Prewitt,2023-03-10 Countless academic studies Christian leaders and personal experience show a startling and disturbing

fact about the church most Christians do not understand their faith Square 1 Bible Study for Christian Foundations explains clearly what the Bible teaches why Christians believe it and how to walk with Jesus The book brings foundational biblical doctrine to life through plain language thought provoking images and challenging application questions for group discussion The purpose of the book is to provide a biblical foundation for the Christian faith worldview and lifestyle So what makes it different Everything starts with God s nature character and attributes Its pages are visually stimulating with color imagery The book does not begin assuming the reader has high biblical literacy or holds Christian worldview and is therefore laced with Christian apologetics Square 1 treats 21st century topics like identity human rights and sexuality as foundational for believers to understand their faith The book tackles end times and the new creation with unbelievable clarity Square 1 is a masterful blend of theological philosophical pastoral apologetical and biblical material At the end of this study the reader should be able to walk out the Christian life in the power of the Holy Spirit in expectation of Christ s return to the praise and glory of the Father They will also be capable of understanding explaining and defending the central claims of Christianity which is the good news of Jesus Christ Square 1 is systematic theology for anybody *Baptist Commonwealth* ,1901
