Stand Against Tyranny Norways Physicians And The Nazis:

A Stand Against Tyranny Maynard M. Cohen, 2000-09 While many citizens participated on the Resistance the role of Norway's physicians was central to its efforts This book retells the dramatic history of Norway's physicians during the Nazi occupation of their valour dedication and irreplaceable contribution to their nation's liberation **Brain Science under the Swastika** Lawrence A. Zeidman, 2020-05-25 Eighty years ago the largest genocide ever occurred in Nazi Europe This began with the mass extermination of patients with neurologic and psychiatric disorders that Hitler's regime considered useless eaters The neuropsychiatric profession was systematically cleansed beginning in 1933 but racism and eugenics had infiltrated the specialty long before that With the installation of Nazi principled neuroscientists mass forced sterilization was enacted which transitioned to patient murder by the start of World War II But the murder of roughly 275 000 patients was not enough The patients brains were stored and used in scientific publications both during and long after the war Also patients themselves were used for unethical experiments Relatively few neuroscientists resisted the Nazis with some success in the occupied countries Most neuroscientists involved in unethical actions continued their careers unscathed after the war Few answered for their actions and few repented The legacy of such a depraved era in the history of neuroscience and medical ethics is that codes now exist to protect patients and research subjects But this protection is possibly subject to political extremes and individual neuroscientists can only protect patients and colleagues if they understand the dangers of a utilitarian unethical and uncompassionate mindset **Brain Science under the Swastika** is the only comprehensive and scholarly published work regarding the ethical and professional abuses of neuroscientists during the Nazi era The author has crafted a scathing tour de force exploring the extremes of ethical abuse but also ways that this can be resisted and hopefully prevented by future generations of neuroscientists and physicians **Jewish Medical Resistance in the Holocaust** Michael A. Grodin, M.D., 2014-09-01 Faced with infectious diseases starvation lack of medicines lack of clean water and safe sewage Jewish physicians practiced medicine under severe conditions in the ghettos and concentration camps of the Holocaust Despite the odds against them physicians managed to supply public health education enforce hygiene protocols inspect buildings and latrines enact quarantine and perform triage Many gave their lives to help fellow prisoners Based on archival materials and featuring memoirs of Holocaust survivors this volume offers a rich array of both tragic and inspiring studies of the sanctification of life as practiced by Jewish medical professionals More than simply a medical story these histories represent the finest exemplification of a humanist moral imperative during a dark hour of recent history **Historical Dictionary of Norway** Terje Leiren, Jan Sjøvik, 2019-10-08 Norway has a thousand year history from the Vikings 750 1100 to modern times Historically a poor country on Europe's periphery its natural resources and hardy people have established a successful modern welfare state Norway has exploited its natural resources of fish water oil and gas to become one of Europe's most successful small states This second edition of I contains a chronology an introduction and an extensive bibliography The

dictionary section has over 300 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Norway **The Michigan Alumnus** ,1998 In v 1 8 the final number consists of the Commencement annual **The to Z of Norway** Jan Sjøvik,2010-05-11 One of the smallest countries in Europe Norway has created for itself a position in the world community which is completely out of proportion to the size of its population Originally the home of sub Arctic hunters and gatherers then of ferocious Vikings it lost perhaps half of its population to the Black Death in 1349 ended up in a union with Denmark that lasted until 1814 and then became united with Sweden gaining complete independence only as recently as 1905 Over the centuries the Norwegians eked out a meager living from stony fields and treacherous seas while suffering through hunger darkness and cold however its recent productive use of such natural resources as hydroelectric power natural gas and oil has made the Norwegians some of the richest people in the world The A to Z of Norway supplies a wealth of information that illuminates Norway s remarkable history society and culture This is done through a chronology a bibliography an introductory essay appendixes and over 250 cross referenced dictionary entries covering events and individuals of historical political social and cultural significance Both past and present political parties are discussed major economic sectors are described and basic economic facts are provided Several entries describe the history and attractions of major Norwegian cities and Norway s role in the international community is detailed as well providing a full portrait of this vibrant country **British Policy and Strategy towards Norway, 1941-45** C. Mann,2012-11-19 After the German occupation of 1940 Britain was forced to reassess its relationship with Norway a country largely on the periphery of the main theatres of the Second World War Christopher Mann examines British military policy towards Norway concentrating on the commando raids deception planning and naval operations **Hitler's Northern Utopia** Despina Stratigakos,2022-03-22 How Nazi architects and planners envisioned and began to build a model Aryan society in Norway during World War II *European Resistance in the Second World War* Philip Cooke,Ben H. Shepherd,2013-11-13 Resistance to German led Axis occupation occurred all the way across the European continent during the Second World War It took a wide range of forms non cooperation and disinformation sabotage espionage armed opposition and full scale partisan warfare It is an important element in the experience and the national memory of the peoples who found themselves under Axis government and control For over thirty years there has been no systematic attempt to give readers a panoramic yet detailed view of the make up actions and impact of resistance movements from Scandinavia down to Greece and from France through to Russia This authoritative and accessible survey written by a group of the leading experts in the field provides a reliable in depth up to date account of the resistance in each region and country along with an assessment of its effectiveness and of the Axis reaction to it An extensive introduction by the editors Philip Cooke and Ben H Shepherd draws the threads of the varied movements and groups together highlighting the many differences and similarities between them The book will be a

