

# New Standards Association Posture

- Standards Association withdrew from the US National Committee of the IEC, declined the JTC1 Secretariat, is withdrawing from US TAG sponsorship
  - concern is SA is global standards development organization; some view it as inappropriate to support US national entities (perception of SA as US SDO)
  - only the US handles standards development through voluntary industry organizations
  - looking for new sponsors for US TAGs
- CS ExCom is concerned about the impact on our standards work and would like the SAB to recommend a position for BOG consideration
