Stalking The Academic Communist Intellectual Freedom The Firing Of Alex Novikoff:

Stalking the Academic Communist David R. Holmes,1989 *Stalking the Academic Communist* David Holmes,2025-06

Academic Freedom Stephen H. Aby,James Kuhn,2000-02-28 The freedom of academics to pursue knowledge and truth in their research writing and teaching is a fundamental principle of contemporary higher education in the United States But this freedom has been hard won and regularly abridged reinterpreted and violated Academic freedom has been central to many issues and controversies in higher education and has thus generated literature in a variety of disciplines This book provides access to that literature Included are entries for nearly 500 books chapters articles reports web sites and other sources of information about academic freedom Each entry includes a descriptive annotation and the entries are grouped in topical chapters While most of the works cited were published since the 1940 American Association of University Professors Statement of Principles on Academic Freedom and Tenure some older studies have also been included Though the volume focuses primarily on higher education in the U S it also includes a chapter on academic freedom in other countries

Resources in Education ,1990 **A Second Chicago School?** Gary Alan Fine,1995-09 From 1945 to about 1960 the University of Chicago was home to a group of faculty and graduate students whose work has come to define what many call a second Chicago School of sociology Like its predecessor earlier in the century the postwar department was again the center for qualitative social research on everything from mapping the nuances of human behavior in small groups to seeking solutions to problems of race crime and poverty Howard Becker Joseph Gusfield Herbert Blumer David Riesman Erving Goffman and others created a large enduring body of work In this book leading sociologists critically confront this legacy The eight original chapters survey the issues that defined the department s agenda the focus on deviance race and ethnic relations urban life and collective behavior the renewal of participant observation as a method and the refinement of symbolic interaction as a guiding theory and the professional and institutional factors that shaped this generation including the leadership of Louis Wirth and Everett C Hughes the role of women and the competition for national influence Chicago sociology faced from survey research at Columbia and grand theory at Harvard The contributors also discuss the internal conflicts that call into question the very idea of a unified school **Higher Education: Handbook of Theory and**

Research Michael B. Paulsen,2016-04-12 Published annually since 1985 the Handbook series provides a compendium of thorough and integrative literature reviews on a diverse array of topics of interest to the higher education scholarly and policy communities Each chapter provides a comprehensive review of research findings on a selected topic critiques the research literature in terms of its conceptual and methodological rigor and sets forth an agenda for future research intended to advance knowledge on the chosen topic The Handbook focuses on a comprehensive set of central areas of study in higher education that encompasses the salient dimensions of scholarly and policy inquiries undertaken in the international higher education community Each annual volume contains chapters on such diverse topics as research on college students and

faculty organization and administration curriculum and instruction policy diversity issues economics and finance history and philosophy community colleges advances in research methodology and more The series is fortunate to have attracted annual contributions from distinguished scholars throughout the world

Establishing Academic Freedom Timothy Reese Cain, 2012-09-06 This is this the book length work addressing the development of academic freedom and the procedures designed to protect it from the 1915 founding of the AAUP and the AAC to their endorsement of the key document in the history of professorial rights and responsibilities the 1940 Statement of Principles of Academic Freedom and Tenure *The Cold War and Academic Governance* Lionel Stanley Lewis, 1993-01-01 This book examines the harassment of the Johns Hopkins University sinologist Owen Lattimore during the height of the Cold War on campus It moves from detailing the specifics of Lattimore's case to a discussion of the broader themes of academic governance that the case exposed With his meticulous dissection of this major event in United States academic history Lewis shows us much about the workings of academic governance

McCarthyism Jonathan Michaels, 2017-04-21 In this succinct text Jonathan Michaels examines the rise of anti communist sentiment in the postwar United States exploring the factors that facilitated McCarthyism and assessing the long term effects on US politics and culture McCarthyism The Realities Delusions and Politics Behind the 1950s Red Scare offers an analysis of the ways in which fear of communism manifested in daily American life giving readers a rich understanding of this era of postwar American history Including primary documents and a companion website Michaels text presents a fully integrated picture of McCarthyism and the cultural climate of the United States in the aftermath of the Second World War

Threatening Anthropology David H. Price, 2004-04-20 An archival history of governmental investigations of anthropologists in the 1950s based on over 20 000 pages of documents obtained by the author under the Freedom of Information Act