significant contribution to the frequently heated debates about the importance of individual resistance movements It will be thought provoking reading for everyone who is interested in or studying occupied Europe during the Second World War

Wilhelm Reich, Biologist James E. Strick, 2015-04-06 Refuting allegations of pseudoscience that have long dogged Reich's research the author argues that Reich's lab experiments in the mid 1930s represented the cutting edge of light microscopy and time lapse micro cinematography and deserve to be taken seriously as legitimate scientific contributions
Publisher's description

Medical Jurisprudence and Rules of the Medical Profession Rudolf Ramm, 2019-11-18 The Nazi Viewpoint on the Position and Responsibilities of the Physician in the German National Socialist Society This work is translated annotated and introduced by Melvin Wayne Cooper This is the first translation in English of Rudolf Ramm's textbook *rtzliche Rechts und Standeskunde Der Arzt als Gesundheitserzieher* translated and introduced by Melvin Wayne Cooper Medical Jurisprudence and Rules of the Medical Profession has been reported to be an influential manual for medical ethics in Nazi Germany and is commonly quoted as representing the Nazi viewpoint of the position and responsibilities of the physician in the National Socialist society It interprets the National Socialist Weltanschauung i e the National Socialist Philosophical Worldview and makes explicit how this world view was to be actuated by the true National Socialist physician It is a good text to attempt to see the National Socialist medical world view from the perspective of its practitioners Ramm's text could be viewed as being analogous to an Army Field Manual for the practicing National Socialist physician It dictates the specific applications of the legal values and rules which emanate from this Weltanschauung to the developing medical students and practicing National Socialist physicians According to some scholars Ramm's book which was written not only for students but also for postgraduates and which received positive reviews in German medical journals is the most important known historical source pertaining to the instruction of Nazi medical ethics The 1942 edition sold out within a year and a second edition published in 1943 included an extended appendix of medical laws Through this book Ramm's unique text is now available for an English language audience thanks to the thorough translation and accessible introduction by Melvin Wayne Cooper

Shadow on the Mountain Margi Preus, 2012-10-01 Newbery Honor winner Preus delivers a riveting story about teenage freedom fighters in WWII Norway Publishers Weekly After Nazi Germany invades and occupies Norway fourteen year old Espen and his friends are swept up in the Norwegian resistance movement Espen gets his start by delivering illegal newspapers then graduates to the role of courier and finally becomes a spy dodging the Gestapo along the way During five years under the Nazi regime Espen his sister and their parents live in fear of nighttime raids and arrests and they begin to question the loyalties of the people around them Espen gains and loses friends falls in love and makes one small mistake that threatens to catch up with him as he sets out to escape on skis over the mountains to Sweden Award winning author Margi Preus crafts a thrilling adventure based on the real life experiences of Erling Storrusten a Norwegian spy during World War II Praise for *Shadow on the Mountain* Engrossing This is at once a spy thriller a coming of age story and a

