**The Carefree-Ease Record** ,2025-09-02 In this radical new translation of a classic Ch an Zen koan collection David Hinton illuminates the Taoist dimensions of carefree ease the effortless joy of the enlightened mind in harmony with earth and cosmos First collected by the Ch an master Wisdom Expanse Hung Chih in the twelfth century this collection of one hundred kung ans or koans is an essential text for students of Ch an and Zen These miniature masterpieces of Chinese philosophy and literature offer a unique way of penetrating directly into the essence of Ch an teaching and in this new translation Hinton affords readers an opportunity to experience these koans in English like never before Paring away the later commentaries that are usually presented with these koans Hinton lets the original stories stand on their own revealing themselves as nothing less than poetic expressions of the awakened mind A far cry from the transcendence of life and death that typifies the traditional Buddhist goal of nirvana this awakening is distinctly earthy and grounded in the rhythms of nature shaped by the centuries of Taoist tradition that preceded Ch an Carefree ease writes Hinton is to move through life with the profound tranquility of the Cosmos itself as it unfurls through its perennial transformations Following his translation of No Gate Gateway 2018 and Blue Cliff Record 2024 this volume marks the completion of Hinton s project to translate all three of the classic koan collections