Power, Discourse, Ethics Kenneth D. Gariepy, 2015-12-21 In this unique study emerging higher education leader and policy expert Kenneth D Gariepy takes a Foucauldian genealogical approach to the study of the intellectually free subject through the analysis of selected academic freedom statement events Assuming academic freedom to be an institutionalized discourse practice operating in the field of contemporary postsecondary education in Canada a specific kind of cross disciplinary historico theoretical research is conducted that pays particular attention to the productive nature and effects of power knowledge The intent is to disrupt academic freedom as commonsensical good and universal right in order to instead focus on how it is that the academic subject emerges as free unfree to think and therefore free unfree to be through particular effective and effecting regimes of truth and strategies of objectification and subjectification In this way the author suggests how it is that academic freedom operates as a set of systemically agonistic practices that might only realize a different economy of discourse through the contingent nature of the very social power that produces it Dr Gariepy's use of Foucault's genealogical analysis provides a wholly different way in which to re think the construction and practice of academic freedom in Canada and is thus an important contribution to the broader discursive field it seeks to

analyze Given contemporary neoliberal critiques of the university the issue of academic freedom and the intellectually free subject is a vital problem that is of interest to numerous knowledge producing communities on and off campus Equally important in addressing the problem of academic freedom is how the book also contributes a new description of the genealogical method something Foucault did not stipulate that is original ambitious compelling and insightful I commend Dr Gariepy for returning to investigate anew an issue we think we know E Lisa Panayotidis PhD Professor Chair Educational Studies in Curriculum and Learning Werklund School of Education University of Calgary Editor of History of Intellectual Culture *It Happened in Vermont* Mark Bushnell,2009-04-14 From the French and Indian War to the exposure of Maple Corner thirty two events that shaped the Green Mountain State *American Science in an Age of Anxiety* Jessica Wang,2000-11-09 No professional group in the United States benefited more from World War II than the scientific community After the atomic bombings of Hiroshima and Nagasaki scientists enjoyed unprecedented public visibility and political influence as a new elite whose expertise now seemed critical to America s future But as the United States grew committed to Cold War conflict with the Soviet Union and the ideology of anticommunism came to dominate American politics scientists faced an increasingly vigorous regimen of security and loyalty clearances as well as the threat of intrusive investigations by the notorious House Committee on Un American Activities and other government bodies This book is the first major study of American scientists encounters with Cold War anticommunism in the decade after World War II By examining cases of individual scientists subjected to loyalty and security investigations the organizational response of the scientific community to political attacks and the relationships between Cold War ideology and postwar science policy Jessica Wang demonstrates the stifling effects of anticommunist ideology on the politics of science She exposes the deep divisions over the Cold War within the scientific community and provides a complex story of hard choices a community in crisis and roads not taken *Being Reflexive in Critical and Social Educational Research* Geoffrey Shacklock,John Smyth,2002-11-01 This text is a collection of case studies and readings on the subject of doing research in education It takes a personal view of the experience of doing research Each author presents a reflexive account of the issues and dilemmas as they have lived through them during the undertaking of educational research Coming from the researcher s own perspectives their positions are revealed within a wider space that can be personal political social and reflexive With this approach many issues such as ethics gender race validity reciprocity sexuality class voice empowerment authorship and readership are given an airing

American Educational History Journal J. Wesley Null,2009-11-01 The American Educational History Journal is a peer reviewed national research journal devoted to the examination of educational topics using perspectives from a variety of disciplines The editors of AEHJ encourage communication between scholars from numerous disciplines nationalities institutions and backgrounds Authors come from a variety of disciplines including political science curriculum history philosophy teacher education and educational leadership Acceptance for publication in AEHJ requires that each author

