Walle, 2010. Biblical scholarship like many other disciplines has become increasingly isolated. As a result, the field has not borrowed as much from other areas of scholarship as it could have and has exerted a smaller impact upon the larger intellectual community. A significant portion of *Pagans and Practitioners* deals with how the New Testament can be read as a rebuttal of Pagan rivals. In doing so, greater linkages with other disciplines are reestablished. Discussion of how the tools developed by Biblical criticism can serve other secular disciplines are provided. Collectively, this book explores how Biblical criticism can exert a greater impact upon the intellectual world. **How to Read the Bible** Miranda

provides a Biblically based seven-month program to turn your son into a solid man of God based on the Seven Pillars of Manhood: 1. Identity in Christ, 2. Love, 3. Godly Wisdom, 4. The Word of God, 5. Purity, 6. Character, 7. Legacy. Churches are filled with well-meaning youth pastors and programs that promote Christian values, doctrine, and culture to today's youth. But it is rare to find a program that includes a comprehensive set of pillars that are specifically designed to bring a teenage boy into Christian Manhood. By providing an intentional framework for Christian Manhood that can be worked through by a father, guardian, and son over seven months, this book is designed to provide such a program. **Be a Builder in the Kingdom:**

Apostle's Song not only listed the name of Jesus disciples but convinced me that I could be Jesus disciple too. Christians have a responsibility to search the Scriptures moving from basic biblical truths to more advanced principles of Christianity all the while growing in the knowledge and understanding of Jesus Christ. With that being said however I think it is helpful as maturing Christians to be reminded of simple truths. It is these basic truths of God's Word that guide us, encourage us, anchor us and serve as a solid foundation for more study and greater contemplation of Biblical concepts and truths. Children need to learn that Jesus loves me; this I know, but adults need to be reminded of this beautiful truth as well. I hope you enjoy this adventure as you remember songs you sang as children and hear them in a new and more profound way as maturing Christian adults.