chronicle of escalating bravery Multidimensional characters fill this gripping tale that keeps readers riveted to the end School Library Journal starred review A morally satisfying page turner Kirkus Reviews *Forced Migration in the History of 20th Century Neuroscience and Psychiatry* Frank W. Stahnisch, Gül A. Russell, 2017-09-18 The forced migration of neuroscientists both during and after the Second World War is of growing interest to international scholars Of particular interest is how the long term migration of scientists and physicians has affected both the academic migrants and their receiving environments As well as the clash between two different traditions and systems this migration forced scientists and physicians to confront foreign institutional political and cultural frameworks when trying to establish their own ways of knowledge generation systems of logic and cultural mentalities The twentieth century has been called the century of war and forced migration since it witnessed two devastating world wars prompting a massive exodus that included many neuroscientists and psychiatrists Fascism in Italy and Spain beginning in the 1920s Nazism in Germany and Austria between the 1930s and 1940s and the impact of the Soviet occupation of Eastern Europe all forced more than two thousand researchers with prior education in neurology psychiatry and the basic brain research disciplines to leave their scientific and academic home institutions This edited volume comprising of thirteen chapters written by international specialists reflects on the complex dimensions of intellectual migration in the neurosciences and illustrates them by using relevant case studies biographies and surveys This book was originally published as a special issue of the Journal of the History of the Neurosciences

Scandinavia since 1500 Byron J. Nordstrom, 2023-06-27 An updated edition of the definitive history of Scandinavia over the past five centuries Despite certain distinctions and differences the lands of Scandinavia or Norden Sweden Norway Finland Iceland Denmark and the Faroe Islands are united by bonds of culture language and geography and by a shared history that comes richly to life in this landmark work Now in an expanded updated edition this authoritative chronicle of five centuries of Scandinavian history incorporates the geopolitical developments and momentous events that have marked the Nordic world in recent decades Scandinavia since 1500 situates the region's political history within the traditional European chronology in which the long modern period is subdivided into the Renaissance early modern modern and contemporary Within this framework Byron J Nordstrom traces the various ways in which economic social and cultural ideas and practices have come to Scandinavia from abroad only to be modified and recast in a uniquely Nordic character Long unquestioned national mythologies come under Nordstrom's scrutiny along with historical blind spots and erasures as he ranges from canonical figures like Gustavus Adolphus of Sweden and Christian IV of Denmark to the constitutions of the nineteenth and twentieth centuries the resistance movements in World War II and the Scandinavian welfare states literary culture and modern design Expanded to include the nature and realities of the increasingly postindustrial economies of the late twentieth and early twenty first centuries including environmental concerns integration with Europe globalization and immigration Scandinavia since 1500 offers a comprehensive yet nuanced portrait of this unique region in all its political

diplomatic social economic and cultural complexity Cover alt text Bold white title and author name across breathtaking snowy landscape of sun touched cliffs beside a waterway and scattering of homes One Europe, Many Nations James B. Minahan, 2000-07-30 Dominating world politics since 1945 the Cold War created a fragile peace while suppressing national groups in the Cold War s most dangerous theater Europe Today with the collapse of Communism the European Continent is again overshadowed by the specter of radical nationalism as it was at the beginning of the century Focusing on the many possible conflicts that dot the European landscape this book is the first to address the Europeans as distinct national groups not as nation states and national minorities It is an essential guide to the national groups populating the so called Old World groups that continue to dominate world headlines and present the world community with some of its most intractable conflicts While other recent reference books on Europe approach the subject of nations and nationalism from the perspective of the European Union and the nation state this book addresses the post Cold War nationalist resurgence by focusing on the most basic element of any nationalism the nation It includes entries on nearly 150 groups surveying these groups from the earliest period of their national histories to the dawn of the 21st century In short essays highlighting the political social economic and historical evolution of peoples claiming a distinct identity in an increasingly integrated continent the book provides both up to date information and historical background on the European national groups that are currently making the news and those that will produce future headlines Germany and the Second World War , 1990 From the outbreak of war to the end of 1941 Germany was riding high over much of Europe then it all began to go wrong Volume V Part II of the comprehensive and authoritative Germany and the Second World War series spans the years 1942 to 1945 and looks in closely researched detail and against a background of growing military setbacks and disasters leading to final defeat at the administration and ruthless exploitation of the occupied countries and of Germany s own allies and the effect on their populations in particular their Jews Roma and Sinti and national economies This comprehensive study of the meteoric rise to prominence of Hitler s crown prince Albert Speer and his struggle to implement a total war armaments policy in the face of opposition from the Party s Gauleiters and political rivals in the Nazi leadership documents with a wealth of maps diagrams and tables the achievements of the arms drive he masterminded a large part of this success is shown to have relied on the forced or slave labour of those under German domination The conflicting claims of industry and the Wehrmacht for dwindling manpower resources are also considered Series description The volumes so far published in the magisterial ten volume Germany and the Second World War series have attracted international acclaim as a major contribution to historical study Under the auspices of the Milit rgeschichtliches Forschungsamt Research Institute for Military History at Potsdam a team of renowned historians has combined a full synthesis of existing material with the latest research to produce what will be the definitive history of the Second World War from the German point of view The comprehensive analysis based on detailed scholarly research is underpinned by a full apparatus of maps diagrams and tables Hunting Evil Guy Walters, 2010-05-04

