to exporting Communism at gunpoint gambled incorrectly that they could win the Soviet premier s heart and mind through several excessive wartime aid gestures including the furnishing of atomic bomb materials to the Soviet regime By 1945 American leaders had succeeded in their strategic goal of keeping Stalin and his Red Army in the war and hastening victory but failed in their efforts to purchase the Soviet premier s goodwill and commitment to postwar peace heralding the global Cold War and setting the stage for later U S martial aid programs to those resisting aggression abroad In addition to its primary focus on the American leadership s perceptions of Stalin s strategic importance to the Allied war effort in the Second World War this work also includes a detailed assessment of Roosevelt s Soviet Lend Lease program alongside U S President Ronald Reagan s later support for the Afghan Islamic guerrillas resisting Soviet occupation during the Soviet Afghan War of the 1980s and a comparison of both martial aid programs with Washington s recent revival of Lend Lease aid for the Ukrainian war effort It offers today s American leaders and policymakers a chance to consult the lessons of history and apply them in the present

Stalin's Silver John Beasant, 1995-01-01 On the night of August 28 1944 three torpedoes from the German submarine U 859 sank the American merchant ship USS John Barry in the Arabian sea off the eastern seaboard of Oman The holds of the John Barry contained over 300 million in silver bullion The 7200 ton ship broke into two pieces and sank to a depth of 8500 feet more than one and a half miles

Stalin's Secret War Robert W. Stephan, 2003-12-02 The Soviet German War of 1941 1945 was the most extensive intelligence counterintelligence war in modern history involving the capture torture deportation execution and doubling of tens of thousands of agents most of them Soviet citizens While Russian armies fought furiously to defeat the Wehrmacht Stalin s security services waged an equally ruthless secret war against Hitler s spies as well as against the Soviet population For the first time Robert Stephan now combines declassified U S intelligence documents captured German records and Russian sources including a top secret Soviet history of its intelligence and security services to reveal the magnitude and scope of the brutal but sophisticated Soviet counterintelligence war against Nazi Germany Employing as many as 150 000 trained agents across a 2 400 mile front the Soviets neutralized the majority of the more than 40 000 German agents deployed against them As Stephan shows their combination of Soviet

military deception operations and State Security's defeat of the Abwehr's human intelligence effort had devastating consequences for the German Army in every major battle against the Red army including Moscow Stalingrad Kursk the Belorussian offensive and the Vistula Oder operation Simultaneously Soviet State Security continued to penetrate the world's major intelligence services including those of its allies terrorize its own citizens to prevent spying desertion and real or perceived opposition to the regime and run millions of informants making the USSR a vast prison covering one sixth of the world's surface Stephan discusses all facets of the Soviet counterintelligence effort including the major Soviet radio games used to mislead the Germans operations Monastery Berezino and those that defeated Himmler's Operation Zeppelin He also gives the most comprehensive account to date of the Abwehr's infamous agent Max whose organization allegedly ran an entire network of agents inside the USSR and reveals the reasons for Germany's catastrophic under estimation of Soviet forces by more than one million men during their 1944 summer offensive in Belorussia Richly detailed and epic in scope Stalin's Secret War opens up a previously hidden dimension of World War II

Stalin's Quest for Gold Elena Osokina, 2021-09-15 Stalin's Quest for Gold tells the story of Torgsin a chain of retail shops established in 1930 with the aim of raising the hard currency needed to finance the USSR's ambitious industrialization program At a time of desperate scarcity Torgsin had access to the country's best foodstuffs and goods Initially only foreigners were allowed to shop in Torgsin but the acute demand for hard currency revenues forced Stalin to open Torgsin to Soviet citizens who could exchange tsarist gold coins and objects made of precious metals and gemstones as well as foreign monies for foods and goods in its shops Through her analysis of the large scale state run entrepreneurship represented by Torgsin Elena Osokina highlights the complexity and contradictions of Stalinism Driven by the state's hunger for gold and the people's starvation Torgsin rejected Marxist postulates of the socialist political economy the notorious class approach and the state hard currency monopoly In its pursuit for gold Torgsin advertised in the capitalist West encouraging foreigners to purchase goods for their relatives in the USSR and its seaport shops and restaurants operated semilegally as brothels inducing foreign sailors to spend hard currency for Soviet industrialization Examining Torgsin from multiple perspectives economic expediency state and police surveillance consumerism even interior design and personnel Stalin's Quest for Gold radically transforms the stereotypical view of the Soviet economy and enriches our understanding of everyday life in Stalin's Russia

