Phronk, 2014-06-13 When Stan meets Dalla his unscrupulous profession comes back to bite him If he doesn't deliver the vampire's movie star obsession on a platter he'll find himself on the menu instead Forced on a road trip to Hollywood with a monster Stan knows his days are numbered He'll need to buy time Sure

Dalla is a literal monster but if she only got to know the real Stan maybe she'd find him charming enough to let him live. Maybe Thing is when going up against a star who doesn't want to be found in a world where being rich is more powerful than being undead there won't be time for chit chat. With a quirky chance meeting opposites forced together and otherworldly obstacles on a road trip to love this could've been a romantic comedy. This is not a romantic comedy. This is going to hurt and it's going to get bloody. Better buckle in. Stars and Other Monsters is horrific urban fantasy for adults. Grab a copy if you feel like an unusual blend of horror action and humor. **Motion Picture Herald**, 1927 *Sparky and the Waarheid Camera* Stephen DeLuca, 2008-03-18 Set in 1970 we follow Sparky Donnelly a ten year old boy whose superficially idyllic home life is about to shatter. Sparky is aware that something is wrong a feeling which he experiences as an vague dissatisfaction and naively believes that other people are living far more fun and exciting lives. This idea obsesses Sparky and triggers an extraordinary dream of an entire day during which he sets out through the neighborhoods of his city at first in a vain attempt to find his classmates and later just to get home. Armed with a special camera that purportedly reveals the true essence of things Sparky gets a taste of a wide spectrum of dysfunctional and perverse adults in his travels. The conversations that ensue from these encounters serve up slyly ironic and raunchy humor including some unwittingly sardonic observations by Sparky himself. Sparky is given the opportunity to learn that adulthood has its own limitations and frustrations and that the fun and exciting life comes at a cost. *Hatteras Blues* Tom Carlson, 2010-03-01 Tom Carlson tells the story of Ernal Foster and the Foster family of Hatteras Village who gave birth to what would become the multi million dollar charter fishing industry on the Outer Banks. Today Ernal's son Captain Ernie Foster struggles to keep the family business alive in a time of great change on the Banks. Within the engaging saga of the rise and decline of one family's livelihood Carlson relates the history and transformation of Hatteras Village and the high adrenaline experience of blue water sportfishing and the industry that surrounds it. Hatteras Blues is their story a story of triumph and loss of sturdy Calvinist values and pell mell American progress and of fate and luck as capricious as the weather. Insane Illumination A. C. What follows is a mix of religious context mental musings and poetic thoughts that lead to a multi dimensional free thinking banquet. From love's last moments psychotic entertainers dreams and visions of implied end times to a comfortable Utopian world this work is an insane compelling and thought provoking read from beginning to end. Ultimately it is up to you to decide whether you find any illumination. **Man Enough?** Max Brallier, Geoff Baker, 2012-03-18 Think You Know Your Stuff Prove It The gauntlet's been thrown down.