Already acclaimed in England as first rate The Sunday Times a model of meticulous courageous and path breaking scholarship Literary Review and absorbing and thoroughly gripping deserves a lasting place among histories of the war The Sunday Telegraph Hunting Evil is the first complete and definitive account of how the Nazis escaped and were pursued and captured or managed to live long lives as fugitives At the end of the Second World War an estimated 30 000 Nazi war criminals fled from justice including some of the highest ranking members of the Nazi Party Many of them have names that resonate deeply in twentieth century history Eichmann Mengele Martin Bormann and Klaus Barbie not just for the monstrosity of their crimes but also because of the shadowy nature of their post war existence holed up in the depths of Latin America always one step ahead of their pursuers Aided and abetted by prominent people throughout Europe they hid in foreboding castles high in the Austrian alps and were taken in by shady Argentine secret agents The attempts to bring them to justice are no less dramatic featuring vengeful Holocaust survivors inept politicians and daring plots to kidnap or assassinate the fugitives In this exhaustively researched and compellingly written work of World War II history and investigative reporting journalist and novelist Guy Walters gives a comprehensive account of one of the most shocking and important aspects of the war how the most notorious Nazi war criminals escaped justice how they were pursued captured or able to remain free until their natural deaths and how the Nazis were assisted while they were on the run by helpers ranging from a Vatican bishop to a British camel doctor and even members of Western intelligence services Based on all new interviews with Nazi hunters and former Nazis and intelligence agents travels along the actual escape routes and archival research in Germany Britain the United States Austria and Italy Hunting Evil authoritatively debunks much of what has previously been understood about Nazis and Nazi hunters in the post war era including myths about the alleged Spider and Odessa escape networks and the surprising truth about the world s most legendary Nazi hunter Simon Wiesenthal From its haunting chronicle of the monstrous mass murders the Nazis perpetrated and the murky details of their postwar existence to the challenges of hunting them down Hunting Evil is a monumental work of nonfiction written with the pacing and intrigue of a thriller

A Stand Against Tyranny M. Cohen, 1997 This volume presents the historical events surrounding Norway s physicians during the Nazi occupation of Norway Throughout two principle themes are interwoven the valour dedication and contribution of Norwegian physicians to the Resistance Movement and the country s century long progression from a position of official intolerance to a humanitarian state that functions at times as the conscience of the world *Journal of the Royal Society of Medicine* Royal Society of Medicine (Great Britain), 1997 Includes selected papers from meetings of the Society and of its sections

Stand Against Tyranny Norways Physicians And The Nazis Introduction

In today's digital age, the availability of Stand Against Tyranny Norways Physicians And The Nazis books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Stand Against Tyranny Norways Physicians And The Nazis books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Stand Against Tyranny Norways Physicians And The Nazis books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Stand Against Tyranny Norways Physicians And The Nazis versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Stand Against Tyranny Norways Physicians And The Nazis books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Stand Against Tyranny Norways Physicians And The Nazis books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Stand Against Tyranny Norways Physicians And The Nazis books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Stand Against Tyranny Norways Physicians And The Nazis books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Stand Against Tyranny Norways Physicians And The Nazis books and manuals for download and embark on your journey of knowledge?

FAQs About Stand Against Tyranny Norways Physicians And The Nazis Books

What is a Stand Against Tyranny Norways Physicians And The Nazis PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Stand Against Tyranny Norways Physicians And The Nazis PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Stand Against Tyranny Norways Physicians And The Nazis PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Stand Against Tyranny Norways Physicians And The Nazis PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Stand Against Tyranny Norways**

Physicians And The Nazis PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