Stalin's Silver Aulagi Al Sheikh, 1995-11-01

Stalin's Silver Alaulagi A.F. Sheikh, 1995-11-01 *Stalin's Citizens* Serhy Yekelchuk, 2014-08-04 Being a good citizen under Stalin meant taking an active part in political rituals such as elections parades festive meetings political information sessions and subscriptions to state bonds Stalin's Citizens shows how ordinary citizens came to embrace some parts of this everyday Stalinist politics and resist others Weekly World News, 1996-02-13 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site

Stalin's Nose Rory Maclean, 2013-07-15 A Tamworth pig a coffin two aunts a battered Trabant and the fall of Berlin Wall Stalin's Nose is an exceptionally vivid story of a journey from Berlin to Moscow at the end of the Cold War through an eastern Europe divested of fear and free to face its past revealing what life was truly like under totalitarian rule

Stalin's Silver John Beasant, 2000-11-18 August 28 1944 off the coast of Oman in the Arabian Sea three torpedoes fired by German submariners aboard U 859 ram an American merchant ship the USS John Barry The 7200 ton surface vessel carries Saudi silver riyals worth 80 million and another 300 million in silver bullion When the torpedoes strike they tear the John Barry into two pieces delivering the ship and her treasure to a watery grave 8500 feet below sea level For forty five years the wreck lay inaccessible on the ocean floor But in 1989 Skeikh Ahmed Farid al Aulaqi acquired salvage rights and enlisted the help of the French International Maritime Institute and Jean Roux Roux had led an expedition recovering artifacts from the Titanic now he and his team would develop the technology and the technique to permit an operation of deep sea recovery never before deemed possible In Stalin's Silver John Beasant recreates the USS John Barry's fateful voyage and death defying salvage With help from the mission's survivors Beasant resolves a fifty year old mystery Where was the merchant ship taking its precious cargo Stalin's Silver is an exceptional account of politics and intrigue during the Second World War It is also the story of the world's most valuable and mysterious sunken treasure and the men who recovered it

Russia's Life-Saver Albert L. Weeks, 2004-01-29 The United States is a country of machines Without the use of these machines through Lend Lease we would lose this war Josef Stalin 1943 quoted in W Averell Harriman and Elie Abel Special Envoy to Churchill and Stalin 1941 1946 Random House N Y 1975 p 277 The United States shipped more than 12 billion in Lend Lease aid to Stalin's Russia during World War II Materials lent beginning in late 1941 before the Japanese attack on Pearl Harbor included airplanes and tanks locomotives and rails construction materials entire military production assembly lines food and clothing aviation fuel and much else Lend Lease is now recognized by post Soviet Russian historians as essential to the Soviet war effort Wielding many facts and statistics never before published in the U S author Albert L Weeks keenly analyzes the diplomatic rationale for and results of this assistance Russia's Life Saver is a brilliant contribution to the study of U S Soviet relations and its role in World War II

Weekly World News, 1997-09-09 Rooted in the creative success of over 30 years of supermarket tabloid publishing the Weekly World News has been the world's only reliable news source since 1979 The online hub www.weeklyworldnews.com is a leading entertainment news site

Stalin's Letters to Molotov Josef Stalin, 1995-01-01 Between 1925 and 1936 Josef Stalin wrote frequently to his trusted friend and political colleague Viacheslav Molotov The more than 85 letters collected in this volume constitute a unique historical record of Stalin's thinking both personal and political and throw valuable light on the way he controlled the government plotted the overthrow of his enemies and imagined the future Illustrations