present a well articulated argument that deals substantively with questions of educational history **Standing Against Dragons** Sarah Hart Brown,2000-03 *Standing Against Dragons* examines the careers of three exceptional lawyers who championed civil liberties and fought for civil rights in the two decades after World War II John Coe of Pensacola Florida Clifford Durr of Montgomery Alabama and Benjamin Smith of New Orleans became southern dissenters resisting both the excessive zeal of the anti Communist right and southern segregation laws Coe Durr and Smith all appeared with their clients in the much publicized 1954 investigation of the Southern Conference Educational Fund and defended persons subpoenaed by the House Un American Activities Committee HUAC Coe represented the ardent integrationist who was the last man indicted for contempt by the HUAC and Smith's offices were raided in 1963 as a result of his civil rights work in Mississippi Despite personal and political differences these men remained committed civil libertarians in this era of repression While formally rejecting Communism defending freedom of expression and association in almost every instance these advocates in practice disavowed individualism in favor of the common good and feared the oppression of unbridled government Consequently they faced professional scorn personal ostracism and official harassment Sarah Hart Brown's astute analysis reveals the wide range of southern political ideas and defines the positions of southern liberals and radicals in the broader stream of American liberalism during the postwar period **Priests of Our Democracy** Marjorie Heins,2013-12-22 *Priests of Our Democracy* tells of the teachers and professors who battled the anti communist witch hunt of the 1950s It traces the political fortunes of academic freedom beginning in the late 19th century both on campus and in the courts Combining political and legal history with wrenching personal stories the book details how the anti communist excesses of the 1950s inspired the Supreme Court to recognize the vital role of teachers and professors in American democracy The crushing of dissent in the 1950s impoverished political discourse in ways that are still being felt and First Amendment academic freedom a product of that period is in peril today In compelling terms this book shows why the issue should matter to everyone

Works about John Dewey, 1886-1995 Barbara Levine,1996 Levine has included all of the material published about Dewey during the 108 years between 1886 1994 and has included many 1995 items as well She has verified all items and whenever possible obtained copies *Perspectives on the History of Higher Education* Roger L. Geiger,2017-07-05 This volume of *Perspectives* opens with two contrasting perspectives on the purpose of higher education at the dawning of the university age perspectives that continue to define the debate today A J Angulo recreates the controversy surrounding the founding and early years of the Massachusetts Institute of Technology Whether presented as an alternative to or a repudiation of the prevailing classical liberal education MIT was rejected as inherently inferior by college defenders George Levesque offers a penetrating reappraisal of Yale president Noah Porter 1870 1886 Known almost solely for his role as a college defender Porter is revealed as a vigorous scholar who became fixated with preserving the strengths of Yale College As these matters were vigorously debated during these years Porter's position was superseded by more powerful forces *Works about John*

Dewey, 1886-2012 Barbara Levine, 2013-11-05 Works of John Dewey 1886 2012 is an invaluable and meticulously compiled resource for the growing number of scholars and researchers seeking a deeper understanding of the work of the prominent American philosopher psychologist and educational reformer Dewey 1859 1952 an influential philosopher credited with the founding of pragmatism and also recognized as a pioneer in functional psychology and the progressive moment in education was hailed by Life magazine in 1990 as one of the one hundred most important Americans of the twentieth century This rich and continually expanding compendium of historical and more recent essays research and references is a testament to the growing interest in Dewey s intellectual work and his measurable impact in the United States and throughout the world In Works of John Dewey 1886 2012 some four thousand new entries are presented in ebook format in addition to those from earlier print and electronic editions dating back to 1995 Copies of most of the works have been obtained and are stored at the Center for Dewey Studies For the first time users can access all items from all editions in one user friendly format Jump links to alphabetical sections facilitate movement through the vast collection of entries Users can search by keyword and author

Stalking The Academic Communist Intellectual Freedom The Firing Of Alex Novikoff Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Stalking The Academic Communist Intellectual Freedom The Firing Of Alex Novikoff PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making

research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Stalking The Academic Communist Intellectual Freedom The Firing Of Alex Novikoff PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Stalking The Academic Communist Intellectual Freedom The Firing Of Alex Novikoff free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Stalking The Academic Communist Intellectual Freedom The Firing Of Alex Novikoff Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Stalking The Academic Communist Intellectual Freedom The Firing Of Alex Novikoff is one of the best book in our library for free trial. We provide copy of Stalking The Academic Communist Intellectual Freedom The Firing Of Alex Novikoff in digital format, so the resources that

Stalking The Academic Communist Intellectual Freedom The Firing Of Alex Novikoff

you find are reliable. There are also many Ebooks of related with Stalking The Academic Communist Intellectual Freedom The Firing Of Alex Novikoff. Where to download Stalking The Academic Communist Intellectual Freedom The Firing Of Alex Novikoff online for free? Are you looking for Stalking The Academic Communist Intellectual Freedom The Firing Of Alex Novikoff PDF? This is definitely going to save you time and cash in something you should think about.
