Standing Up to Goliath Rebecca Friedrichs, 2018-11-20 In a book that's both accessible and enlightening Rebecca Friedrichs recounts her thirty year odyssey as an elementary school teacher who comes face to face with the forces dividing and corrupting our schools and culture state and national teachers unions An exciting true story that features real life testimonies of teachers parents and kids as well as political and social commentary Rebecca's journey leads her to the realization that the only hope for America's schools and families is returning authority to parents and teachers while lessening the grip of state and national unions that Promote a culture of fear and bully teachers and parents into silence Undermine parents authority by sexually socially and politically indoctrinating kids Use the apple pie image of the PTA as a front to promote a partisan agenda These insights and more led Rebecca and nine other teachers to the US Supreme Court where their case Friedrichs v California Teachers Association et al sought to restore the First Amendment rights of all teachers and government employees They argued no one should be forced to pay fees to abusive politically driven unions and

were poised to change the very landscape of American education until tragedy struck Saddened but unbowed Rebecca started a national movement For Kids and Country leading the charge of servant leaders who believe Judeo Christian values including kindness and restoration of the teaching profession possible only by rejecting state and national unions and forming local only associations are the answers to America s woes She invites you to join them America s teachers parents and kids deserve better Rebecca writes If we want freedom we re going to have to fight for it **Diploma in**