Stalin and His Hangmen Donald Rayfield, 2005-03-31 Stalin like Hitler and other tyrants won and held power because he had collaborators hangmen Drawing on newly released archival material

Donald Rayfield gives us a fuller and more colourful picture of Stalin's inner circle than ever before. Stalin was not the sole author of Stalinism. What motivated his chiefs of police Feliks Dzierzynski, Viacheslav Manzhinsky, Genrikh Yagoda, Nikolai Ezhov and Lavrenti Beria? What did they want? What were their relations with the regime and its ruler? How did their upbringing and experience mould them? And how does the terror they create connect with the terror they felt? Stalin and His Hangmen reconstructs the psychological mechanism of a whole regime and what it held together. The extent of the misery caused by Stalin and his Hangmen can be compared in Europe only to that brought about by Hitler and his henchmen. But Stalin's heritage is, if possible, even worse than Hitler's. His rule enslaved three generations, not one. The horror of what he did has not yet been fully understood and his countrymen have not yet found the strength to disavow him. All the more important, then, that this diabolical tale should be told.

Stalin's Music Prize Marina Frolova-Walker, 2016-01-01 Marina Frolova-Walker's fascinating history takes a new look at musical life in Stalin's Soviet Union. The author focuses on the musicians and composers who received Stalin Prizes awarded annually to artists whose work was thought to represent the best in Soviet culture. This revealing study sheds new light on the Communist leader's personal tastes, the lives and careers of those honored, including multiple recipients Prokofiev and Shostakovich, and the elusive artistic concept of Socialist Realism, offering the most comprehensive examination to date of the relationship between music and the Soviet state from 1940 through 1954.

Folklore for Stalin Frank J. Miller, 2020-08-26 After the First Congress of Soviet Writers in 1934, folklore like literature became an instrument of the political propagandist. Folklorists devoted considerable efforts to attending to what purported to be a rebirth of the Russian epic tradition, producing works of pseudofolklore that as often as not featured Joseph Stalin in the hero's role. Miller's account of this curious episode in the history of popular culture and totalitarian politics, and his synopses and translations of classic examples of folklore for Stalin, seek to serve as a resource not only for the study of contemporary folklore but also for the political scientist.

Stalin's Ghost Martin Cruz Smith, 2013-08-15 Don't miss the latest in the Arkady Renko series: **THE SIBERIAN DILEMMA** by Martin Cruz Smith, a novelist that anyone who is serious about their craft views with respect bordering on awe. Val McDermid: Martin Cruz Smith makes tension rise through the page like a shark's fin. Independent: Once the Chief Investigator of the Moscow Militsiya, Arkady Renko is now a pariah of the Prosecutor's Office and has been reduced to investigating reports of late night subway riders seeing the ghost of Joseph Stalin. Part political hocus pocus, part wishful thinking, even the illusion of the bloody dictator has a higher approval rating than Renko. After being left by his lover for a more popular and successful detective, Renko's investigation becomes a jealousy-fuelled quest leading to the barren fields of Tver where millions of soldiers fought and lost their lives. Here scavengers collect bones, weapons, and paraphernalia off the remains of those slain, but there's more to be found than bullets and boots. Praise for Martin Cruz Smith: The story drips with atmosphere and authenticity, a literary triumph. David Young, bestselling author of *Stasi Child*: Smith not only constructs grittily realistic plots, he also has a gift for characterisation of which most thriller

writers can only dream Mail on Sunday Smith was among the first of a new generation of writers who made thrillers literary Guardian Brilliantly worked marvellously written an imaginative triumph Sunday Times A wonderful surprise of a novel William Ryan author of The Constant Soldier *Stalin's Gold* Mark Ellis, 2015-09-03 December 1938 Moscow Josef Stalin has lost some gold He is not a happy man He asks his henchman Beria to track it down September 1940 London Above the city the Battle of Britain rages and the bombs rain down On the streets below DCI Frank Merlin and his officers investigate the sudden disappearance of Polish RAF pilot Ziggy Kilinski while also battling an epidemic of looting unleashed by the chaos and destruction of the Blitz Kilinski's fellow pilots a disgraced Cambridge don Stalin's spies in London members of the Polish government in exile and a ruthless Russian gangster are amongst those caught up in Merlin's enquiries Sweeping from Stalin's Russia to Civil War Spain from Aztec Mexico to pre war Poland and from Hitler's Berlin to Churchill's London a compelling story of treasure grand larceny treachery torture and murder unfolds Eventually as Hitler reluctantly accepts that the defiance of the RAF has destroyed his chances of invasion for the moment a violent shoot out in Hampstead leads Merlin to the final truth and Stalin to his gold Stalin's Gold is the latest in the Frank Merlin Series and follows on from Princes Gate Matador 2011 ANDREW ROBERTS BESTSELLING HISTORIAN Mark Ellis shows masterly form as he weaves a compelling narrative around the investigations of the quietly heroic Frank Merlin one of the most attractive characters to emerge in recent detective thriller fiction As an historian I can attest to Ellis's impressive accuracy in his fine descriptions of Blitz hit London of 1940 41 MILO S RAMBLES Atmospheric and wonderfully written Another gripping tale from a talented author EURO CRIME The characters are all very richly drawn and I was reminded of the Inspector Troy books by John Lawton The details of the story are fascinating and give an insight into life at this time with all the difficulties over the rationing of food and time in bomb shelters The plot with many dramatic twists and turns is very vivid and knowledgeable and the widely diverse scenes kept me transfixed until the last page I found it very difficult to put this very gripping story down until the extraordinary end I look forward hopefully to reading many more books by this very gifted author Strongly recommended YORKSHIRE GAZETTE AND HERALD A real treasure *Stalin's Agent* Boris Volodarsky, 2015 This is the true story behind General Alexander Orlov the man who never was now revealed in full for the first time Stalinist henchman Soviet spy celebrated defector to the West and central character in the greatest KGB deception ever *Stalin's Economist* André Mommen, 2011-04-06 This book analyses the contribution of Eugen Jen Varga 1879 1964 on Marxist Leninist economic theory as well as the influence he exercised on Stalin's foreign policy and through the Comintern on the international communist movement During the Hungarian Councils Republic of 1919 Varga was one of those chiefly responsible for transforming the economy into one big industrial and agrarian firm under state authority After the fall of the revolutionary regime that year Varga joined the Hungarian Communist Party soon after which he would become one of the Comintern's leading economists predicting the inevitable crisis of the capitalist system Varga became the Soviet Union's official propagandist As an economic

specialist he would advise the Soviet government on German reparation payments and unlike Stalin believed that the capitalist state would be able to plan post war economic recovery which contradicted Stalin's foreign policy strategy and led to his disgrace. Thus by the beginning of the Cold War in 1947 Varga was discredited but allowed to keep a minor academic position. After Stalin's death in 1953 he reappeared as a well respected economist whose political influence had nonetheless waned. In this study Mammen reveals how Stalin's view on international capitalism and inter imperialist rivalries was profoundly influenced by debates in the Comintern and by Varga's concept of the general crisis of capitalism. Though Stalin appreciated Varga's cleverness he never trusted him when making his strategic foreign policy decisions. This was clearly demonstrated in August 1939 with Stalin's pact with Hitler and in 1947 with his refusal to participate in Marshall's European Recovery Plan. This book should be of interest to a wide variety of students and researchers including those concentrating on the history of economic thought, Soviet studies, international relations and European and Cold War history.

As recognized, adventure as without difficulty as experience practically lesson, amusement, as without difficulty as pact can be gotten by just checking out a book **Stalins Silver** next it is not directly done, you could put up with even more a propos this life, more or less the world.

We have enough money you this proper as skillfully as easy artifice to get those all. We provide Stalins Silver and numerous book collections from fictions to scientific research in any way. along with them is this Stalins Silver that can be your partner.
